MISAKO YOSHIE
12/31/69

General Investigative Division continues to verify and evaluate the details of information furnished by PH 4389-PCI while awaiting completion of arrangements by our Philadelphia Office (PHO) to place source in contact with associates and/or SLA fugitives.

On 2/12/75, our San Francisco Office (SFO) advised that telephone number 415-864-3131 is listed to Garry, Dreyfus, McTernan, Rotsky, Herndon and Pesonen, Inc., 1256 Market Street, San Francisco. This is the law office of Charles Garry who represents both John Vincent Scott and Bill Walton.

[REDACTED] Charles Garry is well-known New-left lawyer who has been affiliated with the Black Panther Party and other extremists in the past). In addition, SFO concurs with Cleveland Office's recommendation that Bill Walton be reinterviewed in the near future and at the appropriate time. SFO is also considering reinterviewing William Henry Brandt (close associate of John Scott) who is presently incarcerated in Soledad Prison.

[REDACTED]

PHO advised that the apartment which Jack Scott first described to the source as being the apartment he originally met Hearst in is not in the Berkeley area but was, in fact, in Los Angeles; further location unknown to source. The description of apartment, individuals in the apartment, and sequence of events, however, remains the same. PHO also advised that Hearst may be using alias Susan."

Los Angeles Office (LAO) on 2/12/75, recommends the immediate transporting of source to Los Angeles for in-depth interview by Case Agents from Los Angeles and San Francisco as well as establishing fixed surveillances on residences of John Scott (Portland) and John Scott, Sr. (Las Vegas). LAO also recommends reinterviewing William Henry Brandt, former paramour of Wendy Masako Yoshimura whose fingerprint was identified on the premises of the Honesdale, Pennsylvania, farm by Bureau latent fingerprint experts.

[REDACTED]

SFO as office of origin has been directed to assume responsibility for overall investigative direction and vigorous fugitive investigation is continuing.

DURING RECENT INTERVIEWS, PH 4389-PCI HAS PROVIDED THE FOLLOWING INFORMATION.

THE APARTMENT WHICH JACK SCOTT FIRST DESCRIBED TO THE SOURCE AS BEING THE APARTMENT HE ORIGINALLY MET HEARST AT IS NOT IN ^{BERKELEY} THE ~~BERKELEY~~ AREA AS DESCRIBED IN PREVIOUS TELETYPES. IT WAS IN FACT IN LOS ANGELES, FURTHER LOCATION UNKNOWN TO THE SOURCE. THE DESCRIPTION OF THE APARTMENT, INDIVIDUALS IN THE APARTMENT AND THE SEQUENCE OF EVENTS REMAIN THE SAME. HE FURTHER CLARIFIES THAT THE FOCUS SHIFTED SHORTLY THEREAFTER TO ^{BERKELEY} THE ~~BERKELEY~~ AREA AND THE MOTEL WHERE HIS PARENTS MET HEARST TO MOVE HER BACK EAST.

WAS IN REGARD TO WILLIAM HENRY BRANT WHO IS CURRENTLY
INCARCERATED AT SOLEDAD PRISON.

SAN FRANCISCO OFFICE LAST INTERVIEWED BRANT ON JANUARY 30,

REGARDING HEARST OR THE HARRISES UNLESS HE HAD HIS ATTORNEY
PRESENT; HOWEVER, DURING THE CONVERSATION WITH BRANT IT
APPEARED THAT HE MAY BE MORE COOPERATIVE IN THE FUTURE AND
CONSEQUENTLY WE HAVE PLANNED ON REINTERVIEWING BRANT IN THE

INFORMATION FROM PH 4389-PCI

RE LOS ANGELES TEL TO THE BUREAU FEBRUARY 10, 1975, AND
PHILADELPHIA AND SAN FRANCISCO TELS DATED FEBRUARY 11, 1975.

LOS ANGELES AGREES THAT TELEPHONE TOLL RECORDS SHOULD BE
CHECKED FOR INDIVIDUALS WHO HAVE BEEN NAMED BY SOURCE AS ASSOCIATES
OF JACK SCOTT. LOS ANGELES ALSO FEELS THAT ~~CREDIT CARD CHECKS~~
AND OTHER RECORD CHECKS SHOULD BE CONDUCTED AND THE INFORMATION
DERIVED STUDIED FOR LEAD VALUE. HOWEVER, BECAUSE OF THE TIME
CONSUMING ASPECTS OF THIS TASK, IT SHOULD BE CONSIDERED
AS ONE AVENUE OF INVESTIGATION RATHER THAN THE SOLE SOLUTION
OF THIS CASE.

IT APPEARS THAT SOME ACTIVE INVESTIGATION MUST BE FEB 24 1975
INITIATED IN THE IMMEDIATE FUTURE. IT DOES NOT APPEAR LOGICAL

4 MAY 7 1975

FIVE

6-E

LA 7-1627 PAGE TWO

THAT PH 4389-PCI'S PARENTS AND RELATED INDIVIDUALS WOULD BE ANY MORE RECEPTIVE TO HIS APPEARANCE IN THE FUTURE THAN THEY WOULD BE NOW. IF THE SOURCE HAS BEEN COMPROMISED BY PAST INTERVIEW OF BILL WALTON AND ATTEMPTED INTERVIEW OF JACK SCOTT, IT APPEARS THAT TO LEARN OF THAT COMPROMISE NOW, RATHER THAN AT A MUCH LATER DATE, MIGHT SERVE TO CHANGE THE DIRECTION OF THIS INVESTIGATION CONSIDERABLY.

LOS ANGELES STILL BELIEVES THAT PH 4389-PCI SHOULD TRAVEL TO THE WEST COAST WITH THE PHILADELPHIA AGENT HANDLING THE SOURCE. IN ADDITION TO DETERMINING CONTINUING POTENTIAL OF SOURCE, THIS WOULD ALSO ENABLE CASE AGENTS OF BOTH SAN FRANCISCO AND LOS ANGELES TO TAKE PART IN AN INTERVIEW OF THE SOURCE; KEEPING IN MIND THAT MINUTE DETAILS OF THIS INVESTIGATION ARE PROBABLY KNOWN ONLY TO THOSE WHO HAVE HANDLED THIS MATTER FROM ITS INCEPTION OVER ONE YEAR AGO. IT MIGHT WELL BE THAT SOME DETAILS OF THE SOURCE'S STORY WHICH MIGHT APPEAR INSIGNIFICANT, AND THUS HAS NOT BEEN HIGHLIGHTED BY PHILADELPHIA, MIGHT COINCIDE WITH SOME INFORMATION ALREADY KNOWN IN EITHER SAN FRANCISCO OR LOS ANGELES.

FURTHER PAST INVESTIGATION HAS INDICATED THAT THE FUGITIVES HAVE BEEN HIGHLY MOBILE AS EVIDENCED MOST RECENTLY BY INFORMATION FURNISHED BY PHILADELPHIA SOURCE. IT ALSO APPEARS THAT THEIR ALLIANCES CHANGE TO SUIT WHATEVER THE SITUATION DICTATES.

LA 7-1627 PAGE THREE

IT IS THEREFORE POSSIBLE THAT SINCE THE INTERVIEW OF BILL WALTON AND ATTEMPTED INTERVIEW OF JACK SCOTT, THE FUGITIVES HAVE SEVERED RELATIONSHIPS WITH JACK SCOTT. WITH THIS IN MIND, LOS ANGELES IS OF THE OPINION THAT PERHAPS PH 4389-PCI AT A LATER DATE MAY NOT BE PRIVY TO INFORMATION AS TO CURRENT LOCATION OF THE FUGITIVES. THIS MAY NOT BE A RESULT OF DIS-TRUST OF PHILADELPHIA SOURCE BY JACK SCOTT AND OTHERS INVOLVED BUT RATHER THAT THE CAST OF CHARACTERS MAY HAVE AGAIN CHANGED THEREBY ELIMINATING THE SOURCE FROM THE DIRECT LINE OF INFORMATION.

LOS ANGELES CONCURS WITH SAN FRANCISCO THAT SOME TYPE OF FIXED SURVEILLANCE SHOULD BE ESTABLISHED ON THE RESIDENCES OF JACK SCOTT AT PORTLAND AND OF SCOTT'S PARENTS IN LAS VEGAS. IN VIEW OF JACK SCOTT'S ASPIRATIONS AS AN AUTHOR, IT IS WELL WITHIN THE REALM OF POSSIBILITY THAT HE IS CURRENTLY ENGAGED IN WRITING ABOUT HEARST AND THE HARRISES AND MIGHT BE IN SPORADIC PHYSICAL CONTACT WITH THEM. CONSIDERATION SHOULD BE GIVEN TO ESTABLISHING SOME TYPE OF SURVEILLANCE ON OTHER CONTACTS WHOSE NAMES HAVE BEEN SUPPLIED BY THE PHILADELPHIA SOURCE.

LA 7-1627 PAGE FOUR

IN VIEW OF FINGERPRINT IDENTIFICATION OF WENDY MASAKO YOSHIMURA, FBI NUMBER N R 375 4 L 8, AT THE HONESDALE, PENNSYLVANIA, FARM, LOS ANGELES RECOMMENDS THAT SAN FRANCISCO GIVE CONSIDERATION TO RECONTACT OF WILLIAM HENRY BRANT, CURRENTLY INCARCERATED AT THE SOLEDAD PRISON. BRANT IS A FORMER PARAMOUR OF WENDY YOSHIMURA, CURRENTLY IN FUGITIVE STATUS, AND HAS BEEN VISITED FREQUENTLY BY JACK SCOTT DURING HIS IMPRISONMENT. BRANT APPEARS TO BE IN AN EXCELLENT POSITION TO BE AWARE OF THE FUGITIVES' MOVEMENTS. SINCE COOPERATION WITH THE FBI IN THE HEARST MATTER COULD WEIGH FAVORABLY FOR BOTH HE AND YOSHIMURA, HE MIGHT BE CONVINCED TO COOPERATE. IT WOULD APPEAR THAT SUCH AN INTERVIEW COULD BE CONDUCTED WITHOUT DIVULGING ANY INFORMATION NOT ALREADY FURNISHED TO HIM BY AGENTS DURING THE PREVIOUS ATTEMPT AT INTERVIEW. ARMED WITH RECENT INFORMATION PROVIDED BY THE PHILADELPHIA SOURCE AND PHYSICAL EVIDENCE LOCATED AT HONESDALE PENNSYLVANIA, INTERVIEWING AGENTS MIGHT BE IN A MORE ADVANTAGEOUS POSITION THAN DURING PREVIOUS CONTACT OF BRANT.

ARMED AND DANGEROUS.

FOR THE INFORMATION OF PORTLAND, IN WALTON'S INTERVIEW ON JANUARY 16, 1975, IN CLEVELAND, THERE IS NO INDICATION THAT HE KNEW WHERE JACK SCOTT WAS IN THE LATTER PART OF JUNE, 1974, OTHER THAN THAT SCOTT VISITED HIM BETWEEN MAY 29TH AND THE MIDDLE OF JUNE, 1974. SCOTT DID NOT COME TO LIVE WITH WALTON AT WEST LINN, OREGON, ACCORDING TO WALTON UNTIL THE MIDDLE

OF AUGUST, 1974, AND WALTON STATED THAT HE WAS PRESENT AT WEST LINN WITH SCOTT AND HIS WIFE, MICKI, FROM APPROXIMATELY AUGUST 16, 1974, UNTIL SEPTEMBER 18, 1974, AT WHICH TIME WALTON WENT TO A TWO-WEEK TRAINING CAMP SESSION RETURNING TO WEST LINN IN EARLY OCTOBER. AT THIS TIME SCOTT WAS STILL THERE, AND THERE WAS NO INDICATION OR COMMENT FROM SCOTT THAT HE HAD DEPARTED WEST LINN DURING WALTON'S ABSENCE.

ADDITIONALLY, WALTON HAD NO KNOWLEDGE OF SCOTT'S TRAVEL TO THE STATE OF PENNSYLVANIA DURING JULY, 1974, AS HE WAS NOT IN CONTACT WITH SCOTT DURING THAT PERIOD. HE DID NOT BELIEVE THAT WALTON MADE A TRIP DURING SEPTEMBER, 1974. HOWEVER, AFTER SEPTEMBER 18, 1974, WALTON WAS AT TRAINING CAMP. BASED ON THE INTERVIEW OF WALTON, IT DOES NOT APPEAR THAT HE HAD ANY POSITIVE KNOWLEDGE OF THE WHEREABOUTS OF JACK SCOTT DURING THE CRITICAL PERIODS.

CLEVELAND HAS POINTED OUT THAT WALTON WAS COOPERATIVE AND EXPRESSED NO ANIMOSITY TOWARD THE AGENTS, AND ATTEMPTED TO ANSWER ALL QUESTIONS UNTIL THE INTERVIEW WAS TERMINATED

BY BUREAU AGENTS. CLEVELAND FEELS THAT A RE-INTERVIEW OF WALTON COULD BE PRODUCTIVE AND SAN FRANCISCO CONCURS WITH CLEVELAND'S RECOMMENDATION; IT BEING NOTED THAT IF WALTON INTENDED TO TELL JACK SCOTT ABOUT THE INTERVIEW, HE HAS HAD AMPLE OPPORTUNITY TO DO SO SINCE THE INTERVIEW WITH WALTON WAS CONDUCTED ALMOST ONE MONTH AGO. THEREFORE, SAN FRANCISCO RECOMMENDS THAT AT AN APPROPRIATE TIME IN THE NEAR FUTURE, DEPENDING UPON RESULTS OF INVESTIGATION FROM OTHER OFFICES, WALTON BE RE-INTERVIEWED REGARDING THE PARTICIPATION OF JACK SCOTT IN THE TRANSPORTATION OF THE FUGITIVE.

PRELIMINARY SURVEY TO DETERMINE FEASIBILITY OF FISUR AT RESIDENCE OF JOHN AND LOUISE SCOTT IN LAS VEGAS. RE LOS ANGELES TELETYPE CONCURRED WITH THE IDEA OF A FIXED TYPE SURVEILLANCE ON THE RESIDENCE OF SCOTT'S PARENTS IN LAS VEGAS.

AS HAS BEEN POINTED OUT, JOHN AND LOUISE SCOTT MANAGE THE CAMELOT APARTMENTS, WHICH IS A COMPLEX OF FOUR APARTMENT BUILDING, TWO STORY VARIETY. THE SCOTTS RESIDE IN THE MANAGER'S APARTMENT AT 5016 MARYLAND PARKWAY SOUTH WHICH IS THE FIRST APARTMENT ON THE FIRST FLOOR.

THE CAMELOT APARTMENT COMPLEX IS POSITIONED APPROXIMATELY 100 YARDS EAST OF MARYLAND PARKWAY (WHICH RUNS NORTH AND SOUTH) AND IMMEDIATELY BEHIND THE CAMELOT SHOPPING CENTER COMPLEX AND A HEALTH CENTER. THE HEALTH CENTER IS ON MARYLAND PARKWAY SOUTH AND SHIELDS ONE APARTMENT BUILDING, THAT RUNS NORTH AND SOUTH. THE OTHER THREE APARTMENT BUILDINGS ARE PERPENDICULAR TO THIS BUILDING AND ARE LIKEWISE SHIELDED FROM THE ROAD BY THE SHOPPING CENTER COMPLEX. THERE IS A CINDER BLOCK WALL APPROXIMATELY SIX FEET HIGH SEPARATING THE APARTMENT COMPLEX

END PAGE TWO

PAGE THREE

FROM THE SHOPPING CENTER COMPLEX AND THERE ARE NO WINDOWS IN THE VARIOUS BUSINESSES THAT OCCUPY THE SHOPPING CENTER COMPLEX THAT FACE THE APARTMENTS.

ANY FISUR OF THIS VICINITY WOULD HAVE TO BE A FIXED TYPE. IN VIEW OF THE PLACEMENT OF THE MANGER'S OFFICE WHICH HAS DOORS FACING ONLY SOUTH, AN APARTMENT WOULD HAVE TO BE OBTAINED IN THE BUILDING NEXT TO THE ONE IN WHICH THE MANGER RESIDES. IN VIEW OF THE POSITION OF JOHN AND LOUISE SCOTT AS MANAGERS OF THIS COMPLEX, UNDERCOVER SAS WITH APPROPRIATE IDENTITIES WOULD HAVE TO BE USED IN ORDER TO MAINTAIN THE FISUR. IF SUCH FISUR IS CONSIDERED, IT IS THE OPINION OF LAS VEGAS THAT UNDER COVER SAS FROM ANOTHER DIVISION SHOULD BE ASSIGNED TO IT SO AS TO AFFORD COMPLETE SECURITY.

ANY SORT OF EXTENSIVE MOVING FISUR WOULD VERY QUICKLY BE NOTED.

Resume Of Investigative Activities Conducted
by Salt Lake City Division

During the month of January, 1975, Salt Lake City has been conducting investigation which has been occasioned by numerous reported "sightings" of PATRICIA HEARST and the HARRISEs. To date these inquiries have all been resolved but there has been no indication that the fugitives in this matter have in fact been sighted in this area.

Regular contact has been maintained with officers of intelligence divisions of the Salt Lake City PD and the Salt Lake County SO, and with informants and sources of this area. Nothing pertinent has been determined as a result of these contacts.

Salt Lake City will continue active inquiry with these same sources, will insure weapons confiscated by local authorities are properly examined and will continue attempts to determine whether or not political activists in this area may have had any connection with those similar groups in other sections of the country who might, therefore, be in a position to give assistance in locating the fugitives.

GENERAL INVESTIGATIVE DIVISION
HEP P SUMMARY

This is a summary of the active fugitive investigation being conducted based on information being furnished by PH 4389-PCI concerning the coast-to-coast travel of SLA fugitives Patricia Hearst and Emily and William Harris in June through September, 1974.

On 2/11/75, our Philadelphia Office advised that source identified four motels in the Berkeley, California, area frequently used by Jack Scott, one of which could likely be the motel where Scott's parents picked up Patricia Hearst in June, 1974. Source also advised that he was told by Jack Scott that the fugitives have "good identifications in the names of deceased persons." Source added that Jack Scott may have been instrumental in procuring these identifications while in the New York City area. Source stated that Jack Scott and associates use a "relay system" frequently when communicating by phone. This involves calling a third party to relay message by phone to the person for whom message was intended. Source to travel to Los Angeles, ostensibly for employment, via his parents' home in Las Vegas where he will make discreet inquiries regarding present location of SLA fugitives.

Our Las Vegas Office recommends that three undercover Agents obtain an apartment at the Camelot Apartments prior to the time that source will arrive to visit his parents in order to assume an around-the-clock fixed surveillance of John and Louise Scott. (under evaluation) 175

Computerized telephone toll analysis and vigorous fugitive investigation continuing.

RE INFORMATION FURNISHED BY PH 4389-PCI

TODAY SOURCE IDENTIFIED FOUR MOTELS IN ^{BERKELEY} ~~BERKELEY~~ CALIFORNIA AREA

FREQUENTLY USED BY JACK SCOTT. THEY ARE IN ORDER OF IMPORTANCE:

^{BERKELEY} THE ~~BERKELEY~~ HOUSE (OR SIMILAR NAME), THE BEL AIR, THE CAPRI, AND THE PLAZA. ALL ARE LOCATED ON UNIVERSITY AVENUE NEAR THE CAL CAMPUS. SOURCE CONSIDERS IT LIKELY THAT ONE OF THESE COULD BE MOTEL WHERE SCOTT'S PARENTS PICKED UP HEARST IN JUNE 1974.

SOURCE ADVISES HE WAS TOLD BY JACK SCOTT THAT FUGITIVES HAVE GOOD IDENTIFICATION IN NAMES OF DECEASED PERSONS. SOURCE DID NOT KNOW IF IDENTITIES OF DEAD INFANTS WERE USED AS IN SIMILAR FUGITIVE CASES INVOLVING NEW LEFT FUGITIVES. THIS IDENTIFICATION OBTAINED IN SUMMER OF 1974 AND SOURCE HAS IMPRESSION ALTHOUGH NO DIRECT KNOWLEDGE, THAT JACK SCOTT INSTRUMENT IN ^{PROCURING} ~~PROCURING~~ THIS IDENTIFICATION WHILE IN NEW YORK CITY AREA.

SOURCE FURTHER ADVISED THAT JACK SCOTT AND ASSOCIATES USE A RELAY SYSTEM FREQUENTLY WHEN COMMUNICATING BY PHONE. THIS SIMPLY INVOLVES CALLING THIRD PARTY TO RELAY MESSAGE BY PHONE TO THE PERSON WHOM MESSAGE INTENDED.

REGARDING TRAVEL FOR THE SOURCE: TRAVEL APPEARS FEASIBLE WITH SOURCE BEGINNING MONDAY FEBRUARY 17, 1975 FOR VISIT TO ELDER SCOTTS IN LAS VEGAS. EVALUATION NECESSARY TO THIS POINT IN VIEW OF UNDERSTANDABLE EMOTIONAL STRAIN INVOLVED IN MEETING PARENTS. THIS DISCUSSED AT LENGTH WITH SOURCE AND SOURCE FEELS TRIP COULD HAVE GREAT VALUE. SOURCE WILL ATTEMPT TO OBTAIN CREDIT CARD NUMBERS USED BY FATHER DURING VISIT. INQUIRIES RE FUGITIVES WHEREABOUTS WILL ALSO BE ATTEMPTED.

SOURCE ADVISES THAT ANY ATTEMPT TO INTRODUCE UNDERCOVER AGENT WOULD RESULT IN PROBABLE COMPROMISE AND HE REFUSES TO DO SO.

SOURCE WILL BE TRAVELING WITH SA [REDACTED] PHILADELPHIA DIVISION WHO WILL BE CONTACT FOR ALL HIS ACTIVITIES. SA [REDACTED] WILL HAVE FUNDS NECESSARY FOR SOURCE. SOURCE CONTACTING ELDER SCOTTS TO RE-ESTABLISH TONIGHT TO RE-ESTABLISH CONTACT AND TO INDICATE JOB POSSIBILITY WITH LOS ANGELES BASED FIRM. ON SUNDAY, FEBRUARY 16, 1975, SOURCE WILL CALL AGAIN SAYING COMPANY HAS INDICATED STRONGER INTEREST AND IS PROVIDING FUNDS FOR EXPENSES INVOLVED IN COMING TO LA FOR INTERVIEW. DURING SAME CALL SOURCE WILL TELL PARENTS HE ANTICIPATES

SAN FRANCISCO HAS NO OBJECTION TO PORTLAND FURNISHING
[REDACTED] WITH PUBLIC INFORMATION BACKGROUND REGARDING SCOTT;
HOWEVER, IT APPEARS THAT IF [REDACTED] IS CONDUCTING ANY
ACTIVE INVESTIGATION OF SCOTT AND WALTON AT THIS TIME, THAT
THIS INVESTIGATION COULD CONCEIVABLY JEOPARDIZE OUR OPERATION
IN THE LAS VEGAS AREA, IN THAT IF WALTON AND JACK SCOTT ARE
AWARE OF SOME INVESTIGATION, THEY COULD SO ADVISE SCOTT'S PARENTS
AND, IT WOULD BE POSSIBLE THAT OUR PHILADELPHIA SOURCE WOULD
BE UNABLE TO OBTAIN ADDITIONAL INFORMATION FROM HIS PARENTS IN
LAS VEGAS OR HIS BROTHER JACK SCOTT. THEREFORE, IT IS SUGGESTED
THAT [REDACTED] BE CONTACTED AND WITHOUT DIVULGING THE REASON,
HE BE REQUESTED TO DEFER HIS INVESTIGATION UNTIL WE CAN RESOLVE

ENCLOSURE

SIX
CORRESPONDENCE

**A SPECIAL MESSAGE FROM THE DIRECTOR
OF THE FBI TO ARGOSY READERS**

I consider this to be a very, very important case—one of our most important. It isn't only the FBI, and our 8500 agents, who are looking for Patty Hearst and William and Emily Harris, it's all of us who are interested in justice.

The FBI and the public together can do something. I can assure you that the FBI is *sparing no effort to bring these three to the bar of justice*, and will continue to do so. And we will succeed in our search. I can't say where or when, but I can say that we *will find Patty Hearst and the Harrises*. With full public cooperation in this matter, that day will come ever so much sooner. This is not a new appeal for public cooperation. In fact, much of the credit for the apprehension of the 38,000 fugitives from justice for the twelve months ending in June can be directly attributed to the public's cooperation and concern.

This cooperation has manifested itself in the public's providing us with literally hundreds of thousands of tips. Two of those men once listed on the Ten Most Wanted Fugitives list were caught because people coming through the Bureau on a tour recognized pictures exhibited as someone they had recently seen.

We need this sort of cooperation again. I appeal to you, the ARGOSY reader, to contact us if you think you have information which could assist us in our quest to capture Patty Hearst and William and Emily Harris.

The FBI has built its reputation through sound and solid performance. It was only through this performance that we could hope to gain both your support and that of the media. But, as you know, when you're talking about credibility and general prestige, you can go just so far with publicity. Then you've got to perform.

We realize we must succeed in the Hearst case and we will. We've already expended much time and effort on this case and will continue to pursue it until that time when we succeed. But in order to succeed I must ask you, the ARGOSY reader, to cooperate with us as you have so many times in the past.

I would like to ask each one of you again, personally, to help us. Study the photographs on the accompanying pages to see if

you have seen these three fugitives recently. Reconsider any unusual happening that you may have witnessed lately to see if it may not have had some bearing—no matter how trivial you think it is—on this important case. Then, either call us or write me directly to tell me. You may be the one to help us bring these three fugitives to justice, and share the thanks of all of us for a job well done.

Please feel free to write to me, Clarence Kelley, Director, FBI, Room 7000, Washington, D.C. 20535, or call me at 202 324-3000 if you have information that will help us bring this case to a successful close. We need you and your help!

ALBANY AT SYRACUSE, NY, ATTEMPTED TO OBTAIN BACKGROUND DATA RE BECKER WITH ONLY PARTIAL SUCCESS DUE TO UNIVERSITY PERSONNEL BEING OUT OF TOWN FOR THE LONG WEEKEND. SYRACUSE UNIVERSITY DIRECTORIES LIST THE FOLLOWING INFORMATION:

1956-1957 GRADUATE STUDENT, RESIDENCE OF 206 UNIVERSITY AVENUE, SYRACUSE, NY.

YEARS NOT LISTED ABOVE AND ALSO FROM 1960 UNTIL 1974, BECKER IS NOT LISTED IN UNIVERSITY DIRECTORY.

SYRACUSE CITY DIRECTORY LISTS FOLLOWING INFORMATION:

1950 - ERNEST BECKER, STUDENT, 703 EAST RAYMOND AVENUE, SYRACUSE.

1957 - BECKER, 206 UNIVERSITY AVENUE, SYRACUSE, NY.

YEARS NOT INCLUDED ABOVE AND FROM 1966 TO PRESENT, BECKER IS NOT LISTED.

OTHER SOURCES AT SYRACUSE WERE CHECKED BUT WERE UNFAMILIAR WITH BECKER. SYRACUSE PD HAD NO RECORD. IT IS LIKELY THAT THE ERNEST BECKER WITH WIFE MARIE IS IDENTICAL TO THE BECKER SIGNATURE ON THE LETTER TO PRESIDENT LYNDON JOHNSON, IN THAT MANY OF THE OTHER SIGNERS WERE ALSO AT THE UPSTATE MEDICAL CENTER.

THE PCI HAS FORMERLY FURNISHED INFORMATION INDICATING THAT JACK SCOTT AND HIS PARENTS JOHN AND LOUISE SCOTT TRANSPORTED PATRICIA HEARST FROM THE BERKELEY AREA TO MT. POCONO, PENNSYLVANIA, AND ULTIMATELY TO JACK SCOTT'S APARTMENT IN NEW YORK WHERE AN INDIVIDUAL NAMED PAUL HOCH AND WILLIAM AND EMILY HARRIS WERE PRESENT. THIS SOURCE HAS ADVISED THAT EITHER JACK SCOTT OR A PHILIP SCHINNICK TRANSPORTED THE HARRISES TO THE EAST COAST AND THE HARRISES AND PATRICIA HEARST RESIDED IN THE LATE SUMMER AND FALL OF 1974 AT A FARM NEAR HONESDALE, PENNSYLVANIA. JACK SCOTT THEN REPORTEDLY TRANSPORTED PATRICIA HEARST TO HIS PARENT'S HOME IN LAS VEGAS ARRIVING SEPTEMBER 27, 1974, WHERE SHE WAS PICKED UP BY UNKNOWN INDIVIDUALS.

LEADS ARE OUTSTANDING TO DETERMINE IF THE PRINCIPAL SUSPECTS IN THE TRANSPORTATION OF THE FUGITIVES HAVE CREDIT CARDS SO THAT WE MAY TRACE THE ROUTE OF THEIR TRIPS. WE ARE CONDUCTING INVESTIGATION AT PLACES WHERE THE SOURCE HAS STATED THAT THE FUGITIVES HAVE STOPPED, SUCH AS AN INN IN MT. POCONO AND JACK SCOTT'S FORMER APARTMENT IN NEW YORK.

THE ABOVE CAPTIONED SOURCE TOGETHER WITH A PHILADELPHIA AGENT UNDER A SUITABLE PRETEXT ON FEBRUARY 16, 1973, IS TRAVELING FROM PHILADELPHIA TO LAS VEGAS WHERE THE SOURCE WILL CONTACT HIS PARENTS AND ATTEMPT TO OBTAIN MORE DETAILED AND SPECIFIC INFORMATION ABOUT THE VARIOUS TRIPS INVOLVING THE FUGITIVES AND SPECIFICALLY ABOUT THEIR PRESENT WHEREABOUTS. THE RESULTS OF THIS CONTACT WILL DICTATE OUR FUTURE COURSE OF ACTION, HOWEVER, AS INDICATED ABOVE WE ARE ATTEMPTING TO LOCATE

WEED COLLABORATING WITH A BERKELEY WRITER, ROGER RAPOPORT, IS WRITING A BOOK ENTITLED, "THE STORY OF PATRICIA HEARST". TOGETHER THEY HOLD A CONTRACT WITH BALLANTINE BOOKS WITH A GUARANTEED PAYMENT OF \$150,000. WEED RECENTLY OBTAINED AN INJUNCTION PROHIBITING RAPOPORT FROM USING MATERIAL GAINED FROM THEIR COLLABORATION REGARDING THE BOOK. WEED IS BRINGING SUIT AGAINST RAPOPORT AND BALLANTINE BOOKS ASKING \$450,000 IN DAMAGES, WHICH INCLUDED \$150,000 FOR BREACH OF CONTRACT, \$50,000 FOR LOSS BECAUSE OF DELAY IN PRODUCING A TIMELY BOOK AND \$250,000 IN PUNITIVE DAMAGES. IN A CROSS COMPLAINT, RAPOPORT SEEKS \$3,000 PER WEEK FOR THE SIX MONTHS SPENT IN COLLABORATION. SUPERIOR COURT IN REGARD TO THIS MATTER ORDERED WEED TO

Re Bureau airtel to Albany dated 1/30/75.

Enclosed for the FBI Laboratory is a .30 caliber carbine brass cartridge case manufactured in 1952 at the Lake City Arsenal.

For the information of the Laboratory, on 12/13/74, RODNEY ROWSEY, who is presently in FBI custody, robbed the First National Bank of Anchorage, Eagle River, Alaska, Branch, of approximately \$59,275. ROWSEY, who was armed with a M-1 .30 caliber carbine, fired a warning shot ~~and shot~~ through the roof of the bank. The enclosed cartridge case was recovered at the scene but neither the bullet nor the carbine have been recovered. ROWSEY is the subject of Anchorage file "RODNEY ROWSEY; ET AL; First National Bank of Anchorage, Eagle River Branch, Eagle River, Alaska, 12/13/74; BR; OO: AN," ANfile 91-713; Bufile 91-53911.

The Laboratory is requested to compare the enclosed cartridge case with those casings recovered at Nel's Sporting Goods Store, Los Angeles, California, on 5/16/74. At the completion of the examinations, it is requested that the enclosed cartridge case be returned to Anchorage.

1) Items that would lend themselves to bearing latent fingerprints should be processed to tell if there are any prints on them and these should be compared with the known prints of WILLIAM HARPIS, PATRICIA HEARST, EMILY HARPIS and WENDY MASAKO YOSHIMURA, FBI Number 375 418.

2) Paper items should also be processed for indented writing.

3) The debris and soil obtained from the vehicle should be compared with soil samples which will be obtained by the Philadelphia Office from the farm near Honesdale, Pennsylvania.

4) It is noted that the submission labeled 9a is wire and twine, the significance of which is unknown, however, it is requested that the Laboratory retain this in the event we locate other similar material in other areas.

At the conclusion of the requested examination, the results should be furnished to San Francisco, Los Angeles and Philadelphia.

The materials contained in specimens Q1959, Q1960, Q1962, Q1964, Q1965, Q1967, Q1968 and the Q1969 through Q1973 soils, due to differences in colors and composition, could not be associated with the "K" source areas and, therefore, did not originate from the "K" source areas.

A few brown head hairs were found on Q1962 and Q1965. Two brown pubic hairs were found in Q1965. These hairs are of Caucasian origin and have been mounted on glass microscope slides for possible future comparisons. No other hairs suitable for comparison purposes were found in specimens Q1959 through Q1962 and Q1964 through Q1968.

The jute twine in specimens Q1961 and Q1966 is of limited value for comparison purposes.

The cut ends of the 1" wide fiber-reinforced tape in Q1966 may be of value for matching purposes.

On February 19th Bob Wyrick of "Newsday" telephonically contacted my office and indicated that he had received "good information" from sources on the West Coast that arrests were imminent in the Hearnap case which would lead the FBI closer to the location of Patty Hearst. He indicated that one of these individuals was a celebrity and another was an attorney who had become involved with the SLA subsequent to May 19, 1974, and that this matter was being afforded Director Kelley's personal attention. He added that he would like to come in and sit down and discuss the matter with Mr. Kelley.

After discussing the current status of Hearnap with Mr. Gebhardt, Wyrick was advised that there were no arrests imminent in connection with the Hearnap investigation; however, we had interviewed numerous individuals including some attorneys and some individuals who might possibly be considered as celebrities in view of the background of Patty Hearst. However, the FBI was in possession of no information which would indicate that any arrests would be made in this matter in the near future. Wyrick indicated that he appreciated clarification of this matter and that he would so advise his representatives on the West Coast.

FOR YOUR CONFIDENTIAL INFORMATION, CAPTIONED PCI HAS PREVIOUSLY FURNISHED INFORMATION INDICATING THAT JACK SCOTT AND HIS PARENTS JOHN AND LOUISE SCOTT TRANSPORTED PATRICIA HEARST FROM THE BERKELEY AREA TO MT. POCONO, PENNSYLVANIA, AND ULTIMATELY TO JACK SCOTT'S APARTMENT IN NEW YORK WHERE WILLIAM AND EMILY HARRIS WERE PRESENT. THIS SOURCE HAS ADVISED THAT POSSIBLY JACK SCOTT TRANSPORTED THE HARRISES TO THE EAST COAST AND THE HARRISES AND PATRICIA HEARST RESIDED IN THE LATE SUMMER AND FALL OF 1974 AT A FARM NEAR HONESDALE, PENNSYLVANIA. JACK SCOTT THEN REPORTEDLY TRANSPORTED PATRICIA HEARST TO HIS PARENT'S HOME IN LAS VEGAS ARRIVING SEPTEMBER 27, 1974, WHERE SHE WAS PICKED UP BY UNKNOWN INDIVIDUALS.

On 2/18/75, Mr. DEANE HUXTABLE, State Registrar, Bureau of Vital Records and Health Statistics (BVS), Richmond, Va., advised SA [REDACTED] that he recently learned from a BVS Field Agent, who travels the State of Virginia, that when the Field Agent contacted [REDACTED] Deputy Registrar, BVS, [REDACTED] Va.,

the Field Agent learned from [REDACTED] that a woman identifying herself as [REDACTED] who wished to obtain a birth certificate for [REDACTED] resembled PATRICIA CAMPBELL HEARST. This woman applied for the certificate for passport purposes, but at a later time indicated she needed the certificate to obtain welfare payments.

[REDACTED] explained to the Field Agent that the birth of [REDACTED] was the only birth recorded in [REDACTED] during 1974. [REDACTED] became suspicious of [REDACTED] and insisted that [REDACTED] present the child, which [REDACTED] did. In addition, because of the proximity of [REDACTED] to the State of West Virginia, a request was made of BVS in Charleston, W. Va., for any information regarding the possible recording of the birth of [REDACTED] in that state. This inquiry determined that BVS, Charleston, W. Va., has no such information.

It is noted that the certificate reflects one [REDACTED] purported aunt of [REDACTED] whose address is reflected as General Delivery, Monterey, Va., is shown as certifying the birth of [REDACTED]

REQUEST OF THE BUREAU:

1. The FBI Laboratory is requested to compare handwriting and handprinting appearing on enclosed documents with known specimens of PATRICIA CAMPBELL HEARST, WILLIAM TAYLOR HARRIS, and EMILY MONTAGUE HARRIS.
2. The FBI Identification Division is requested to examine Items 2 through 5 for latent fingerprints, and compare with prints of HEARST and the HARRISEs.

It is noted that DEANE HUXTABLE, supra, furnished Item No. 1 (the original Certificate of Live Birth) on the express condition that it be returned as soon as possible without damage.

The Identification Division is requested to perform any examination for latent fingerprints on Item No. 1, if any exists, which can be accomplished without damage to the document itself.

ARMED AND DANGEROUS

In Defense of Patty Hearst

by Nancy Eswein

The author, a sophomore classics major,
attended the same prep school as Patty Hearst
and became a good friend of her two years before...

On February 4, 1974, when Patty Hearst disappeared from her Berkeley apartment, the United States experienced its first political kidnapping. For Patty's family and a few close friends that day marked the beginning of a nightmarish turn of events.

Her apparent participation in the S.L.A.'s robbery of the Hibernia Bank and the dramatic tape recorded statement of her "conversion" have led many to speculate whether Patty Hearst had really become the Tania of the S.L.A. Although no new facts have been hit upon in recent months, she frequently has been falsely portrayed and maligned by the press, while many still share the view of former Attorney General William Saxte, who labeled all bank robbers, including Patty, "common criminals."

Here at Lawrence and on the West Coast, I have heard people claim that someone of Patty's background would have naturally jumped at the chance to join a revolutionary group like the Symbionese Liberation Army. These people seem to have forgotten that Patty was a kidnap victim.

As a personal friend of Patty Hearst before she was kidnapped, I have had the opportunity to gain some insight into her personality, attitudes, and ideas -- and I feel compelled to come to her defense. Thus I intend to present a background sketch of the Patty I knew and offer some thoughts on her mysterious conversion to Tania.

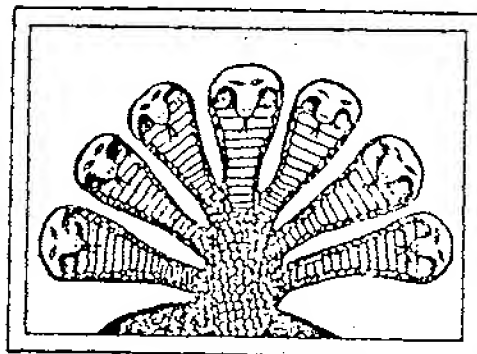

South of San Francisco. Patty comes from one of Hillsborough's wealthier families but, more importantly (at least for the S.L.A.), she bears the Hearst name. Her family name was made famous by her grandfather, William Randolph Hearst, the multi-millionaire and newspaper magnate who was responsible for instigating "yellow journalism" in this country and whose life was portrayed in the now classic film, *Citizen Kane*.

Although Patty's father, Randolph, retains a sizable portion of the original family fortune, her parents live in a handsome but hardly ostentatious home in Hillsborough. Their five daughters grew up quietly, free from the publicity that their grandfather and his family always received. Patty attended two local Catholic grammar schools, which she loathed, and began her secondary education at Santa Catalina, a Catholic boarding school 100 miles south of Hillsborough. Patty detested Santa Catalina even more than the two schools which she had previously attended. Santa Catalina resembles a prison more than a school; the nuns who administer it believe in not only searching their students' minds but also in searching their mail and personal possessions. After spending her freshman and sophomore years there, Patty could stand it no longer and transferred to Crystal Springs School for Girls, a private day school close to her home in Hillsborough.

Although many people might consider Crystal Springs an archaic institution, it is rather liberal for a private school which tries to provide its students with a traditional education. Students at Crystal Springs come from well-off families, range from fairly bright to brilliant, and are virtually 100% college-bound. Patty in many ways did not socially fit in with most of the girls, who enjoyed field hockey, mixers with private boys schools, and school plays. One thing which did hold Patty's attention while she was at Crystal Springs was Steven Wood. Steve had only recently been hired as one of the few

teachers at the school. The competition among the girls for his attention was keen. But Patty was determined to have him for her own, and she was successful in this endeavor.

Patty made arrangements to complete her junior and senior years at Crystal Springs in one, and then went off to attend Menlo College, a small private institution which was near Steve's house.

THE S.L.A.'S SEVEN-HEADED COBRA SYMBOL

During that year Patty did extremely well academically, and she spent much of her time with Steve, slowly and deliberately closing the door to other women who might have tried to enter Steve's life. When Steve decided to leave his teaching position at Crystal Springs to enroll in a Ph.D. program in philosophy at Berkeley, Patty decided that she, too, would go to school there. This time, though, she would not be living in a dormitory; she would live in an apartment with Steve. The Hearsts were not pleased when they learned of Patty's plans. Her mother would have preferred Patty to attend Stanford University rather than be exposed to the radical atmosphere at Berkeley. And she

did not want her daughter living with Steve Wood, whom she felt was below Patty's social position. After spending the summer in Europe, Patty moved into Steve's Berkeley apartment from which she was to be kidnapped one and a half years later.

It was during this time that Patty and I grew to be friends through a mutual friend who had recently moved to Berkeley. Patty was a difficult person to get to know; she wasn't the type most people warm up to or like immediately. She rarely spent time with anyone she didn't like, but she had a few close friends to whom she was devoted. It was only after about a year that I found out that Patty considered me to be her friend, and only then did I find out through another person.

Patty was a very "at home" person. The apartment she shared with Steve was like an oasis in a vast desert of poor taste, though it was lovely without being pretentious. Their furniture and other belongings were not necessarily expensive (some had been refinished or restored), but everything was well-cared for. When Patty went out it was usually only to go to school, visit a friend, or shop. She didn't spend her time sitting in coffee houses for hours, nor did she frequent the places where people normally congregated to make the Berkeley scene. She preferred the company of Steve and a few good friends to the company of the masses. Patty enjoyed spending her free time puttering around in antique stores, boutiques, gourmet cookware stores, and other specialty shops. As a diligent shopper she rarely failed to complain to someone if she thought an item was too expensive. I remember one particularly embarrassing incident when we went to a bicycle shop to get a book on bike repairs. The book Patty wanted had a small rip in its jacket. The encounter between Patty and the clerk went something like this:

"I assume this book is cheaper?"

"Why?"

"There's a rip in the jacket! I wouldn't give a book like that for

[continued on page 33]

"It was discounted."

"I can't do that."

"You can't actually sell this book to someone?"

"Sorry."

"Forget it."

Patty wasn't going to be taken by anyone.

Patty didn't know much to say to people she didn't know fairly well, but when we became friends I was surprised to discover that she had some very strong opinions on certain subjects. For instance, she despised the people who picketed against union-grown lettuce and grapes at supermarkets. She would go out of her way to find the stores where they were picketing so that she could intimidate them. Patty felt that the pickets were infringing upon others' rights when they prevented people from entering a store. She was also not particularly fond of the beggars along Telegraph Avenue. She felt that they, too, were infringing upon her rights. If one of them was unfortunate enough to ask her for money, she would often completely ignore him, or say "Get a job" to the more persistent ones. Patty would hardly have been considered liberal by Berkeley standards, since she did not take an active interest in political and social issues except when something immediately encroached upon her freedom.

I think everyone remembers almost too vividly the last time they spent with a special friend or relative before they were somehow taken away. I know I shall never forget the last evening I spent with Patty. I came to Berkeley to give Christmas presents to some friends, and especially to give Patty and Steve an engagement present. Their engagement announcement had recently appeared in both San Francisco papers (which many people feel drew the attention of the S.L.A. to her). The evening was spent with three good friends laughing over old times and the jokes made about our Crystal Springs experiences. And for the first time I heard some of the excuses which Patty cleverly used to escape from doing her work. One of her more ingenious ones was to state to her teachers that her mother was going to have an operation for cancer and, thus, she simply could not do her work. Her instructors must have known that this was an outrageous lie, but none of them had the gall to telephone Mrs. Hearst to inquire whether she was really about to have an operation. The evening ended with an exchange of Merry Christmas well-wishes and a temporary good-bye until my next vacation. It was the farthest thing from my mind that that casual good-bye would last as long as it has.

About 9:00 p.m. on February 4, Patty was taken from her apartment by three heavily armed members of the Symbionese Liberation Army. I do not intend to rehash the events which followed the kidnapping. However, I would like to focus on the question of Patty's "conversion" to Tania of the S.L.A.

The S.L.A. had made its first public appearance when two of its members allegedly killed Marcus Foster. Foster, a Black, was the Superintendent of the Oakland school system and a well respected educator whom many thought might be the person to bring peace to the disorderly and almost all Black Oakland schools. He had implemented the use of student identification cards so that when outside drug pushers hit the schools they could be removed for not having I.D. cards. Foster refused to allow police into his schools, since he believed that the I.D. cards a better method in combating the drug problem. There was criticism by both liberal and conservative factions in the community over this practice, but his most vehement opponent was then unknown. On November 6, 1973, two members of the S.L.A. gunned down Marcus Foster in an alley on his way home from a Board of Education meeting. They used cyanide tipped bullets for the event, which later became know as the S.L.A.'s calling card. A letter, dated November 6, was sent by the S.L.A. to the San Francisco Chronicle in which they claimed responsibility for Foster's death and warned:

This attack is also to serve notice on the fascist Board of Education and its fascist supporters that The Court of the People have issued a death Warrant on All Members and Supporters of the Internal Warfare Identification Computer System. This shoot-on-sight order will stay in effect until such time as all political police are removed from our schools and all photos and other forms of identification are stopped. Death to the fascist insect that preys upon the life of the people.

A little over two months later the two men who allegedly murdered Foster were apprehended in a house near the S.L.A.'s main headquarters in Concord. The items found in that small house provided a graphic description of what the S.L.A. was all about: cartridge-belt cases, gas masks, and empty ammunition boxes, in addition to hundreds of documents including S.L.A. policies, plans for attacks, and maps. Among these various documents was the plan which outlined Patty Hearst's kidnapping: "Patricia Hearst, on the night of the full moon of January 4th. Junior art student, daughter of Hearst. Expose P. as a target whereby we attack the B. of A."

Although the date of the kidnapping was one month later (to the day) and the bank held up was the Hibernia, not the Bank of America, the S.L.A.'s intentions should have been clear to police. But this particular document was not read until well after Patty was kidnapped. This inexcusable bungling by the police was in a sense as much responsible for Patty's kidnapping as the action of the S.L.A. The belated discovery of the S.L.A.'s kidnap plan did, however, help to dismiss the contentions of some who thought that Patty had connived at her own kidnapping from the beginning. The bank accounts of two S.L.A. members, Nancy Ling

...and ...HALL, who also found in the house. The F.B.I. figured that the two would try to withdraw their money from the Bank of America in Berkeley, where it was deposited. A large red "HOLD" was written on both of their statements, which would indicate to the teller to contact higher authorities before handing over any money. Yet, both Perry and Hall were able to withdraw all the money in their accounts without any problems and to the mockery of the F.B.I.'s strategy. One would think that the F.B.I. would have staked out the bank at all times during the day in hope of capturing two of Patty's kidnappers. And most ironically, the Bank of America branch from which they withdrew their money is located directly across the street from the Berkeley F.B.I. office. If the law enforcement officers working on Patty's case had been half as intelligent as the S.L.A., there is no doubt in my mind that Patty would have been home months ago.

No one really knew what happened to Patty from February 4 to April 3, the date the tape was received in which she announced that she had joined the S.L.A., although there has been much speculation by her friends and family, and by psychiatrists and law enforcement officials. When Patty was kidnapped she was scarcely a political liberal, and she certainly did not harbor any seeds of radicalism within her. But on April 3, just two months after her kidnapping, she announced on the tape that she had decided to become a comrade in arms with the S.L.A. rather than to return to her former life. The announcement of her conversion came only days after Patty's father had agreed to raise an additional 4 million dollars to meet the S.L.A.'s demand for a "good faith" food giveaway and hopes had been high for her release. But the announcement on the tape, in which she also informed us that she had adopted the name of Tania, after the German-Argentine mistress of Latin American revolutionary Che Guevara, came as shattering and unbelievable news to her friends and family. On the tape she speaks in one part to her fiance, Steven Weed, and explains her conversion:

Steven, I know that you are beginning to realize that there is no such thing as neutrality in time of war. There can be no compromise, as your experiences with the F.B.I. must have shown you. You have been harassed by the F.B.I. because of your supposed connections with so-called radicals... We both know what came down that Monday night, but you don't know what's happened since then. I've changed, grown. I've become conscious and can never go back to the life we led before. What I'm saying may seem cold to you and to my old friends, but love doesn't mean the same thing to me anymore.

My love has expanded as a result of my experiences to embrace all people. It's grown into an unselfish love for my comrades here, in prisons, and on the streets. A love that comes from the

knowledge that "no one is free until we are all free." While I wish you could be a comrade, I don't expect it. All I expect is that you try to understand the changes I've gone through.

I have been given a choice of 1) being released in a safe area, or 2) joining the forces of the Symbionese Liberation Army and fighting for my freedom and the freedom of all oppressed people. I have chosen to stay and fight.

CONVERSION or COERCION?? Based on my first-hand knowledge of Patty, I believe that it would be virtually impossible for her to have changed so radically in a mere two months without being coerced and psychologically manipulated. Although her announcement of a new life on the tape may seem like an open confession, two voice experts who have analyzed Patty's voice have concluded that high levels of stress often appear. The highest levels of stress occurred when she stated: "I have never been forced to say anything on tape, nor have I been brainwashed, drugged, tortured..." and "as for being brainwashed, the idea is ridiculous to the point of being beyond belief." This fact alone seems to indicate that Patty was probably coerced into an ideological conversion.

Under severe mental and perhaps physical stress and pressure Patty probably became completely disoriented and demoralized, and in effect lost her personality. Her mind was then free to be manipulated by the S.L.A. I see Patty's conversion as being basically similar to the conversions accomplished by the Chinese communists during and after the 1949 revolution. We know from the hundreds of case histories of people subjected to thought reform procedures that the methods used frequently achieve dramatic and sudden ideological conversions.

By subjecting the prisoner to environmental extremes for hours on end, such as deafening noise, blinding light, or total darkness, the captive becomes exhausted and disoriented. His inner self becomes as confusing to him as the environment to which he is subjected. Through these methods and variations of them, the prisoner is made to lose his sense of both self-control and self-identity. At the point when the prisoner seems to have been most disoriented from his previous identity is the time when the introduction of thought reform is usually most effective. In this mental condition verbal abuse toward those people with whom the captive had formerly lived -- in Patty's case her fiancé, close friends, and family -- can be what finally breaks the prisoner. The captive himself is then forced to verbally betray whom and what is dearest to him.

It should also be mentioned that during this time most prisoners live in total fear, and this must have been the case with Patty. She was cut off from any communication from the outside world, except for what the S.L.A. told her. She lived not only with the fear of being killed, but also with the fear of harm coming to her family and friends. These fears alone are enough to completely erode a person's

spirit and the will to resist. Compounded with the pressures of being subjected to thought reform methods, Patty's mind must have quickly become disoriented to the point of being a near tabula rasa. When she reached this low point Patty's captors probably somewhat relaxed the pressures placed upon her so that she was at least capable of digesting the information given to her regarding S.L.A. doctrines and beliefs. She was probably so grateful for this relief from pressure that she listened with a mind too eager to comply. With the fear of death no longer imminent, Patty must have begun to wonder if she had done something wrong to deserve that sort of treatment. In addition, she was probably made to feel guilty more for who she was (daughter of "a corporate enemy of the people") than for the specific "crimes" she had committed.

To willingly accept an entirely new way of life and set of values, especially when they are the antithesis of the ones previously held, is a conversion deemed virtually impossible by psychologists during such a short period of time. Even if she had accepted some aspects of their way of life, there is no way that she could have been simply "talked into" committing herself to violence and killing as the means to achieve the goals of the S.L.A. Thus, it seems very plausible that the only way Patty could have been converted to the S.L.A. was through coercive methods similar to which I have described.

As I write this, over ten months have expired since Patty was kidnapped. No one has heard anything from her for more than six months. I feel that this is largely due to the attitude of the press and the American public. A San Francisco columnist has called her a dumb blonde, and one reporter who has written a book about Patty is extremely critical of her life before the kidnapping, even though the author had never met her. Public opinion from coast to coast seems to be against her, probably resulting more from an almost insane jealousy of the rich than from anything else. It is apparently very difficult for most people to realize that rich people, too, can have nice kids, and that a few months ago Patty was a very congenial person. Perhaps if more people thought of Patty as what she really is -- a kidnap victim who has undergone much fear and severe psychological manipulation, not a voluntary revolutionary and bank robber -- then she might some day feel free to see her family and friends. No one expects that she could be capable of returning to her former life, but at least she could speak freely to those who were once closest to her. And then, we would be able to discover what really happened to Patty Hearst.

Result of examination:

Test bullets and cartridge cases obtained from the K88 weapon were microscopically compared to the .30 caliber bullets, bullet fragments and cartridge cases previously submitted in this case without effecting an identification.

An inspection of the K88 weapon revealed no modifications similar to those noted on the four .30 caliber carbines recovered from the debris of the burned residence at 1466 East 54th Street, Los Angeles, California, (the scene of the May 17, 1974 shoot-out). It is noted that these weapons were .30 caliber U.S. Carbines, Model M1, which had been modified so as to permit them to deliver only controlled full-automatic fire.

The test bullets and cartridge cases obtained from the K88 weapon are being placed in the Laboratory's Reference Fired Specimen File. The K88 weapon is being returned to the Newark Office under separate cover by registered mail.

REC 6Z

MAR 4 1975

NOTE: By teletypes dated 2/26/75, San Francisco and Los Angeles advised Alex Selvin, Prosecutor, Alameda County District Attorney's Office, Oakland, California, stated during forthcoming murder trial of Joseph Remiro and Russell Little he intends to introduce as State's evidence numerous items located at various houses and apartments occupied by members of the SLA by Bureau Agents which are currently in possession of his office. He further stated if he introduces above items, the Defense will undoubtedly request to inspect all of the items and the court will in all probability go along with this request. In the interest of time Selvin requested the Defense be allowed to personally inspect prior to the trial all the items in possession of Los Angeles. Los Angeles and San Francisco have no objection to making these items available for inspection. This matter has been discussed with Brandon Alvey, Attorney, Department of Justice, 2/28/75, who advised the Department has no objection to this request. Alvey stated he will advise the U. S. Attorney, Los Angeles, whom he has previously contacted concerning this matter. This is to advise San Francisco and Los Angeles concerning Department's opinion, and that the Bureau interposes no objection. This matter has been coordinated with Mr. Herington, Legal Counsel Division.

Re Philadelphia teletype to Bureau, et al, dated 2/4/75, regarding latest developments in captioned matter and requesting that an artist from the Exhibits Section conduct an interview with Walter Joseph Scott in Philadelphia to obtain his impression of Patricia Hearst's alleged appearance as he remembered her.

67c On 2/7/75, [REDACTED] Visual Information Specialist, traveled to Philadelphia and after interviewing Mr. Scott prepared a retouched photograph of Patricia Hearst with smile and very short hair approximately one and one half inches long with freckles over most of the face. He stated he was not able to recall that she had a mole on right side of chin as appears in usual photographs of her and suggested that eyebrows should be lighter in color. He stated that the retouched photograph was a good likeness but said that he could not recall seeing her with smile. Because of this fact, it was decided to prepare an artist's sketch of same with smile deleted. Sketch was completed and shown to witness who then stated that it was as close in appearance as he was able to recall.

67c Arrangements were made that upon [REDACTED] return to Washington, D. C., on 2/8/75, he would prepare for Philadelphia five polaroid copies each of the retouched photo and artist's conception to be forwarded 2/10/75, to be followed by fifty photocopies of same as soon as possible.

The requested five photos have been separately dispatched to Philadelphia by airtel and remaining photos are on order and will be sent as soon as possible.

This describes [redacted] ve investigation being conducted in various parts of [redacted] based upon information being furnished by Walter Joseph Scott (PH 4389-PCI) which traced in part, coast to coast travel by Patricia Hearst and Emily and William Harris during the period of late June to September, 1974.

WALTER JOSEPH SCOTT (PH 4389-PCI):

Daily contact is being maintained with this source by the Philadelphia Office to devise an appropriate [redacted] cover legend and anticipated travel arrangements by the source and the Philadelphia Agent handling him to the West Coast. This investigative avenue attempting to locate the remaining Symbionese Liberation Army (SLA) fugitives is a delicate operation due to the source's mental difficulties. However, Philadelphia advised the General Investigative Division (GID) this date the source will undertake the trip in the next few days. The source will visit his parents in Las Vegas, Nevada, and attempt to contact his brother Jack Scott at the Bill Walton home in Portland, Oregon.

Agents handling this case in Los Angeles and San Francisco will meet with the source on the West Coast at the earliest opportunity to design a coordinated investigative effort. Authority will be granted for these actions by GID as the need arises.

PHYSICAL COVERAGE OF SOURCE'S PARENTS, MR. AND MRS. JOHN SCOTT, LAS VEGAS, NEVADA, AND BROTHER, JACK SCOTT, PORTLAND, OREGON:

The Las Vegas and Portland Offices have been instructed by GID to initiate extremely loose surveillances of the suspects and immediately conduct surveys as to the feasibility of establishing fixed surveillance towers on both of the suspected residences.

[REDACTED]

Copies of this information is being furnished to San Francisco, Los Angeles, and Philadelphia to institute related investigative efforts which have immediate lead value. The records being processed are for the period June, 1974, to the present.

BACKGROUND INVESTIGATION:

The various individuals described by the source have been identified and extensive satellite investigations are underway to determine their suspected involvement and more importantly to determine if any of these individuals are currently harboring one or more of the remaining SLA fugitives. In addition to the individuals set out above, there are at least a dozen more involved. In connection with this area of investigation we are verifying the various residences available to each person such as an apartment formerly occupied by Jack Scott at 317 West 90th Street, New York City, and affording each residence developed appropriate coverage.

This fugitive investigation is moving forward at an ever accelerating pace and we are discovering previously undisclosed harboring suspects each day. However, with the exception of active investigation outlined above as well as similar investigative approaches, GID has instructed the field to refrain from interviewing any of these individuals or conducting any overt inquiries which would disclose this invaluable Philadelphia source.

AND WILL MAKE OWN ARRANGEMENTS FOR TRAVEL FROM LAS VEGAS

SOURCE WILL ADVISE PARENTS OF IMPENDING ARRIVAL AND
TIME OF ARRIVAL DURING LAYOVER AT PHOENIX. SOURCE FEELS
THIS IN KEEPING WITH PAST BEHAVIOR PATTERN AND ALLOWS NO
REACTION TIME ON PART OF PARENTS, THUS NEGATING ANY MEETING
AT AIRPORT WITH PARENTS. PARENTS ALREADY AWARE OF POSSIBILITY
OF POSSIBLE JOB INTERVIEW AT LOS ANGELES AND POSSIBLE TRAVEL
INVOLVED. THIS ALSO ALLOWS REGISTRATION AT MOTEL FOR SOURCE.
REASON FOR SOURCE STAYING AT MOTEL TO BE GIVEN TO PARENTS IS
HIS FAILURE TO APPEAR FOR MISDEMEANOR OFFENSE IN JANUARY,

Attached advises that plans for PH 4389-PCI to travel to Las Vegas and other locations in order to locate remaining SLA fugitives has been discontinued since source has been become quite agitated at the prospect of a "confrontation" or any kind of meeting with members of the Scott Family. Source has been under constant pressure for past two and one-half weeks and has begun to "feel he is a Judas to his family" and needs time to straighten himself out mentally. Source being relocated in Atlantic City, New Jersey, to divorce himself from previous two weeks of intensive interviews. Philadelphia Office (PHO) will reevaluate his situation on a daily basis.

Our Las Vegas Office advised on 2/18/75, that they have located an apartment which could be utilized for a fixed surveillance on the apartment of John and Louise Scott, Managers of the Camelot Apartments. This apartment belongs to [REDACTED] and provides an excellent vantage point from which to observe the Scotts' activities should source travel to Las Vegas in the future.

Our San Francisco Office advised 2/18/75, that they have processed the econoline van rented by Micky McGee and have obtained debris which appears to be partially dirt from the interior of the van and soil samples from underneath the van. These items, together with soil samples from the Honesdale farm area, are being forwarded to the FBI Laboratory for comparison. [REDACTED] analysis continues and General Investigative Division is following these developments closely. b2D

RE: MURDER TRIAL, JOSEPH REMIRO AND RUSSELL LITTLE.

THIS OFFICE IS IN RECEIPT OF A LETTER FROM D. LOWELL

JENSEN, ALAMEDA COUNTY DISTRICT ATTORNEY (DA), SPECIFICALLY REQUESTING THAT ANY RECORDATION OF AN INTERVIEW WITH BRUCE ROBERTS BE MADE AVAILABLE TO HIS OFFICE FOR TRIAL PURPOSES.

AS THE BUREAU IS AWARE, THE ALAMEDA COUNTY DA'S OFFICE HAS BEEN FURNISHED INVESTIGATIVE REPORTS IN HEARNAP. TWO FD-302'S COVERING INTERVIEW OF BRUCE DAVID ROBERTS ON MARCH 15, 1974, ARE SET FORTH ON PAGES 199-206 OF REPORT OF ROBERT C. RIEDEL, SAN FRANCISCO, DATED MAY 14, 1974, AND MR. JENSEN IS AWARE THAT HE HAS THIS INFORMATION IN HIS POSSESSION.

JENSEN TELEPHONICALLY ADVISED THIS OFFICE TODAY THAT HE WAS MAKING THE SPECIFIC REQUEST IN HIS LETTER OF FEBRUARY 14, 1975, FOR COPIES OF THE BRUCE ROBERTS FD-302'S IN ORDER THAT THEY COULD BE USED FOR CROSS-EXAMINATION OF ROBERTS, WHO IS EXPECTED TO BE A BELLIGERENT PROSECUTION WITNESS. GENERAL INVESTIGATIVE DIVISION

February 19, 1975

Attached advises PH 4389 PCI revealed he is unwilling to travel to parents' and brother's residence in Las Vegas, Nevada, and Portland, Oregon, respectively, in an effort to locate the Hearnap fugitives. Philadelphia Office observes this negative attitude does not preclude source's future usefulness. Philadelphia Office recommends future open contacts with harboring suspects be approached on a selective basis. Philadelphia's request for funds to sustain source is being handled separately.

San Francisco Office telephonically advised this date immediate investigation is being initiated by Las Vegas Office to interview two former neighbors of source's parents who according to PH 4389 PCI have had conversation with source and parents regarding travel of Patricia Hearst. Las Vegas will determine their potential as sources. Accordingly, Las Vegas will interview source's parents in effort to elicit their cooperation or firm up possible harboring violations. Fixed and moving fisur coverage recommended by Las Vegas on source's parents will be implemented upon start of interviewing.

The above represents initial overt investigative action based on source's information and may expand rapidly to include open investigation concerning source's brother, Jack Scott, his wife and their suspected associates. This additional action is contingent upon the development of interview information.

General Investigative Division is monitoring this aspect carefully and will advise of subsequent developments promptly.

RE INFO FURNISHED BY PH 4389-PCI.

SOURCE RECONTACTED AND HE ADVISED HE WILL NOT INVOLVE HIMSELF IN ANY MEETING WITH ELDER SCOTTS OR JACK SCOTT. SOURCE FEELS THIS WOULD INVOLVE DUPLICITY ON HIS PART AND HE WILL NOT DO SO. AS PREVIOUS TELETYPES HAVE INDICATED THE SOURCE HAS LIMITATIONS BASED ON PSYCHOLOGICAL MAKE-UP AND AS A RESULT THERE HAVE BEEN PERIODS WHEN PERSISTENT ENTHUSIASM HAS BEEN DISPLAYED BY THE SOURCE AND ALSO PERIODS WHERE HE HAS BEEN VERY NEGATIVE IN HIS ATTITUDE. A POSSIBILITY THEREFORE EXISTS THAT HE MAY AGAIN EXHIBIT A DESIRE TO TAKE A MORE ACTIVE ROLE IN THIS INVESTIGATION. HOWEVER AT THIS TIME SUCH AN ATTITUDE DOES NOT EXIST AND IT HAS

BECOME APPARENT THAT A MORE ACTIVE POSTURE IN THIS INVESTIGATION APPEARS TO BE CALLED FOR.

PHIA WILL CONTINUE TO CONTACT SOURCE ON A REGULAR BASIS AND UACB WILL PROVIDE THE SOURCE WITH FIVE HUNDRED DOLLARS FOR HIS SUPPORT. THIS WILL SUSTAIN THE SOURCE FOR APPROXIMATELY A THREE-WEEK PERIOD AND THE SOURCE IS BEING ADVISED THAT HIS RELATIONSHIP WITH US WILL BE TERMINATED AT THAT TIME IF SIGNIFICANT INFO OF VALUE IS NOT FORTHCOMING.

FOR THE CONSIDERATION OF THE BUREAU AND SAN FRANCISCO REGARDING THEIR DIRECTION OF THE FUTURE COURSE OF THIS INVESTIGATION, IT IS POINTED OUT THAT WHEN OPEN CONTACTS HAVE BEEN MADE IN THE PAST WITH JACK SCOTT, THERE HAS BEEN A FLURRY OF PHONE CALL ACTIVITY ON AN IMMEDIATE BASIS. THERE MIGHT THEN BE SOME VALUE IN BEING SELECTIVE WITH FUTURE OPEN CONTACTS IN HOPES THAT REACTION MIGHT THEREBY GIVE AN INDICATION AS TO THE WHEREABOUTS OF THE FUGITIVES.

SFO on 2/19/75, observed in view of developments concerning the unavailability of PH 4389-PCI, it is mandatory that a more direct and aggressive investigation be conducted regarding information furnished by this source. General Investigative Division concurs; therefore, interviews of Christopher Edwin and Brenda Summers, and then John and Louise Scott, in Las Vegas, as well as attempts to locate Jack Scott and Micki McGee should be immediately implemented. Las Vegas Office and other appropriate offices being instructed to coordinate all open and active investigation through SFO as office of origin, and advise Los Angeles Office as well as FBIHQ.

PRIOR TO THE INTERVIEW OF THE SCOTTS, LAS VEGAS SHOULD ADVISE THE OFFICE COVERING THE AREA WHERE JACK AND MICKI SCOTT ARE LOCATED OF THE PROPOSED INTERVIEWS SO THAT IMMEDIATE COVERAGE CAN BE AFFORDED THEM, BEARING IN MIND THAT THE ELDER SCOTTS, IF THEY ARE UNCOOPERATIVE, MAY UPON CONCLUSION OF THE INTERVIEW, ATTEMPT TO CONTACT JACK SCOTT, WHO MAY IN TURN CONTACT THE FUGITIVES. CLEVELAND AND PORTLAND SHOULD SO ADVISE AS WE DO NOT FEEL
INVESTIGATION IN LAS VEGAS SHOULD BE HELD IN ABEYANCE.

LAS VEGAS SHOULD CONSIDER THE POSSIBILITY THAT JACK

CONTACT WITH JACK'S PARENTS.

THE ABOVE APPEARS TO BE OUR MOST PRODUCTIVE AREA AT
THIS TIME AND CONTINGENT UPON THE OUTCOME OF THIS PHASE,
ADDITIONAL LOGICAL INVESTIGATIVE LEADS WILL BE SET FORTH ON AN

SINCE THE ~~RECENT~~ ELEMENT IN OUR INTERVIEW WITH THE
ELDER SCOTTS IS OF PARAMOUNT ~~RELEVANCE~~, LAS VEGAS SHOULD NOT
ENGAGE IN ANY PRIOR INVESTIGATION WITHOUT FIRST DISCUSSING SAME
WITH THE SAN FRANCISCO OFFICE.

IT IS NOTED THAT LOS ANGELES HAS PLAYED A SIGNIFICANT

Remarks:

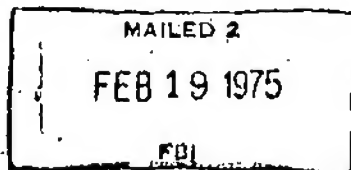

For the information of recipient offices, a search was made of the farmhouse and of trash barrels outside the farmhouse near Lake Ariel and the only document evidence located was Q1956 and a yellow legal sized note pad containing writing apparently from the landlord to the tenants. Some few notations were also found on the backside of this pad. This item was left in the Scranton, Pennsylvania, RA for exhibit to the owner of the farm after which will be furnished for appropriate Laboratory examination.

Information concerning the KOREAN GINSENG is set forth for whatever lead value San Francisco might determine appropriate. This item was recovered inasmuch as the oriental female staying at the farm might frequently seek out and use this particular brand herb.

The Q1956 and Q1957 items have been exposed to extreme outside weather conditions and are therefore not suitable for latent fingerprint examination.

Q1956 Piece of partially charred paper entitled "EATON...ESSAY..."

Q1957 Partially charred box entitled "INSTANT KOREAN GINSENG"

Result of examination:

The Q1956 paper is apparently a cover sheet or container cover for sheets of paper. The name "EATON" thereon probably applies to the Eaton Paper Corporation, Pittsfield, Massachusetts. The Eaton Paper Corporation is a large nationwide manufacturer of various kinds of paper including writing paper and typewriting paper, etc. The Q1956 piece of paper was not found to contain writing, indented writing or other characteristics to aid in definitely determining its source.

The Q1957 tea box is printed "EXPORT INSTANT KOREAN GINSENG" and manufactured by "DAE MYUNG SIN PHARMA... CO., LTD. SEOUL KOREA," bears weight 3.5 ounces, lot number

appears to read "DTIII" and date of manufacture is shown as "1974 2 14." Also printed on the box in a charred area is "____ ERN AND COMPANY...GEORGIA," which may be the name and place of the import company.

Q1956 and Q1957 are attached with copies of this report for Philadelphia. Photographs of Q1957 are also attached for Philadelphia, San Francisco and Los Angeles. Appropriate photographs are retained.

ADMINISTRATIVE

It should be noted that the essential information as provided by the source has been verified by subsequent investigation. The information concerning exact dates has been found not to be entirely accurate; however, the basic mechanics of the narrative appear to be generally factual. The credibility of the source appears to be excellent regarding the information furnished to date. It should further be noted that the farm described at Honesdale, Pa., has been located and processed by the FBI Laboratory. Four latent fingerprint lifts taken from the farm were found to be identical with fugitive WILLIAM TAYLOR HARRIS.

Additional information has been obtained from the source and where obvious leads have developed, they have been set out by teletype. A report containing additional information and investigation in Upstate Pennsylvania in the vicinity of Honesdale will follow shortly.

Source mentioned in enclosed FD 302 is PH 4389-PCI.

A source was interviewed in regards to his knowledge of the associates of JACK SCOTT. He supplied the following information:

He advised that JACK SCOTT has a very wide range of associates, most of whom are radical and who may or may not be involved in the transportation of PATRICIA HEARST and WILLIAM and EMILY HARRIS. He described them as follows:

1. WILLIE (LNU) - Was involved in bombing activities on the West Coast and is incarcerated at Soledad Prison in California. WILLIE was involved in approximately ten bombings of Government-type installations and businesses on the West Coast. He is visited on a regular basis by JACK SCOTT and others. Two other individuals, names unknown to the source, were implicated and convicted as a result of these same bombings, but the source does not believe they were placed in prison.
2. RANDY and MARSHA SMYTH - These persons are close associates of JACK SCOTT's and were especially close to him in Berkeley, Calif., in 1971 and 1972. They are Caucasian, age approximately 31, and very radical. They were graduate students at Berkeley at the time they were active with JACK SCOTT. They are currently residing at the University of Wisconsin on the Madison Campus. They frequently use illegitimate credit cards.

3. Name Unknown - White male, age approximately 33, very radical, has known JACK SCOTT for at least ten years on a very close basis. He lived in the Berkeley area for six years and is currently married to a woman, age approximately 55. His name would be recognizable to the source, but is unrecalled at the present time. He was on JACK SCOTT's track club at college, the source believes at Syracuse.
4. WENDY.- Lesbian girl from San Francisco. Very close friend of MICKI MC GEE, who is in her early thirties.
5. DEL MARTIN - White male, age approximately 33, who is an ex-Ph.D. candidate from New York State University at Buffalo, who lived with JACK SCOTT in Oberlin, Ohio, and thereafter moved to Portland, Ore. This establishment is a combination of a business and a commune, which is involved in Yoga and hippie-type silkscreen paintings.
6. SAM GOLDBERG - Close associate of JACK SCOTT from 1968-1972. He is a white male, age approximately 34, and an ex-athlete from the University of Kansas, Decathlon. He was on JACK SCOTT's Thesis Review Committee, which consisted of three persons. He is a strong supporter of JACK SCOTT's radical activities. JACK SCOTT represents him as willing to falsify records and present documentation for fugitives or persons needing job references of an official nature. He can also supply living accommodations. He is extremely intelligent and has either attended or taught at a university in Canada. This may be located in Montreal. HOCH has a very close attachment to JACK SCOTT.
13. MARTY MILNER - White male, originally from New York City, who is a former athlete. He was on JACK SCOTT's track club at Syracuse University and is heavily involved in illegitimate credit card activities. MILNER originally sheltered an Oriental girl who was a bombing fugitive from California. The Oriental girl was a girl friend of WILLIE, who is in Soledad Prison. MILNER is either teaching or employed by a university in South New Jersey, very close to Atlantic City. MILNER is quite close to JACK SCOTT.
14. LESLIE (LNU) - White female, bisexual, lived with JACK SCOTT for at least six months at either Berkeley or Oberlin. She is presently

teaching swimming in the Cambridge, Mass., area and is a close associate of JACK SCOTT.

15. DAVE MEGASSY - Ex-pro football player wrote a book called "Out of Their League". This book ghostwritten by JACK SCOTT. JACK SCOTT was well acquainted with PETER GENT, GEORGE SAUER, and CHIP OLIVER, all ex-football players. Source advises that GEORGE SAUER does not share JACK SCOTT's political ideas.

On February 1, 1975, WALTER JOSEPH SCOTT was interviewed at Scranton, Pa., in response to an earlier request, January 31, 1975, that he be interviewed by members of the Scranton Police Department. The initial interview of January 31, 1975, was directed towards obtaining information WALTER SCOTT wanted to volunteer pertaining to allegations he was making that relatives of his were involved in transporting and arranging hiding places for PATRICIA HEARST. The interview of WALTER J. SCOTT on February 1, 1975, began at 9:10 a.m. At 10:41 a.m., February 1, 1975, WALTER J. SCOTT made a statement to the effect that "So far as I know there may be some charge" that could be brought against WALTER J. SCOTT. At this point, WALTER J. SCOTT had furnished no information involving himself in any participation in the harboring of PATRICIA HEARST or her alleged current associates, WILLIAM and EMILY HARRIS. At 10:41 a.m., WALTER JOSEPH SCOTT was given an "Interrogation; Advice of Rights" form, which he read and immediately signed.

On February 1, 1975, the interview initiated with request that WALTER J. SCOTT furnish a history of his family. He said that his father was JOHN SCOTT, age 65, currently residing at 5016 South Maryland Parkway, Las Vegas, Nev., and immediately previous to this lived at 6436 Casada Way, an apartment complex in Las Vegas, Nev. He advised that his mother, LOUISE, age 66, lives with his father at the Maryland Parkway address where JOHN SCOTT is employed as the manager. His living quarters are at this address and described as being near the registration area or office area of a motel, name unknown.

JOHN and LOUISE SCOTT have only two children, the eldest being WALTER JOSEPH SCOTT, and the youngest being

JOHN SCOTT, who is better known as JACK, born in Scranton, Pa., on March 3, 1941 or 1942. In regards to his brother, JACK SCOTT, WALTER SCOTT furnished the following information:

JACK SCOTT attended high school in Scranton, Pa., through the 11th grade. As a high school sophomore, JACK SCOTT broke regional records for the 100, 200, and 300 meter track. JACK SCOTT, through the theft of some athletic equipment in high school, was barred from participating in athletics in Scranton in his senior year. He was not prosecuted for this theft. WALTER SCOTT had taken up residence in Syracuse, N.Y., and it was an apparent family decision that JACK would go to live with his older brother in Syracuse so that JACK SCOTT could complete high school in Syracuse, participate in sports, and accordingly, be eligible for a scholarship. JACK SCOTT completed high school in Syracuse and attended Villanova University entering in the fall of 1960. He had a freshman track scholarship. The track coach at the University of Pennsylvania, identified as TUPPNEY (phonetic), was then at Villanova University and knew WALTER SCOTT. JACK SCOTT remained at Villanova for approximately two months indicating that a Catholic University was too oppressive and also that he had a girl friend, identified as DONNA LEWIS, Syracuse, N.Y., who was a high school friend of JACK SCOTT, and wanted to get married.

At the age of approximately 19 in 1961, JACK SCOTT worked as a laborer at Thule, Greenland, for about six months. This employment was arranged by WALTER J. SCOTT who was working in Greenland himself.

After six months in Greenland, JACK SCOTT returned to the Syracuse, N.Y., area where his parents were residing, exact address unknown, but believed to be on Walnut Street and described as being about four blocks from the main entrance to the Syracuse University. WALTER SCOTT volunteered at this time in JACK SCOTT's life, he could have joined the FBI.

IN 7-1299

JACK SCOTT entered Stanford on a track scholarship in 1962. While at Stanford, JACK SCOTT became acquainted with MICKI MC GEE whose true name is BERNARD MC GEE and believed to be an only child. MC GEE is described as being from the Berkeley, Calif., area.

JACK SCOTT remained at Stanford University for a short period of time pursuing a Liberal Arts study. It was indicated that he stayed for approximately two-thirds of an academic year or about seven months. JACK SCOTT had as a coach a person identified as PAYTON GEORGE reportedly well-known. MICKI MC GEE was described as a "quasi" student and at the time not a full-time radical. WALTER SCOTT said that the reason JACK SCOTT left was because PAYTON GEORGE was a "racist and fascist pig". WALTER SCOTT said that he believed this was the first occasion that JACK SCOTT showed anti-establishment tendencies. He said that MICKI MC GEE was a great influence and still influences JACK SCOTT. At this period of time, MICKI MC GEE was the greatest factor of influence on JACK SCOTT.

At the time JACK SCOTT withdrew from Stanford or shortly thereafter, [REDACTED] No that time, WALTER SCOTT was living in Colorado Springs, Colo., working at a Government project at Cheyenne Mountain. He lived at an unknown address on Alpine Drive in Colorado Springs. He was contacted by JACK who told him of the [REDACTED] WALTER advised against [REDACTED] as far as WALTER knows. This occurred during the spring of 1963.

[REDACTED] JACK and MICKI came to live with WALTER at Colorado Springs, where WALTER was

b6
b7c

employed by the Assistance Development Corporation described as being a division of Rand Corporation in Santa Monica,, Calif. JACK and MICKI lived with WALTER, his wife, and two children for approximately a month and a half and departed on approximately May 1, 1963, to return to Syracuse, N.Y.

WALTER SCOTT advised that JACK SCOTT during his stay at Colorado Springs was unemployed. It was the first time WALTER met MICKI MC GEE. He described JACK and MICKI MC GEE as hippies, but not politically active in any way. He said that MICKI's political convictions were not expressed to him.

Upon arrival at Syracuse, N.Y., JACK and MICKI lived with JACK's parents. JACK's father was employed by Syracuse University as a dormitory custodian and because of this, JACK was able to attend Syracuse tuition free. WALTER was unable to recall any employments for his brother during the period he lived at Syracuse. He believes MICKI MC GEE was employed at several jobs of short duration, one being at the University bookstore. MC GEE also "audited" several courses for which she received no credit.

WALTER said that JACK SCOTT graduated from the University of Syracuse probably in June of 1966, receiving a degree in social psychology. During the period from May 1963 until June 1966, WALTER J. SCOTT visited his family in Syracuse on several occasions and was also visited by them on several occasions.

WALTER SCOTT advised that by the time JACK SCOTT graduated from Syracuse, he had become significantly more extreme in his political beliefs. JACK SCOTT could not get along with the track team. He boycotted the track team because he claimed they were "racist". JACK SCOTT originated a track club on his own and had "five radicals" running the

club. These people had also quit the track team at Syracuse. JACK was active organizing against the establishment. He was arrested for demonstrating in protest of a redevelopment project. WALTER SCOTT advised that JACK SCOTT was "no longer a candidate for the FBI".

One of the people in this track club organized by JACK SCOTT was identified as MARTY MILNER.

JACK SCOTT's father, JOHN, was described by WALTER SCOTT as being not in opposition to the activities of JACK SCOTT, but rather a semi-active supporter of JACK SCOTT.

WALTER SCOTT advised that his father from age 35 to 50 earned a good livelihood, self-employed, in warehousing in Scranton, Pa. From this economically sound position, the senior SCOTT found himself as a maintenance employee at Syracuse University.

The mother was described as submissive, but it was also pointed out that the father was not domineering. The mother was described as being intelligent, able to formulate her own opinions, and disgusted with the whole situation.

After JACK SCOTT graduated from Syracuse in June of 1966, he and MICKI went to the Berkeley, Calif., area, not for purposes of JACK SCOTT entering Graduate School, but because this seemed to be an area that attracted them. WALTER SCOTT advised that JACK applied for a job doing research in behavioral sciences, but was not employed, and for at least a year did literally nothing, having no employment at all.

MICKI MC GEE had no jobs as far as WALTER SCOTT knows. This matter was never discussed. WALTER SCOTT during this period was sending \$130 - \$150 a month to his brother, JACK. JACK SCOTT also was getting money from his parents.

WALTER SCOTT visited JACK SCOTT and MICKI in the Berkeley, Calif., area, but does not remember any specific address. He pointed out that JACK and MICKI have lived at five or six different addresses in the Berkeley, Calif., area, but that he, WALTER SCOTT, could recall none of the specific addresses. He believes that at least one of the previous residences has now been destroyed.

In 1967, JACK SCOTT entered a graduate program at Berkeley, Calif., studying educational psychology and graduated with a Ph.D. in about January 1972.

There were three faculty members, all Ph.D.s., who interviewed JACK SCOTT for certification of his Ph.D. degree. One of these individuals was in the Psychology Department, first name unknown and his last name began with an "H". He is a friend of JACK SCOTT.

WALTER SCOTT advised that JACK SCOTT obtained a three year contract to be Director of Athletics at Oberlin College in Ohio and held this position from 1972 until it was ended in February 1974. The college paid JACK SCOTT the remainder of the money he was due in the three year contract. They terminated the contract because of JACK SCOTT's "radical activity". WALTER SCOTT said that JACK SCOTT during this period attended the Socialist Nation Athletic Convocation in Cuba, an undisclosed organization, in Chicago, Ill., paid his way. His wife accompanied him, and it was believed to have been in December 1973. JACK SCOTT, when he returned from Cuba, wore a cap with a red star emblem on it. JACK SCOTT, in conversations with WALTER SCOTT, has talked about moving to Cuba to live. WALTER SCOTT inferred that JACK SCOTT had attended this convocation in Cuba not so much because of his interest in athletics, but because it was being held in Cuba.

JACK SCOTT's contract termination resulted in him receiving a lump payment of about \$35,000. WALTER SCOTT advised that this employment at Oberlin College is the only regular employment he has known JACK SCOTT to have.

WALTER SCOTT was asked what his brother's, JACK SCOTT's, political views are. He said he had no personal recollection that JACK SCOTT ever made a comment that he was a Communist per say, but that JACK SCOTT is a Communist. He said JACK SCOTT studies Communist doctrine and supports Communist doctrine in his conversations. WALTER SCOTT later stated in regards to his brother's political leanings that JACK SCOTT is an avowed Communist, who would like to see the Government (United States) overthrown.

At this point in the interview, WALTER SCOTT was asked if he was the same individual who had made anonymous calls to the Philadelphia Police Department, the Washington Field Office of the FBI, and the Metropolitan Police Department, Washington, D.C., during January of 1974. He confirmed that he was that individual.

WALTER SCOTT was asked to chronologically narrate as best he could his knowledge of the activities of his family in relation to PATRICIA HEARST and WILLIAM and EMILY HARRIS. WALTER SCOTT stated that his first knowledge of his family's involvement with HEARST and the HARRIS' occurred in the second or third week of July 1974, when he was visiting his parents at the Casade Way address in Las Vegas, Nev. WALTER SCOTT had recently been released from the Veterans Administration Hospital in Wilkes-Barre, Pa. He had traveled to visit his parents in Las Vegas and his brother, JACK, was also at the house at the same time. Late one evening in the living room of the home, JACK and WALTER had a conversation, during which JACK was apparently under the

influence of drugs and described as being "ciddy". WALTER does not know what drugs his brother was using, but knows it was not marijuana. No one else was present during this conversation. His parents had gone to bed for the night and WALTER can recall being concerned that they would wake up and hear the conversation because of the nature of the conversation as it developed. He said that JACK periodically was talking in a very loud voice.

The conversation resulted from JACK trying to explain to WALTER his reason for not returning WALTER's calls to his apartment in New York during the last week of June when WALTER was urgently trying to reach him. JACK told WALTER he did not return the calls because at this time, he was "driving PATTY HEARST from West to East". JACK SCOTT recounted receiving a call from some unnamed person in the Berkeley, Calif., area and thereafter, driving to an apartment, address not given, in the vicinity of Berkeley, where he found PATRICIA HEARST and others. A total of six or seven people were present at that apartment and JACK SCOTT gave the impression that two of these persons were the HARRIS', EMILY and WILLIAM. He did not, however, definitely state that the HARRIS' were present. JACK told WALTER that some of the unidentified people present at the apartment were black, but no one was identified by name. JACK furnished no description of the apartment other than to say it was small and everyone slept on the floor. JACK SCOTT also indicated that the apartment was not in a wealthy neighborhood, but gave no further description.

WALTER SCOTT, during this conversation with his brother, gained the impression that at least one of the persons in this apartment was an associate of JACK SCOTT who might have been involved with his brother during previous radical activities, possibly bombing matters. JACK SCOTT told his brother that there were numerous weapons in

the apartment and that someone in the group requested JACK SCOTT's help in moving HEARST from the area. JACK SCOTT told his brother that he had some hesitancy about becoming involved and wanted to leave. The persons in the apartment made it clear that he was not free to leave until he had committed himself one way or the other regarding the transportation of HEARST. JACK SCOTT stayed that night at the apartment. WALTER SCOTT got the impression from the conversation with his brother, JACK, that JACK was called upon to lend assistance for two reasons. He indicated one reason was because JACK SCOTT had prior association with individuals interested in moving HEARST and two, because JACK SCOTT had a supply of money which he obtained from the Oberlin College when they terminated his contract. WALTER SCOTT also believed that JACK SCOTT's association with these unidentified people could have involved bombing matters, but he had no specific details regarding bombings other than having the impression that JACK SCOTT's part was assisting in some undisclosed way.

In this conversation, JACK SCOTT indicated he had made several trips from Berkeley, Calif., to a motel in New York State described as being just north of New York City. JACK SCOTT said that a person named PAUL HOCH was the person who arranged temporary accommodations at the motel, whose name and address were not given. JACK SCOTT, on this occasion, told his brother he, JACK, did not know where the HARRIS' and PATTY HEARST were taken after being delivered to the motel and probably would never know. JACK SCOTT said that he personally drove the HARRIS' and PATTY HEARST in separate trips from California to this motel described as being near New York City.

WALTER SCOTT stated that the next occasion that he obtained any knowledge of the PATTY HEARST matter came

about during a conversation with his mother and father in a car in Las Vegas. His parents lived at the 6436 Casada Way address, Las Vegas, Nev., at the time of the conversation. He believes this conversation was approximately five to ten days after the above-described conversation with his brother, JACK. He believes it was in the middle or third week of July and was at the time WALTER SCOTT was preparing to go overseas to work.

WALTER SCOTT advised that because he was expressing his concern about any problems JACK might have, up to this point, he had never indicated to his parents that he had any knowledge that JACK might be involved in any problems. His mother and his father in response to his question told him the following story:

On approximately June 20, 1974, they received a call from JACK from an unknown location in California, during which he said, "I've done you some favors and I need a favor now." He requested them to drive to Berkeley, Calif., to a motel, name unknown to WALTER SCOTT, located near the Berkeley Campus. His parents apparently agreed to this meeting and were given a pre-arranged system of knocks, which would enable them to gain admittance to the motel. His parents, at the time of this conversation, said that PATTY HEARST was in this motel, but at the time they initially went to the motel, they did not recognize her.

JOHN SCOTT, father, owns a 1969 or 1970 LTD Ford. It is registered in the name of MICKI MC GEE and has an Ohio registration. The car actually belongs to his father and was registered in MICKI MC GEE's name because his father's credit record was so poor, he was unable to finance the purchase of the car.

JACK SCOTT, PATTY HEARST, and JACK SCOTT's mother and father from this motel traveled East and drove to the Mount Pocono, Pa., area, arriving on or about June 28, 1974. The trip East included overnight stops at undisclosed locations. WALTER J. SCOTT remained in his father's apartment and gave no information indicating that his parents stopped off en route East.

WALTER J. SCOTT could not furnish the name of the motel in Mount Pocono, but recalled that it was described as being near the race track. He recalled that the motel might be known as the Mount Pocono Inn, but was not certain of this. WALTER SCOTT said that apparently some difficulty in obtaining rooms came about because they were holding races at the race track and most of the motels were full.

JACK SCOTT's father and mother, during the trip when there were overnight stays, stayed in one room and PATRICIA HEARST and JACK SCOTT stayed in another room.

WALTER SCOTT advised that his father displayed a dislike for PATTY HEARST. It was explained that friction arose during the trip as his father felt that it was his car that he was the one taking chances and should have, say, so as to where stops should be made for overnight lodging, food, and the like. PATTY HEARST, however, wanted to make her own judgments involving her security and, in particular, wanted to direct where stops should be made en route.

On arrival at the Mount Pocono area, his father registered possibly at the Mount Pocono Inn and stayed for one day. JACK SCOTT, after an unknown interval but almost immediately after checking in at the motel, traveled to New York City. It was indicated that within a short period of time, MICKI MC GEE and a person later determined by his parents to be EMILY KARRIS, came to the motel in a tan

Volkswagen described as being a Beetle and seven or eight years old. MICKI MC GEE and EMILY HARRIS picked up PATRICIA HEARST and drove into New York City in this Volkswagen Beetle. WALTER SCOTT said that this departure from the motel was within one day of the time that the party arrived at Mount Pocono, Pa.

His parents told WALTER SCOTT that they proceeded within a very short period of time to an apartment belonging to JACK SCOTT located on the third floor of 317 West 90th Street in New York City.

His parents indicated that upon arrival at the apartment, JACK SCOTT wrote a personal check on an undisclosed New York bank, payable to his father to cover his expenses incurred involving his overall travel. WALTER's father expressed during this conversation resentment over the check. He indicated that JACK SCOTT in preparing the check calculated mileage involved and other items of expense involved and apparently in arriving at the \$500 amount did not consider the inconvenience caused his parents during this trip.

WALTER SCOTT stated that he could not be certain whether it was in this conversation or a later conversation that he was told that PATTY HEARST wore a pregnancy disguise, a padded bra, and artificial freckles. The pregnancy disguise gave her the appearance that she was about six months pregnant. WALTER SCOTT also advised that PATTY HEARST's hair is about one and a half inches long and blonde. From a personal confrontation at a later date, he also stated that she dresses "demure" and gives the appearance of being about 15 years of age.

The above is all of WALTER SCOTT's recollection at this time with the conversation with his parents.

WALTER SCOTT advised that he also went to his brother's apartment in New York City at the time his parents were there and he also saw a person later identified as PATTY HEARST at that apartment. He furnished the following information as background regarding how he came to be at that apartment at that time:

WALTER SCOTT stated that following the time he left the Veterans Administration Hospital, Wilkes-Barre, Pa., in June of 1974, he traveled to Las Vegas, Nev. His father had sent him money to help defray the expenses of this trip. WALTER SCOTT stayed with his parents in Las Vegas and they told him of a trip they planned to visit a friend now living in El Paso, Texas. This trip in actuality turned out to be his parents' trip to Berkeley, Calif., to pick up PATTY HEARST, which is described above. At the time, WALTER was not aware of this. WALTER SCOTT did not accompany his parents and believed they were in El Paso. This trip occurred on approximately June 20-23, 1974, and it was WALTER's belief that the trip was going to be a one or two day trip.

Following his parents' departure, WALTER SCOTT remained at the Las Vegas address, Casada Way, and heard nothing from his parents for six or seven days. At this time, he received a telephone call from his father, who claimed he was calling from Georgia. Over the phone, WALTER asked his father for the area code from which he was calling. His father could not supply the area code and WALTER deduced that his father was lying regarding his location. WALTER was told by his father that he and Mrs. SCOTT would return within a few days. Several more days passed and WALTER heard nothing regarding his parents. During this period, he made numerous calls from the Las Vegas address to MICKI MC GEE and/or JACK SCOTT at the apartment in New York City. He was requesting money and information regarding the

location of JACK and his parents. At this point, WALTER explained that he had previously visited the apartment in May of 1974. He believes his brother rented the apartment in February of 1974, through a realtor.

During the calls to New York, MICKI MC GEE and/or JACK agreed to wire money to WALTER in Las Vegas. On or about June 28, 1974, money was wired via Western Union from JACK or MICKI to WALTER in Las Vegas. The amount of the wire was \$250 and it arrived on approximately June 28, 1974. Within two days, WALTER flew to New York, arriving at John F. Kennedy International Airport. He went from there via taxi to the apartment at 317 West 90th Street. He arrived at the apartment in the late afternoon. Present in the apartment at the time he arrived were his mother and father, an individual he knows as PAUL HOCH, JACK SCOTT, MICKI MC GEE, and at least three other individuals. WALTER SCOTT advised that it was later that he obtained the true identities of the other individuals in the apartment. This occurred during his conversation with his brother, JACK, in the Las Vegas apartment, which is described previously.

WALTER SCOTT described his brother's apartment at 317 West 90th Street in the following manner:

The apartment occupies the entire third floor of the address. Upon entering the apartment, there is a long passageway running to the rear of the apartment. There is a living room and a study in the front of the apartment. The next room to the rear of the living room is the kitchen. The next room to the rear of the kitchen is the only bedroom. Immediately to the rear of the bedroom is the only bath. The apartment, therefore, consists of a study, a living room, a kitchen, one bedroom, and one bath with a passageway connecting all of these rooms. This passageway is on the left hand

side of the apartment as one faces from front to rear. The apartment is located in a mixed neighborhood, including some persons of Spanish extraction. WALTER believes that the rent was \$450. There was some furniture in the apartment.

When WALTER arrived at the apartment, he was introduced to everyone including the persons he later believed were actually PATTY HEARST and EMILY and WILLIAM HARRIS. At this time, WALTER was in no way aware of their true identities and had very little interest in them. This lack of interest was because he was trying to get money from his parents or JACK to go visit a girl in Washington, D.C. He remained at the apartment for a period of two to three hours and during this time was engaged primarily in conversations with his parents and JACK and phone calls he was making to arrange for future travel.

WALTER described the person he now believes was WILLIAM HARRIS as a white male, 6 feet tall, 175 pounds, with very short reddish blond hair and no mustache. The person he now believes is identical with PATRICIA HEARST was a white female, 5'2" or 5'3" tall, very slender, with very short hair, possibly 1½" or 2" long. She was described in a very demure fashion so that WALTER got the impression she was only about 15 years old. WALTER was shown at this point photographs of PATRICIA HEARST and WILLIAM and EMILY HARRIS. WALTER stated that he could not make an identification from the photograph of HEARST and made the statement that, "If you had to identify her from that photograph, you probably couldn't do it." WALTER further advised that he cannot positively say that the photograph of WILLIAM HARRIS is identical to the person he saw in the apartment. He feels, however, that there is a strong possibility this person was WILLIAM HARRIS. WALTER viewed the photograph of EMILY HARRIS and said he is sure EMILY HARRIS was at the apartment.

WALTER SCOTT advised that he wished to emphasize that during his visits to the apartment, he had no reason to be interested in these people and, in fact, was occupied with other considerations. Additionally, these three persons predominantly remained in another room by themselves away from WALTER.

That same day, WALTER left the apartment alone and went to a bus station on 42nd Street to take a bus to Washington, D.C. He stopped overnight in Philadelphia. He went on to Washington, D.C., the next day and stayed for the next four or five days with a JANE OLMSTEAD, 761 Delaware Avenue, S.W., Washington, D.C. During this period, he tried to find employment unsuccessfully. He contacted his uncle, WALTER SCOTT, by phone at Scranton, Pa., in order to get money to come home. His uncle wired him several hundred dollars and WALTER was surprised at the large amount. He returned to Scranton, Pa., to the home of his uncle and found that he had received an income tax return for approximately \$650. Counting the approximate \$200 that his uncle had wired to him, this left WALTER with approximately \$450 remaining.

Taking this \$450, WALTER went to his parents' home in Las Vegas on approximately July 6, 1974. He went there by airline and stayed approximately four weeks. He was then preparing to go overseas for employment. His brother, JACK, was at Las Vegas during a portion of this trip. The suspicions as to the identities of HEARST and the HARRIS' had already been raised through conversations with JACK, which are described above. They had been confirmed by WALTER's discussion with his parents. During this trip to Las Vegas with conversation with his brother, WALTER confronted him about involving their parents in this matter. JACK SCOTT confirmed to WALTER the truth of the identities of HEARST and the HARRIS' and that he had been involved in moving them.

He told WALTER that they were presently located on a small farm in the Honesdale-Lake Ariel area, which JACK had rented. WALTER had known from previous conversation with JACK that a farm had been rented by JACK in that area. JACK further told him that the farm was located approximately two miles from the Volunteer Firehouse at Lake Ariel. It had approximately 2½ acres and the house was 30 or 40 years old. The fugitives were conditioning themselves physically, had lost a great deal of weight, and were enjoying themselves. They had a pond which had fish in it and a volleyball net in the yard. JACK made a comment that HEARST was very much involved in the movement, had taken an active part, and was in excellent physical condition. He said she could do 20 fingertip pushups.

WALTER had several conversations with his brother regarding his association with the fugitives during the time they were together at Las Vegas. His brother was very guarded in his comments to WALTER and although the subject of his association with the fugitives came up in various conversations, the topic of the conversation was changed by JACK after only a few short comments. Therefore, the sum total of WALTER's information concerning the fugitives came as the result of bits and pieces of information which was disclosed to him during these conversations.

WALTER left Las Vegas after approximately a four week stay at his parents' house and went overseas for employment at Tripoli. He remained overseas during most of the month of August and returned to the United States in late September. He went to Las Vegas, again to the home of his parents, where he stayed for approximately a two month period. During this time, he made several trips to the West Coast looking for jobs. Sometime in late September, MICKI MC GEE arrived at his parents' home. At this point, WALTER was aware that JACK was still somewhere on the East Coast and would arrive soon to move to the West Coast.

In late September one afternoon, JACK SCOTT arrived in a yellow rental van loaded with furniture. He pulled up to his parents' home and sitting next to him in the van was PATRICIA HEARST. WALTER by this time knew that this was the girl he had seen in June in his brother's New York apartment. He also knew after looking at her closely that she was PATRICIA HEARST. WALTER was very frightened because of his growing knowledge of this situation and because of fear of future involvement on the part of his parents. WALTER also became aware through watching HEARST's reaction to him that she now knew WALTER knew her true identity. She, therefore, avoided him during the brief time they were in the same room and he, because of his feelings, avoided her. WALTER said that HEARST during this appearance was dressed in the same child-like manner and looked very young. She also gave the appearance of being approximately six months pregnant. WALTER feels that this was a disguise. This feeling is based on his parents' comments regarding a pregnancy disguise. HEARST's hair was out very short (approximately 1½" long). Her hair was so short that the outline of her skull was very evident. What hair existed was very fine and a reddish blonde in color.

WALTER was able to place this date only as being in late September and that it was the same day as a bank robbery which took place in Reno, Nev., involving over one million dollars.

WALTER SCOTT stated that it was evident from the look on his brother's face and from conversations which took place thereafter that his brother had not expected to find WALTER at his parents' house. WALTER said that it was also evident from his parents' reactions that they were not aware that JACK was bringing HEARST, and even MICKI MC GEE seemed surprised at HEARST's presence with JACK.

PH 7-1299

WALTER described the van as being yellow in color, a rental van, and possibly rented in New York City. He suspects it was later abandoned in the Portland area after telling the rental company of its location.

WALTER remained at the apartment for 10 to 15 minutes. He was very excited and afraid. [REDACTED]

[REDACTED] When he returned the following morning at approximately 6:00 a.m., HEARST was gone. b7c

JACK and MICKI remained with his parents for approximately ten more days and then moved on to Portland with the van. During this ten day period, JACK told WALTER that he had never intended to bring HEARST to the house. He also confirmed to WALTER that it was, in fact, HEARST. He explained his bringing her to the house by saying that arrangements had been made previously for JACK and HEARST to meet other people from Berkeley at a motel in the Las Vegas area and that these persons would then drive HEARST to the Berkeley area. The persons coming from Berkeley apparently had trouble either with obtaining an automobile or maintenance of an automobile. They, therefore, were a day late.

JACK told WALTER that after WALTER left his parents' house, he (JACK) took HEARST to a motel in Las Vegas within a mile to a mile and a half of his parents' home. WALTER believes that this motel was in the 5000 block of West Charleston Avenue in Las Vegas. The inference from the conversation was that she was picked up there by her "ride" and taken to Berkeley.

WALTER expressed concern to JACK regarding his growing involvement with HEARST and the HARRIS'. After approximately a ten day period, JACK and MICKI left in the van.

for Portland. Later that fall, probably in November, WALTER drove a dog belonging to JACK to the Berkeley area. He stayed in the Berkeley area for approximately four days. The fugitives were not discussed during this visit.

MISCELLANEOUS INFORMATION
RECALLED DURING INTERVIEW

WALTER SCOTT was asked if he knew whether or not his brother, JACK, was associated with any of the members of the so-called Symbionese Liberation Army (SLA). He said he did not know this to be true and did not know when JACK SCOTT became acquainted with EMILY and WILLIAM HARRIS. He also advised he had no reason to believe that PATTY HEARST was acquainted with JACK SCOTT, JACK SCOTT's wife, or any of his, JACK SCOTT's, associates.

WALTER J. SCOTT was asked why he was furnishing information about the HEARST kidnaping to the FBI at the present time. His answer was that he did not agree with the radical philosophy of his brother, JACK. He said that he was upset over the fact that his parents have been brought into the affair by his brother, JACK, and also he was upset over the fact that there had been reports of recent bombings in the San Francisco area. WALTER SCOTT was asked when was the first specific recollection he had, if any, that JACK SCOTT stated that he was a Communist. He stated that he never heard JACK SCOTT make a specific statement per se that he was a Communist. WALTER SCOTT advised, however, that JACK SCOTT is a Communist, more than that, an avowed Communist that would like to see the Government of the United States overthrown.

In regards to JACK SCOTT's associates, WALTER SCOTT furnished the following information:

He said that he had probably met at least one hundred people who would be classified as associates of JACK SCOTT. He pointed out that he has met some of these people more than others and some of the meetings had been casual in nature. WALTER SCOTT made the point that "these people associate with themselves". He advised that of all the associates of JACK SCOTT's that he met, they all had similar beliefs, the only exception being GEORGE SAUER, who was formerly a member of the New York Jets football team and had lived with JACK SCOTT while SCOTT was in Oberlin College and remained for approximately six months.

He said that four or five years ago at an unknown address of JACK SCOTT's in Berkeley, Calif., he had been introduced to ANGELA DAVIS in JACK's home. He did not classify ANGELA DAVIS as a close associate of JACK SCOTT so far as WALTER knew.

WALTER SCOTT said that when JACK SCOTT was at Syracuse University, he became acquainted with a MARTY MILNER. MILNER was a member of a sports club organized by JACK SCOTT at Syracuse University. JACK SCOTT, MILNER, and the others of this group were anti-establishment and MILNER reportedly obtained some notoriety for his actions at Syracuse. MILNER may be at Rutgers University in some administrative job and possibly working on a Masters degree in political science.

PHILIP SCHINNICK was identified by WALTER SCOTT as an Olympic broad jumper. He became acquainted with JACK SCOTT while they attended Graduate School. He had national class ranking in broad jump. He is also reportedly connected or has in the past been connected with the Rutgers University in New Jersey. SCHINNICK was identified by JACK SCOTT as having driven WILLIAM and EMILY HARRIS from the West Coast to the East Coast of the United States.

JAY WEINER, described as single, age 21 to 22, attended Oberlin College. He has, according to WALTER SCOTT, a "close political affinity" with JACK SCOTT. WEINER was a senior at Oberlin when JACK SCOTT was dismissed by the school for his radical activities. He came back to his home area in Philadelphia and may be enrolled in Temple University in Philadelphia.

WEINER was described as having the closest political views to JACK SCOTT of all of JACK's associates. Around Christmas 1974, WEINER traveled to the residence of BILL WALTON, the basketball player who lives in Portland, Ore. En route, he stopped at the home of JACK SCOTT's parents in Las Vegas, Nev. He had a girl with him. It was not stated, but WALTER SCOTT believes that the girl may be Oriental. WALTER SCOTT advised that there is an All-Star football game held annually in Scranton, Pa., in July or the first part of August. The teams are local high school stars. JACK told WALTER SCOTT that he had seen this game in Scranton, accompanied by JAY WEINER, which leads WALTER SCOTT to believe that JAY WEINER knows of the farm. WEINER recently made a trip to Portland and visited JACK SCOTT in the residence of BILL WALTON. En route, he stayed with the parents of JACK and WALTER SCOTT and was accompanied by a girl. The female companion of WEINER was described as being unusual. On return trip, he again stayed overnight with the parents of the SCOTTS, but did not have the girl with him. WEINER writes articles for "Newsday" and recently wrote an article about basketball player BILL WALTON, which may not have had his byline.

PAUL HOCH is described as a Ph.D., who served time in England on "sedition" pertaining to the "Communist line". He is from New York City and was formerly at Oberlin College and now teaches at the large university in Montreal, Canada.

PH 7-1292

HOCH is about 5'11", 30 years old, 225 pounds, usually wears a beard, and looks and dresses in a hippie fashion with dungarees. PAUL HOCH was seen in the New York apartment, according to WALTER SCOTT.

WALTER SCOTT advised that he has the impression that WILLIAM and EMILY HARRIS might have been taken to North Carolina to an unknown location. He advised that he thinks that this impression came about as a result of conversations with JACK SCOTT, but he cannot recall the specific conversation.

WALTER SCOTT advised that while JACK SCOTT is traveling, he frequently charges telephone calls to his father's telephone number. He has also known him to use credit cards, primarily Trans World Airlines, belonging to his father. These credit cards belonging to his father were apparently obtained while his father lived in San Francisco. WALTER has the impression that the cards are true name credit cards in his father's name and that those companies are looking for his father and have no address for his father in Las Vegas.

WALTER SCOTT advised that his father is dangerous and should be approached with caution by any law enforcement officers. He has a handgun under the counter of the motel where he works. He later said that if his father was interviewed, he might well tell everything within three hours. When questioned about this apparent discrepancy in comments, he said that his father did not plan any violence, but was very impetuous and sometimes violent in nature. WALTER's father is highly agitated over WALTER's father's use of credit cards and inordinate use of prescription drugs.

RE SAN FRANCISCO TEL TO THE BUREAU, ET AL, FEBRUARY 19, 1975, WHICH REQUESTED LOS ANGELES' OBSERVATIONS AND/OR SUGGESTIONS REGARDING COURSE OF ACTION IN INSTANT MATTER.

LOS ANGELES SUGGESTS THAT ANY DIRECT CONFRONTATION BETWEEN THE BUREAU AND JOHN AND LOUISE SCOTT, LAS VEGAS, OR CHRISTOPHER AND BRENDA SUMMERS, LAS VEGAS, OR JACK SCOTT AND MICKI MC GEE SHOULD BE HELD IN ABEYANCE PENDING CONSIDERATION OF THE FOLLOWING:

(1) GUIDANCE OF BEHAVIOR SCIENCE UNIT (BSU) OF FBI ACADEMY SHOULD BE SOLICITED REGARDING ANY FUTURE ROLE PH 4389-PCI MAY PLAY IN THIS MATTER. THIS MAY INVOLVE ONLY DIALOGUE BETWEEN BSU PERSONNEL AND PHILADELPHIA AGENT PERSONNEL HANDLING PCI, OR MIGHT REQUIRE INTERJECTION OF BSU AGENT INTO DIRECT CONTACT WITH PCI. LOS ANGELES SUGGESTS PSYCHOLOGICAL AND CLINICAL EXPERTISE OF SA [REDACTED], BSU, MAY BE OF VALUE AT THIS POINT.

(2) FEDERAL HARBORING, AIDING AND ABETTING OR OBSTRUCTION OF JUSTICE ARREST WARRANTS SHOULD BE OBTAINED FOR JACK SCOTT AND MICKI MC GEE PRIOR TO ANY DIRECT APPROACH OF THESE INDIVIDUALS. BASED ON INFORMATION FURNISHED BY PHILADELPHIA, IT WOULD APPEAR THERE IS SUFFICIENT PROBABLE CAUSE TO JUSTIFY ISSUANCE OF WARRANTS AT THIS TIME.

PRIOR EXPERIENCE HAS SHOWN THAT JACK SCOTT AND MICKI MC GEE WILL NOT COOPERATE OR MAKE THEMSELVES AVAILABLE FOR INTERVIEW.

IT IS ALSO NOTED THAT FINGERPRINTS OF THESE INDIVIDUALS ARE UNAVAILABLE FOR COMPARISON WITH UNIDENTIFIED LATENTS OBTAINED AT THE FARM. THIS MAY VERY WELL BE THE ONLY WAY THESE FINGERPRINTS WILL EVER BECOME AVAILABLE.

TO ROUND OUT FACTS TO OBTAIN PROBABLE CAUSE, IT WILL OBVIOUSLY BE NECESSARY TO CONDUCT DISCREET INTERVIEWS OF TIMOTHY O'SULLIVAN AND HIS DAUGHTER PLUS OTHER PERTINENT WITNESSES IN THE HONESDALE, PENNSYLVANIA, AREA.

IT IS STRONGLY FELT THAT ANY ATTEMPT TO INTERVIEW JACK SCOTT AND MICKI MC GEE WITHOUT ARREST WARRANTS WILL AMOUNT TO NO MORE THAN AN EXERCISE IN FUTILITY.

3. IT WOULD BE OF BENEFIT TO THIS DIVISION IF PHILADELPHIA WOULD SUMMARIZE THEIR INVESTIGATION RELATING TO THE FARM, CONTACTS WITH PH 4389-PCI, AND OTHER PERTINENT INVESTIGATION

PAGE THREE

LA 7-1627

THAT HAS OCCURRED SINCE FEBRUARY 3, 1975. THESE SUMMARIES WOULD BE ADVANTAGEOUS IF SAME COULD BE RECEIVED ON A DAILY BASIS THEREAFTER UNTIL THIS MATTER IS RESOLVED.

UPON APPROPRIATE CONSIDERATION AND/OR COMPLETION OF ABOVE, INVESTIGATIVE GUIDELINES AS SET FORTH BY SAN FRANCISCO SEEM APPROPRIATE AND SHOULD BE INITIATED AT AN EARLY DATE. IT IS, HOWEVER, SUGGESTED THAT A FIRM TARGET DATE FOR AN INTENSE FULL FIELD INVESTIGATION BE ESTABLISHED. IT IS NOT FELT THIS DIRECT INVESTIGATION SHOULD BE DELAYED ANY MORE THAN SEVEN DAYS.

ONCE TARGET DATE IS ESTABLISHED, SIMULTANEOUS ARRESTS, INTERVIEWS AND CONTACTS CAN BE SCHEDULED; AND IT IS FELT AT A MINIMUM THE FOLLOWING SHOULD BE TARGETS OF THESE ACTIVITIES:

1. JACK SCOTT AND MICKI MC GEE. 2. JOHN AND LOUISE SCOTT, LAS VEGAS. 3. CHRISTOPHER AND BRENDA SUMMERS, LAS VEGAS.
4. BILL WALTON, CARE OF THE TRAILBLAZERS, PORTLAND, OREGON.
5. SUSAN K. ~~GUTH~~, PORTLAND. ^{ORR} 6. PAUL KENNETH ~~HOCH~~, NEW YORK, NEW YORK.

IT IS REALIZED THAT OVERT INVESTIGATION REGARDING THIS
MATTER WILL PROBABLY BRING WIDESPREAD PRESS INQUIRY. IT IS
ALSO REALIZED THAT PROLONGED DELAY IN IMPLEMENTATION OF ACTIVE,
WIDESPREAD INVESTIGATION MAY ALSO RESULT IN PREMATURE PUBLICITY
WHICH WOULD DRASTICALLY HAMPER OUTCOME OF THIS PHASE.

HE READILY AND POSITIVELY IDENTIFIED THE BUREAU PHOTO OF HEARST WEARING AN AFRO AS BEING IDENTICAL WITH THE FEMALE HE SAW AT THE AIRPORT; HOWEVER, HE SAID THAT THE AFRO WORN BY THE FEMALE HE SAW WAS "ROUNDER" AND "FRIZZIER" THAN THAT WHICH APPEARS IN THE PHOTO. BY "ROUNDER" AND "FRIZZIER," HE MEANS THAT THE FEMALE'S AFRO DID NOT APPEAR AS STYLED AS THAT IN PHOTO. HE ALSO ADDED THAT SHE WAS WEARING GLASSES BUT HE COULD NOT RECALL WHETHER THEY WERE IDENTICAL TO THOSE IN THE PHOTO. HE COULD RECALL NOTHING SPECIFIC ABOUT THE UNSUB WHITE FEMALE WHO ACCOMPANIED THE FEMALE HE THINKS WAS HEARST EXCEPT THAT SHE WAS IN HER TWENTIES. HE ADDED HE SAW NO MALES WITH THEM.

ARNAP SUMMARY

Our San Francisco Office (SFO) has requested that all investigation conducted by Philadelphia Office as it relates to information furnished by PH 4389-PCI should be set forth in its entirety and furnished to FBIHQ, Los Angeles, Las Vegas, and SFO for analysis and evaluation. SFO has also set out leads to have John and Louise Scott immediately interviewed who, if cooperative, may be instrumental in soliciting cooperation from other individuals involved in the transportation of Patricia Hearst and the Harrises. Successful interviews would allow the obtaining of harboring warrants if our investigation fails to locate and apprehend the fugitives.

Our Portland Office advised that in attempting to interview Walton and Jack Scott in Portland on 1/15/75, they were rebuffed by hostile female tentatively identified as Micki McGee who informed them she did not have to talk to them without her attorney (Charles Garry of San Francisco) present. Therefore, successful interviews of Jack Scott and Micki McGee seem highly unlikely.

[REDACTED]

Our New York Office advised that Timothy O'Sullivan recontacted 2/19/75, and identified photo of Micki McGee as person who rented his Honesdale, Pennsylvania, farm and the payment for rental was by money order. His daughter, Nancy O'Sullivan, was shown photos with negative results stating she never saw occupants of farm but observed only four toothbrushes in bathroom.

Our Cleveland Office advised that previous information indicating that Jack Scott was seen in Oberlin, Ohio, on 2/13/75, by [REDACTED] was erroneous and was actually a look-a-like.

Aggressive investigation continuing as concerned offices endeavor to determine the whereabouts of all harboring suspects in concert with impending interviews.

SAN FRANCISCO, AS RESULT OF CAREFUL STUDY OF ALL DATA FURNISHED BY PH 4389-PCI, HIS OBVIOUS MENTAL INSTABILITY AND RELATED INVESTIGATION CONDUCTED BASED UPON INFORMATION FURNISHED BY HIM, IS CONVINCED THAT AVENUES OF INVESTIGATION OUTLINED IN RE SF TEL SHOULD BE CONDUCTED WITHOUT FURTHER PROCRASTINATION. THE INDIVIDUALS WHO OFFER THE BEST POTENTIAL FOR SUCCESSFUL INTERVIEWS BASED UPON THEIR BACKGROUNDS AND THE ELDER SCOTT'S STATED DISLIKE FOR PATRICIA HEARST ARE JOHN AND LOUISE SCOTT. IF THESE INTERVIEWS ARE PRODUCTIVE, INFORMATION FURNISHED BY THEM CAN THEN BE UTILIZED BY US AS A LEVER IN SOLICITING THE COOPERATION OF OTHER INDIVIDUALS MENTIONED IN THE TRANSPORTATION OF HEARST AND THE HARRISES. WE WOULD ALSO THEN BE IN A POSITION TO OBTAIN HARBORING WARRANTS IF SUCH A COURSE OF ACTION IS DESIRABLE; DEEMED ~~DESIRABLE~~; HOWEVER, IT SHOULD BE BORNE IN MIND THAT OUR INVESTIGATIVE OBJECTIVE IS TO LOCATE AND APPREHEND THE FUGITIVES AND THAT THE OBTAINMENT OF WARRANTS FOR HARBORING IS SECONDARY. IT SHOULD BE NOTED THAT PREMATURE PRESENTATION COULD RESULT IN DISCLOSURE OF OUR INVESTIGATIVE INTEREST IN THE SCOTTS, ET AL, AND RESULT IN DISCLOSURE OF ALL INFORMATION FURNISHED BY SOURCE. IN THIS REGARD, AT THIS POINT, IT DOES NOT APPEAR THAT WE HAVE

PAGE THREE SF 7-855

SUFFICIENT PROBABLE CAUSE TO OBTAIN HARBORING WARRANTS SINCE OUR PRINCIPAL SOURCE IS NOW RECALCITRANT AND WE HAVE DEVELOPED NO INFORMATION OF PRIOR KNOWLEDGE OR NOTICE OF WARRANT ON THE PART OF ANY OF THE INDIVIDUALS INVOLVED. WE CAN ONLY PLACE WILLIAM HARRIS AT THE FARM BASED UPON LATENT PRINTS RECOVERED AND NEIGHBORHOOD INVESTIGATION BY THE PHILADELPHIA OFFICE AT THE FARM HAS FOR ALL INTENTS AND PURPOSES BEEN NEGATIVE.

AS PREVIOUSLY INDICATED, THE ELDER SCOTTS ARE THE WEAKEST LINKS IN THE CAST OF CHARACTERS WE HAVE INVOLVED IN THIS MATTER. IF WE ARE SUCCESSFUL IN OUR INTERVIEWS OF THEM, THEN WHEN WE INTERVIEW THE OTHER INDIVIDUALS REPORTEDLY INVOLVED WITH JACK AND MICKI SCOTT, WE WILL HAVE INFORMATION CONCERNING THEIR PARTICIPATION SO THAT OUR INTERVIEWS OF THEM CAN BE MORE IN DEPTH AND HAVE GREATER POTENTIAL FOR SUCCESS.

IN VIEW OF THE ABOVE, INVESTIGATIVE COURSE OF ACTION OUTLINED IN SF TEL IS NOT BEING ALTERED AND PORTLAND IS REQUESTED TO IMMEDIATELY DETERMINE IF JACK AND MICKI SCOTT ARE IN THEIR TERRITORY.

IT ^{SHOULD} ~~BE~~ BE NOTED THAT LAS VEGAS HAS OBSERVED AN INDIVIDUAL POSSIBLY IDENTICAL TO MICKI SCOTT AT THE ELDER SCOTTS

PAGE FOUR SF 7-855

RESIDENCE IN LAS VEGAS. PHOTOGRAPHS OF THIS INDIVIDUAL HAVE BEEN FURNISHED TO THE CLEVELAND AND PORTLAND OFFICES AND EVERY EFFORT SHOULD BE MADE TO DETERMINE IF THIS INDIVIDUAL IS IN FACT IDENTICAL WITH MICKI SCOTT AS IT WOULD BE MOST ^{DESIRABLE} ~~DESIRED~~ TO KNOW LOCATION OF JACK AND MICKI SCOTT PRIOR TO OUR INTERVIEWS AT LAS VEGAS SO THAT WE CAN AFFORD THEM APPROPRIATE COVERAGE AS OUTLINED IN RE SF TEL. HOWEVER, THE INTERVIEWS OF THE ELDER SCOTTS SHOULD NOT BE DELAYED PENDING THE LOCATION OF JACK AND MICKI SCOTT UNLESS WE DETERMINED THAT THE INDIVIDUAL AT LAS VEGAS NOW IS IN FACT MICKI SCOTT.

PHILADELPHIA AND NEWARK ARE REQUESTED TO EXPEDITIOUSLY DETERMINE THE PHYSICAL LOCATION OF JAY WEINER AND PHILLIP SHINNICK IN THEIR RESPECTIVE TERRITORIES.

[REDACTED]

[REDACTED]

ABOVE IS BEING REQUESTED SINCE CONTINGENT UPON RESULTS OF OUR INTERVIEWS WITH THE ELDER SCOTTS, WE MAY DESIRE EARLY INTERVIEWS OF THEM.

INVESTIGATION PREVIOUSLY SET FORTH BY SAN FRANCISCO NOT BEING

Re Denver teletype 2/16/75 concerning attempted telephone call to Request Line, KOMA Radio Station, Oklahoma City, Oklahoma.

On 2/17/75, Chief of Police CARROLL JOHNSTON, Burlington, Colorado, advised he and several of his patrolmen had conducted extensive investigation during the night of 2/16/75 in an attempt to determine if PATRICIA HEARST had been in the town of Burlington, Colorado, with negative results.

Chief of Police JOHNSTON stated high school wrestling championship events were being held in Burlington the night of 2/16/75 and that at least an additional 200 high-school-age youths were in Burlington on the evening of 2/16/75.

He stated investigation at the Texaco Service Station located at Interstate 70 and Rose Street where the telephone call to Oklahoma City originated failed to identify the person or persons who placed the telephone call about 9:00 P.M.

In view of the above, no further investigation being conducted by Denver regarding this telephone call.

RE INFO FURNISHED BY PH 4389-PCI.

SOURCE HAS FURNISHED THE NAME OF ANOTHER INDIVIDUAL CLOSELY ASSOCIATED WITH JACK SCOTT. THIS PERSON DESCRIBED AS BOB FULLER, WHITE MALE, AGE APPROXIMATELY 37-39, 5'11", 165 POUNDS, FORMER PRESIDENT OF OBERLIN COLLEGE, OHIO, 1972 AND 1973. SOURCE ADVISED FULLER IS EXTREMELY CLOSE TO JACK SCOTT. FULLER NOT RECALLED EARLIER BY SOURCE INASMUCH AS SOURCE RECALLED ONLY PERSONS SCOTT HAD DONE THINGS FOR RATHER THAN PERSONS WHO HAD DONE THINGS FOR SCOTT. FULLER DURING TENURE AT OBERLIN COLLEGE COMPLETELY RADICALIZED THE PHYSICAL EDUCATION DEPARTMENT. HE PLACED JACK SCOTT IN POSITION AS ATHLETIC DIRECTOR WHEN SCOTT IN FACT, IN ESTIMATION OF SOURCE, HAD LITTLE QUALIFICATION FOR JOB OF THAT STATURE. JACK

REC-104

REC-107

MAY 12 1975

84 JUN 13 1975

SCOTT AT THAT TIME HAD ABSOLUTELY NO WORK EXPERIENCE AND SIMPLY A PHD IN PSYCHOLOGY. SOURCE BELIEVES FULLER MAY HAVE PARTIALLY SUBSIDIZED SCOTT'S TRIP TO CUBA WHILE AT OBERLIN. FULLER ALSO BROUGHT TO THE EDUCATIONAL DEPARTMENT TOMMIE SMITH, BLACK RADICAL DESCRIBED IN PREVIOUS COMMUNICATIONS, AS WELL AS PAUL HOCH, ALSO DESCRIBED IN PREVIOUS COMMUNICATIONS. HOCH'S EDUCATIONAL BACKGROUND IN THEORETICAL PHYSICS, ACCORDING TO SOURCE, HARDLY PROVIDED BASIS FOR EMPLOYMENT IN PHYSICAL EDUCATION DEPARTMENT. FULLER WHILE AT OBERLIN ACTIVELY ENCOURAGED AND SUPPORTED JACK SCOTT'S RADICAL ACTIVITIES ON CAMPUS; SO MUCH SO THAT FULLER, BECAUSE OF POLARIZATION OF REMAINDER OF FACULTY, WAS FORCED TO RESIGN BY COLLEGE TRUSTEES. SOURCE FURTHER ADVISED THAT FULLER, ALTHOUGH HIS IMPENDING RESIGNATION NOT PUBLICLY KNOWN AT TIME, WARNED JACK SCOTT SO THAT HE MIGHT "GET OUT WITHOUT BEING THROWN OUT." SCOTT'S LEAVING WOULD BECOME A NECESSITY WITH FULLER GONE INASMUCH AS FULLER CONSTITUTED MAJOR SOURCE OF SUPPORT AT OBERLIN. FULLER ALSO INSTRUMENTAL AT THIS TIME IN CONVINCING BOARD OF TRUSTEES TO PAY OFF REMAINDER OF JACK SCOTT'S CONTRACT. SOURCE

PH 7-1299 PAGE THREE

DESCRIBES FULLER AS HIGHLY INTELLIGENT HAVING PHD IN PHYSICS, PROBABLY FROM PRINCETON UNIVERSITY. FULLER'S WIFE, NAME UNKNOWN, HAS PHD IN MATH AND FOLLOWING DEPARTURE FROM OBERLIN, PLANNED TO TEACH AT COLUMBIA UNIVERSITY, NEW YORK CITY. FULLER RESIDED IN NEW YORK CITY AS OF SUMMER, 1974, AND REPORTEDLY WAS PLANNING TO TEACH IN NEW YORK CITY AREA. IT IS HERE NOTED THAT TOLL CALL RECORDS FROM JACK SCOTT'S TELEPHONE AT OBERLIN, OHIO, SHOW NUMEROUS CALLS TO NEW YORK CITY AREA IN 1973 AND 1974. FULLER COULD POSSIBLY BE REASON FOR MANY OF THESE CALLS.

CLEVELAND AT OBERLIN, OHIO: CONTACT SECURE ESTABLISHED SOURCES FOR ANY IDENTIFYING DATA ON FULLER AND ATTEMPT TO VERIFY OR REFUTE SOURCE'S DEPICTION OF FULLER. THEREAFTER, SUPPLY FORWARDING ADDRESS AND IDENTIFYING DATA TO NEW YORK FOR APPROPRIATE INVESTIGATION.

HEARNAP SUMMARY

Attached briefs the on-going investigation concerning the remaining SLA fugitives and known harboring suspects based on information furnished by PH4389 PCI:

Daily contact is being maintained with source regarding any development of apparent significance. On 2/21/75, a surveillance photo of an unknown female was obtained as she departed source's parents (John and Louise Scott) residence in Las Vegas, Nevada. Source was able to identify female as Micki Scott from photo. This identification was reenforced in similar observations by CVCS2686-S and two Portland SAs who had attempted to interview her husband Jack Scott and Bill Walton, 1/15/75, at Portland, Oregon. The whereabouts of Jack Scott remains unknown.

Philadelphia advised 2/21/75, source contemplates foreign employment within ten days (3/3/75); however, source will be available during the present critical period and may decide not to accept job at last moment. Philadelphia has been instructed by FBI Headquarters to monitor source's daily activities to insure source does not initiate warnings to his relatives.

RE: TRAVEL OF JACK SCOTT AND PATRICIA HEARST.

Enclosed for the Salt Lake City and Denver Offices are two photographs each depicting JOHN VINCENT SCOTT, aka JACK, and MICKI SCOTT.

[REDACTED]

For the information of Salt Lake Division, JACK SCOTT allegedly transported PATRICIA HEARST from the East Coast to Las Vegas, arriving in the latter city on 9/27/74. Travel was apparently accomplished in a 1971 Ford Econoline Van rented from Ryder Truck Rentals, New York, and bearing New York commercial license 103 8GC. SCOTT at Las Vegas took PATRICIA HEARST to the home of his parents, JOHN and LOUISE SCOTT, and allegedly called them in advance announcing his intended arrival.

Investigation in this matter must be conducted in a discreet manner in order not to alert JACK SCOTT or his parents, JOHN AND LOUISE SCOTT, prior to their interview by the FBI.

LEADS:

Denver Division is requested to check motels on Highway 86 to determine if any registration for JACK or JOHN VIRCENT SCOTT or any notation for the above-mentioned van can be located for the period of 9/23/74 and immediately prior thereto. SCOTT's picture should be exhibited at the motel but no mention should be made at this time of PATTY HEARST.

Salt Lake City Division at Provo is requested to conduct similar investigation in the immediate vicinity of Provo, Utah, of motels on the logical highway that SCOTT would have utilized if he had traveled from Cheyenne, Wyoming, to Las Vegas, via Provo, noting a call from Provo was made to his parents' home on 9/24/74.

GENERAL INVESTIGATIVE DIVISION
ARNAP SUMMARY

Our San Francisco Office (SFO) advises that in furtherance of investigation based on information furnished by PH 4389-PCI, coordinated efforts will be made on 2/25/75, to interview all associates of Jack Scott and harboring suspects previously developed in a concentrated effort to locate remaining SLA fugitives.

Our Las Vegas Office observed Micki Scott on 2/18/75, at the residence of John and Louise Scott in Las Vegas. SFO, as office of origin, has instructed Philadelphia and Newark Offices to establish fisur coverage on J. Weiner and Phillip Shinnick during early a.m., 2/25/75, until 8:00 p.m., 2/25/75, or until advised to discontinue. In addition, fisur Agents are to be prepared to interview both Weiner and/or Shinnick contingent upon results of interviews of elder Scotts.

Portland Office has been instructed to institute fisur coverage of the Walton residence and SFO will establish coverage of telephone booth in Oakland, California, which location was telephonically contacted from a pay phone near the farm in Honesdale, Pennsylvania, on 9/21/74.

[REDACTED]

Our Philadelphia Office advised on 2/24/75, that source telephonically contacted John and Louise Scott in Las Vegas and attempted to find out present whereabouts of Jack Scott. Elder Scotts denied knowing whereabouts of Jack Scott and Micki Scott and abruptly changed subject of conversation; no additional information of value obtained.

Our Portland Office advised on 2/24/75, that a Portland source within the Portland Trailblazers organization advised that Bill Walton returned to Portland with injured foot on 2/20/75. Walton reportedly to be met by Jack Scott but due to misunderstanding as to time of arrival, was not met by Scott. Source advised that Scott is still in Portland with Walton who is now wearing a walking cast. Scott reportedly will not leave Portland while Walton is in an injured status.

Our Kansas City Office advised the records of the [REDACTED] Administrative Center in Kansas City indicate John J. Scott of Scranton, Pennsylvania, made application for [REDACTED] credit card on 6/17/70, was issued [REDACTED] credit card [REDACTED] Card cancelled 8/29/73, with indebtedness of \$1,418; last charge shown as March, 1973.

Our Las Vegas Office advised that they have established fixed towers covering the residence of John and Louise Scott. RE INFORMATION FURNISHED BY PH 4389-PCI.

ON FEBRUARY 23, 1975, AND FEBRUARY 24, 1975 [REDACTED]

ADVISED ROBERT W. FULLER, AKA., BOB FULLER, WAS FORMER PRESIDENT OF OBERLIN COLLEGE WHILE JACK SCOTT WAS AT THAT INSTITUTION.

SOURCE ADVISED SCOTT HIRED BY FULLER AND COMPLETELY SUPPORTED SCOTT'S RADICALIZATION OF PHYSICAL EDUCATION DEPARTMENT AT OBERLIN COLLEGE. SOURCE, WHEN INTERVIEWED BY BUREAU AGENT, WAS QUESTIONED IN SUCH A MANNER AS TO ASCERTAIN ANSWERS THAT WOULD

EITHER VERIFY OR REFUTE STATEMENTS MADE BY PH 4389-PCI CONCERNING JACK SCOTT'S RELATIONSHIP WITH FULLER. THE RESULTS OF THIS INTERVIEW ARE CONCLUSIVE THAT PH 4389-PCI IS TELLING THE

TELETYPE TO: REGARD. [REDACTED] FURNISHED ANSWERS THAT

84 JUN 18 1975

REC-107 7-15200-4677

PAGE TWO (7-1094)

COMPLETELY SUPPORTED PHILADELPHIA SOURCE'S CONTENTION THAT FULLER AND SCOTT ARE EXTREMELY CLOSE AND CONFIDED IN EACH OTHER THROUGHOUT THEIR TENURE AT OBERLIN COLLEGE UP TO AND INCLUDING THE FACT THAT FULLER TOLD SCOTT OF HIS IMPENDING RESIGNATION BEFORE IT WAS KNOWN PUBLICLY.

A REVIEW OF JACK SCOTT'S FILE, CV 100-33114, ALSO SUBSTANTIATES STATEMENTS MADE BY PH 4389-PCI.

WID [REDACTED] ADVISED THAT ROBERT W. FULLER, AFTER LEAVING OBERLIN COLLEGE, BEGAN A LECTURE AND SPEECH TOUR THROUGHOUT THE UNITED STATES AND SOME FOREIGN COUNTRIES. FULLER'S TOPIC BELIEVED TO BE "PROGRESS IN THE EQUAL RIGHTS FOR WOMEN MOVEMENT."

DR. ROBERT W. FULLER ATTENDED OBERLIN COLLEGE. HE GRADUATED AT AN EARLY AGE, EITHER 16 OR 17 YEARS OLD. FROM THERE HE WENT TO PRINCETON UNIVERSITY, WHERE HE RECEIVED A PHD IN PHYSICS. FULLER ALSO DID GRADUATE WORK IN ECONOMICS AT THE UNIVERSITY OF CHICAGO AND SERVED AS AN INSTRUCTOR AND ASSISTANT PROFESSOR OF PHYSICS AT COLUMBIA UNIVERSITY FROM 1961 TO 1966. FULLER FORMERLY THE DEAN OF FACULTY AT TRINITY COLLEGE IN HARTFORD, CONNECTICUT, IN 1968. AT TRINITY COLLEGE IN 1968 FULLER ATTEMPTED TO DISCONTINUE ROTC PROGRAM ON THAT CAMPUS. FULLER

PAGE THREE (CV 7-1094)

WAS BELIEVED TO HAVE BEEN ASSOCIATED WITH THE BATTELLE INSTITUTE, SEATTLE RESEARCH CENTER, SEATTLE, WASHINGTON.

FULLER IS A WHITE MALE, 38 YEARS OF AGE, DOB UNKNOWN, WIFE ANN FULLER, AND TWO CHILDREN.

ANN FULLER, WIFE OF BOB FULLER, HAS PHD IN MATH AND TAUGHT AT BROOKLYN UNIVERSITY FOR A PERIOD OF TIME, POSSIBLY IN 1972 OR 1973. SHE ALSO TAUGHT MATH FOR A SHORT PERIOD OF TIME AT OBERLIN COLLEGE WHILE HER HUSBAND WAS PRESIDENT. THIS BELIEVED TO BE ON A SUBSTITUTE BASIS.

WHEN FULLER RESIGNED FROM OBERLIN COLLEGE, WHICH TOOK EFFECT FEBRUARY 2, 1974, HIS WIFE ANN AND TWO CHILDREN STAYED ON IN OBERLIN. ANN FULLER PRESENTLY RESIDES ON ELMWOOD PLACE IN OBERLIN WITH TWO CHILDREN AND NOT BELIEVED TO BE EMPLOYED. BOB AND ANN FULLER BELIEVED TO BE SEPARATED BUT NO LEGAL PROCEEDINGS HAVE BEEN INSTITUTED.

14D [REDACTED] STATES HE DOES NOT BELIEVE ANN FULLER HOLDS SAME POLITICAL OR SOCIAL VIEWS AS HER HUSBAND AND DID NOT PARTICIPATE IN ANY OF FULLER'S RADICAL ACTIVITIES WHILE AT OBERLIN COLLEGE. SOURCE STATES THAT ROBERT FULLER VISITS WITH HIS

PAGE FOUR (CV 7-1094)

WIFE OCCASIONALLY AND HAS BEEN IN OBERLIN IN FEBRUARY, 1975, TO SEE HER. SOURCE ADVISED THAT FULLER IS NOT IN OBERLIN AT THE PRESENT TIME AND HIS PRESENT WHEREABOUTS IS UNKNOWN.

SOURCE, [REDACTED] b7D

[REDACTED] WAS ABLE TO OBTAIN THE FOLLOWING ADDRESS TO WHICH COMMUNICATIONS AND LETTERS FROM OBERLIN COLLEGE ARE PRESENTLY BEING SENT: ROBERT W. FULLER, 343 COLUSA AVENUE, KENSINGTON, CALIFORNIA, 94707. SOURCE WAS UNABLE TO ESTABLISH ANY PERMANENT RESIDENCE OTHER THAN THE ABOVE MAILING ADDRESS FOR FULLER.

FOR INFORMATION OF RECEIVING OFFICES, CLEVELAND IS IN POSSESSION OF NEWSPAPER PHOTOGRAPH OF ROBERT W. FULLER WHICH APPEARED IN NOVEMBER OF 1973, AND CAN BE FURNISHED UPON REQUEST.

THE ABOVE IS BEING FURNISHED INTERESTED OFFICES FOR APPROPRIATE INVESTIGATION, AND SAN FRANCISCO SHOULD ATTEMPT TO VERIFY FULLER'S RESIDENCE IN KENSINGTON. 13. One page typed Letter of Recommendation by C. ROGERS on ARA Services stationery dated 11/30/73.

14. Two-page typed resume of RICHARD ANTHONY CRAVANA.

Mr. RANDOLPH A. HEARST of San Francisco, California, received a letter through the U.S. Mail which was postmarked at Cleveland, Ohio, on December 30, 1974,

7-1094
9-2585

and alleged that PATRICIA HEARST was in custody of the SLA, Cleveland, Ohio, and would turn her over to Mr. HEARST for \$250,000. The above envelope and letter have been designated by the FBI Laboratory as Q1933 and Q1934, respectively. Per instructions in letter, Bureau Agents posed as HEARST's representative and receive numerous telephone calls from an unknown male individual on the evening of January 4, 1975, and the early morning of January 5, 1975, in the Cleveland, Ohio, area. Extortion package dropped at site designated but no one picked up or came near the package and it was eventually retrieved by the FBI.

The second letter was received by Mr. RANDOLPH A. HEARST in San Francisco, California, on January 10, 1975, referring to the attempted extortion on the evening of January 4, 1975. The letter directed Mr. HEARST to the Cleveland Airport on "the 8th". Since the contact date had passed in the letter received by Mr. HEARST, no action was taken regarding this contact. The second letter was received in an envelope postmarked at Cleveland, Ohio, on January 6, 1975, and the FBI Laboratory has designated the letter and envelope Q1935 and Q1936, respectively.

Subsequently, on February 7, 1975, a kidnaping occurring in the Cleveland area resulted in the victim escaping from the kidnaper's car and the Strongsville Police Department shortly thereafter arrested RICHARD G. KRAVANJA, aka., Rick, Richard Anthony Cravana, and charged him with kidnaping.

A consent tape was made of the victim's telephone during the kidnaping and the tape contains the voice of the male caller directing the victim's father to a contact point.

Bureau Agent receiving direct telephone calls from the unknown subject in the HEARST extortion case on January 4-5, 1975, listened to the above tape and stated the voice on the tape sounded like the voice of the male telephoning him on numerous occasions on January 4-5, 1975.

CF 7-1094
C 9-2585

Police checks revealed KRAVANJA has been arrested for extortion in the past and formerly resided very near the initial drop site of the HEARST extortion case. Cleveland has obtained 8 notes or letters attributed to KRAVANJA which contain numerous misspellings of certain words, misspellings identifiable in the two letters sent to Mr. HEARST.

The Strongsville Police Department obtained a search warrant for KRAVANJA's residence, 7100 Traymore, Brooklyn, and obtain the letters, papers, and envelopes enclosed herewith.

As a result of a consent search of the residence of KRAVANJA's relative, GEORGE NIETO, a Royal Pica typewriter, serial number KMM2915108 was taken by the FBI.

On February 26, 1975, enclosed typewritten samples were prepared by the Cleveland FBI and are submitted herewith.

REQUEST OF THE FBI LABORATORY

The FBI Laboratory is requested to conduct the following:

1. Compare typewriting samples submitted in enclosures 1 through 8 with typing on Q1933, Q1934, Q1935, and Q1936.
2. Compare enclosure 9, white envelope, with Q1933.
3. Compare enclosures 10 through 12, black lined white paper, with Q1934.
4. Compare typing on enclosures 13 and 14, ARA letter and CRAVANA resume, with typing on the samples submitted herewith and typing on Q1933, Q1934, Q1935 and Q1936.

EXP. PROC.
30 FEB 19 1975

REC-107

5 FEB 19 1975

2 ENCLOSURE

CORRESPONDENCE

January 13, 1974

Senator Warren G. MAGNUSON
U. S. Senate Office Building
Washington, D.C. 20510

Dear Senator MAGNUSON:

I am writing to express a few ideas, that I have been considering for quite a while. These ideas, if adopted, just may bring the condition of "inflicted depression" to an end. I am also appealing to you, Senator, and attempting to enlist your support in obtaining, for Miss Patricia Campbell HEARST (a citizen of the State of California) a FULL AND COMPLETE PARDON.

My argument for the Pardon appear in the Enclosure, PLUS the fact that the Federal Bureau of Investigation has, in my estimation, been behaving "like a spoiled brat" in as far as sharing any evidence and clues with the Greater San Francisco Bay Area Police Departments is concerned.

I am appealing to you, Senator, because I have heard for years that "If you want anything done in Washington, D.C., go to Senator MAGNUSON." If anyone can persuade the President, Senator, you can.

The State of the Economy:

I feel, Senator, that the President should ORDER ALL PRICES AND WAGES ROLLED BACK, to where they were on a given date (such as during 1969). After the roll back they should then be frozen at that point until the economy is on a much sounder footing than it is now. When this point is reached the Freeze could be lifted; however any increases in either Prices or Wages SHOULD BE LOOKED AT VERY CLOSELY BY BOTH THE PRESIDENT AND THE CONGRESS prior to being granted. While all of us would benefit by this being done, I am thinking of the existence of the ELDERLY and all of the people on a FIXED INCOME.

The Political Situation:

I believe that what I have to say, if adopted will silence, for all time, any one who would say "The President is being duped and/or misled by his predecessor's people" as I understand some were saying about the time the Veteran's Legislation was vetoed.

My idea, here, is that when a NEW President is elected, in November, he would IMMEDIATELY commence looking, nation wide, for his Cabinet, his White House Aides, and the Heads of the various Departments and Bureaus of Government. Surely, Senator, there must be two (2) qualified members of the many Police Departments through out the Nation who could run the United States Attorney General's Office AND the Federal Bureau of Investigation as well as, or better than, Mr. SADD and Mr. KALEY have. I would also suggest that he, the Incoming President, appoint a woman (who has been coping with keeping her household budget in balance) as his Secretary of the Treasury.

These appointees would be made, would be in Washington, and be confirmed by the Congress by the time the Incoming President takes the Oath of Office. The NEW men would be in and the OLD men would be out on that day.

ENCLOSURE

7-15200-4688

I would suggest that all Professional Politicians be EXCLUDED from any and all consideration for these posts, AND none of the incumbents could be IMMEDIATELY reappointed. The only exception that I would make here is: If the NEW President feels that one (1) of his predecessor's people is doing a good job, that person could be reappointed to the same position BUT ONLY AFTER A LAPSE OF AT LEAST SIX (6) MONTHS.

I wish to say at this time, Senator, that I have no personal stake in the pardoning of Miss HEARST, except that I have a deep and abiding wish to see justice done in this case. Without the pardon, I feel that what the FBI will do is KILL HER ON SIGHT rather than let her go into a court of law and show them up for the "bunglers" that they have been in this case.

I would be interested in hearing your response in regards to everything that I have had to say, Senator.

Thanking you in advance, for your time and assistance I remain,

Sincerely

 b7c
Quincy, Wa. 90343

I would like to say at the outset that neither Miss HEARST nor her family knows about this plot! Also, Everything, just I am about to say, has appeared in print (or has been broadcast on radio and/or television).

Perhaps a presentation of the FACTS and EVIDENCE, in chronological order, would be the way to start.

On November 6, 1972 the Superintendent of Schools, in Oakland, California, Marcus FOSTER, and his assistant, Robert BLACKBURN, were shot as they were going to their cars, after leaving a meeting of the School Board, by at least two (2) unidentified assailants. Mr. FOSTER was hit about fifty (50) times and died while enroute to the hospital. Mr. BLACKBURN, not being shot as many times, eventually recovered. A few days later a group calling itself "The Symbionese Liberation Army (SLA)" took credit for the shootings.

Six (6) weeks later, on January 10, 1974, Joseph REMIRO and Russell LITTLE, two (2) white men, were stopped, at 1:30 A.M. (EST), by a deputy sheriff's car. It was in the suburban residential town of Concord, across the bay from San Francisco, and a van in that area at that time of night seemed suspicious. The driver of the van said he was "looking for the DeVeto house on Sutherland Drive." When the policemen asked for his driver's license, which was a fake, he pulled a gun. There was a shootout, and eventually, Mr. LITTLE and Mr. REMIRO were captured. There was a lot of SLA literature in the van, but no one thought to check the DeVeto house, just two (2) blocks away (at 1560 Sutherland). If they had, they would have been able to capture at least one (1) other SLA member; and maybe there wouldn't have been a kidnapping.

As soon as the news of the arrest was broadcast, "Mrs. DeVeto" was seen fleeing the house - after setting it on fire. The sheriff's department arrived, after the fire was out, and found weapons, etc.

The next day Mrs. Marilyn PALMER, a 44-year-old newswoman for a San Francisco Educational Television station, got there. INCREDIBLY, the house was unsealed and unguarded. Mrs. PALMER entered the house, through the unlocked back door, and found a storehouse of evidence not even touched by the police - drugs, professional make-up equipment, closets full of nonhippie, middle class, clothing, maps, a manuscript about the SLA's aims, and a notebook containing cryptic references to Patricia HEARST.

The evidence, in the house, was turned over to the Oakland Police Department.

NOTHING WAS DONE BY THE OAKLAND, CALIFORNIA POLICE DEPARTMENT!

Now we have to advance in time - just twenty-five (25) days. It is now February 4, 1974. The time is 9:20 P.M. (PST)

A white station wagon pulls up to the curb behind a 1963 blue convertible (which was stolen about an hour earlier). While the white woman remains behind, in the station wagon, her three (3) accomplices - Donald DEVEREUX, Thero WHEELER, (both black) and Camilla HALL (white) - went to the back of the apartment house, at 2602 Bonaventure Avenue, Berkeley, California. They went right to the apartment occupied by Miss Patricia Campbell HEARST and her fiance, Steven KARP. They broke into the apartment and beat Mr. KARP with their fists and a full wine bottle and kicked him, repeatedly. They ripped Miss HEARST's robe away, leaving her clad in nothing but a pair of under pants. They seized her and took her, half - naked, out the door and stuffed her into the trunk of the convertible. Before leaving, Miss HALL looked around, spotted Miss HEARST's purse and removed her wallet from it. The wallet was taken along

ENCLOSURE NO. 1:

7-15200-4688
ENCLOSURE

The police were called and, somehow, the Federal Bureau of Investigation heard about the kidnapping. WITHOUT THEIR INVITED, AND WITHOUT ANY JURISDICTION (whatsoever), stepped in. This is our baby, the civil authorities were told. The first thing that the FBI did was to impose a NEWS blackout. Before they did, however, Ex-Senator William F. HICKS, who owned and published The Oakland Tribune informed the Berkeley Police Department, that he was going to publish the kidnap story. A very limited amount of information was then released to the media. LATE: Before the month was out Mr. HICKS was found dead - CONVENIENTLY labeled a suicide by the law. I wonder. It sure bears looking into. The news "blackout" evidently applied, not only to the news media, but also to the various San Francisco Bay Area Police Departments. This from the OBVIOUS LACK OF COORDINATION.

I can not help thinking that - had the FBI Agent-in-Charge, Charles BATES, taken the police departments (even if only the upper echelons) into his confidence - the nine (9) KIDNAP remaining CIA members would not have been able to traverse the streets of Berkeley, San Francisco, and Oakland virtually unseen.

Various members of the KMA did - on at least seven (7) different occasions - freely travel the streets delivering tape recordings and letters to various locations.

Again we advance in time. It is now March 1, 1974. The place is The Central Bank at 2107 Shattuck Avenue, Berkeley, California. Right across the street is the Berkeley Headquarters of the FEDERAL BUREAU OF INVESTIGATION.

The FBI has known for about two (2) weeks that Miss Camilla HALL and Mrs. Nancy LEE HARRY both had money in this bank. The following is a direct quote from a newspaper story that appeared in the Oakland Tribune, on about April 1, 1974.

On March 1, Camilla HALL entered the bank and, despite an arrangement with bank employees to stall her until the FBI could cross the street, withdrew the \$1,565.00 in her account and walked out unhindered.

An Oakland Police Official and top investigator said the FBI does not keep local authorities adequately advised in to the matters in the case.

"They might get something they don't really understand because it doesn't relate to their part of the case - but that information could be important to our phase of the investigation."

An investigator in another phase of the case added: "We share our information but the FBI doesn't share theirs. The Berkeley Police didn't even know about this bank thing until the whole thing was cold."

We now advance in time to March 15, 1974. It was about this time that Miss HEARST was moved to a new hideout (at 1827 Golden Gate Avenue) just PAST THE (14) BLACKS FROM FBI, SAN FRANCISCO HEADQUARTERS.

It was also about this time that Miss HALL sold her white Volkswagen - through a used car dealer - to a secretary who was working for the FBI. It was this same car that the FBI was looking for. For a period of two or three weeks it sat in the FBI parking lot WITHOUT ANY ONE LOOKING FOR IT.

Another advancement in time. It is now 9:30 A.M. (15, April 15, 1974.

Miss HEARST, accompanied by Mr. ROBERT A. Miss HARRY, Miss STEPHEN, and Miss HALL, entered the Elbernia Bank at the corner of 22nd and Moravia. Miss HEARST had the sling of her automatic rifle around her shoulder. Her coat was on OVER HER SLING, her right hand was in her pocket. She had two

(2) guns pointed her way.

Miss HEARST walked to the center of the lobby and stood with her back to the tellers. All she did, during the robbery, was stand in the same place - in full view of the two (2) security cameras.

One (1) of the women announced "we're the SIA and this," here she pointed at Miss HEARST, "is Terri HEARST." At NO TIME, during the few minutes inside the bank, did Miss HEARST make any move what so ever. The SIA members, and Miss HEARST, dropped out of sight.

What was the FBI doing all this time? They were busy preparing an OVER SIZE Wanted Poster. (The Normal poster is 12" by 11" and here is/was 10 1/2" by 16"). This poster was circulated some nine (9) hours later. It indicated that Miss HEARST was wanted as a "Material Witness" and set BAIL at FIVE HUNDRED THOUSAND (500,000) DOLLARS. Bank Robbers, this week, had TEN THOUSAND (10,000) DOLLARS BAIL SET.

The next day, April 16, 1974, the United States Attorney General, William SAXBLE, stated that he was convinced that Miss HEARST "was not an unwilling participant in the robbery." He also said that she was "a common criminal."

I believe that we have some very serious violations of the United States Constitution here. First the SIXTH and EIGHTH Amendments were violated on April 15, 1974, by the FBI and U.S. Attorney. The SIXTH Amendment states, in part, "NO PERSON SHALL BE HELD TO ANSWER FOR A CRIME, OR OTHERWISE INFAMOUS CRIME, UNLESS ON A PRESENTMENT OF INDICTMENT OF A GRAND JURY." The EIGHTH Amendment states, in part, "EXCESSIVE BAIL OR PUNISHMENT IS PROHIBITED."

Secondly Mr. SAXBLE, with his statements, violated the FIFTH Amendment and the portion that states that an individual is INNOCENT UNTIL (OR UNLESS) PROVEN GUILTY. The portion of the FIFTH Amendment that Mr. SAXBLE violated is that portion that GUARANTEES the accused a "TRIAL BY JURY". Mr. SAXBLE took it upon himself to TRY Miss HEARST, and found her GUILTY. I get the impression that Mr. SAXBLE would be pleased if this nation reverted to the European brand of justice, whereby the accused has to PROVE his or her innocence.

I believe, Sir, that at no time in the 199 years that our country has been in existence has there been a BAIL set that is as high as it is in this case, for a crime of this, or any other, nature. I admit that Mr. SAXBLE is entitled to his opinion, just as I am, HOWEVER being in the position that he was in at the time, I believe that he SHOULD HAVE KEPT HIS MOUTH SHUT. Evidently he did not learn anything the first time he spoke before he had given his statements much thought.

Getting back to the Wanted poster, issued April 15, 1974. Had the U.S. Attorney WAITED until a Grand Jury had done it's duty (as it did about a month later) then I would not say anything about it. But he did not. I am beginning to wonder just what the FBI was in such a hurry about.

On May 8, 1974 Miss HEARST and Miss RAY were reported as being inside the F.W. WOODBURN Store, at the corner of Market and Lowell Streets, in San Francisco. This was also the day that Miss HEARST's family announced that they would pay \$50,000 to anyone who gave information leading to her safe return to them.

It was about this time that the citizens stopped sheltering the SIA, possibly as a result of the reward that had been offered. It is a sorry state of affairs that it takes money to open people's eyes, but that is the case, at least here.

ENCLOSURE NO. 1

On May 9, 1974 Mr. KELLEY, FBI Director, stated "In the event we do determine where she is, we're going to exert every effort to not injure and certainly not kill anybody." This statement is highly suspect and affects Mr. KELLEY's credibility (in view of what transpired, in Los Angeles, just eight (8) days later).

It is now about 4:30 P.M. (PDT). The date is May 16, 1974. The Place is "Mel's Sporting Goods Store" on Crenshaw Blvd in Los Angeles.

A young couple, ALLEGEDLY William and Emily HARRIS, entered the store and made a purchase in the amount of \$31.65. HARRIS, allegedly, shoved a pair of socks inside his jacket and walked out without paying for them. The gentlemen, charged with preventing shoplifting, allowed the couple to leave the store before starting their pursuit.

All of a sudden, just as the couple were captured, an automatic weapon was fired from the couple's van. Approximately thirty (30) rounds were fired into the store front, the overhead sign, and the sky. The young couple made good their escape. The store employees, much later (and after a trip to police headquarters) identified the couple as William and Emily HARRIS, and the person that shot at them as Patricia HEARST. I wonder, sir, if the HARRIS' and Miss HEARST committed the crime OR DID THE HARRIS' LOCK THEM OUT BECAUSE THEY HAD BEEN THE HUNTER AND BEING SHOT FOR SO LONG. And what was the FBI doing all this time? Sitting behind a desk and crying because John Q. PUBLIC was not doing their job for them.

The three (3) fugitives allegedly stole a 1970 Pontiac, and a Chevrolet Station Wagon before the incident involving young Tom MATTHEWS. According to Mr. MATTHEWS;

Mrs. Emily HARRIS rang his doorbell at 7:00 P.M. (PDT). She said that she wanted to "test drive" the van that he had for sale. He got the keys and got in next to her. Mrs. HARRIS, still according to Mr. MATTHEWS, started the van and drove around the corner. She stopped long enough for Mr. HARRIS and Miss HEARST to get in. Mr. HARRIS showed Mr. MATTHEWS a gun and said that they were from the CIA. Then he said "And you know who this is. This is Tania HEARST!"

The radio was turned on at some point and then blared out the news about the sporting goods store robbery and the fact that the man had stolen ONE PAIR OF SOCKS. The police department later changed this item to read "BANDOLIER". Why? Was it because the public would not go for what followed - just for one pair of socks?

The District Attorney, in Los Angeles, issued a warrant for the arrest of the three (3) young people on robbery charges and set bail at FIFTY THOUSAND (\$50,000) DOLLARS. The FBI, also, noted. They charged the three (3) (William and Emily HARRIS, and Patricia HEARST) with VIOLATION OF THE FEDERAL FIREARMS ACT and set bail on the charge at FIVE HUNDRED THOUSAND (\$500,000) DOLLARS.

THIS MAKES ONE MILLION FIFTY THOUSAND DOLLARS HANGING OVER MISS HEARST'S HEAD. If this is not EXCESSIVE BAIL then I guess I do not know the definition of the word EXCESSIVE.

It is now the next day, May 17, 1974. The Los Angeles Police Department reported that the Symbionese Liberation Army had been located. As soon as Mr. Clarence KELLEY heard this he climbed on an airplane and flew to San Francisco. He closeted himself with Mr. DATES until after lunch. Then he flew back to Washington, D.C.

ENCLOSURE NO. 1:

Getting back to Los Angeles. The LAR reported that they had found the place where the SLA was hiding (it was a shack at 133 West 44th Street). After a very careful search the shack was found to be empty of people. The SLA had fled. However, they had left behind all, or most, of their supplies and equipment. Again the search started. Then, at 5:55 P.M. they finally located the fugitives - at a house located at 1446 94th Street.

Elements from the Los Angeles FBI Office (very possibly all of them) and the Los Angeles Police Department SLA Team surrounded the house. When everyone was in position the officer-in-charge (from LAIB, got on the "bull horn" and ordered everyone inside to "come out with your hands up. Surrender." He did this twice (according to all reports that I have seen).

Various individual witnesses (possibly even some from the news media) have stated (testified?) that all six (6) members, that were inside the house, complied with the order to surrender. When all were outside, they were met by a "hell of a fire". Just who (FBI or LAFD) initiated the first shot is, at this time, uncertain. Naturally the six people returned to the house - most of them anyway. Miss Canilla HALL was felled with one (1) bullet that hit her in the middle of her forehead, killing her instantly. Miss Nancy Ling FERRY was hit in the back by so many bullets that it was, quite literally, cut in two. Two of the young women were outside and had SURRENDERED TO THE AUTHORITIES. The fact that the two (2) women were outside and had surrendered was hushed up and not reported by the authorities until a private investigator, hired by the father of one of the young people, brought it to light. I wonder why. What does the Los Angeles Police Department have to hide? Or is it some kind of "cover up" by the Federal Bureau of Investigation?

After thousands of rounds of ammunition were poured into the house, in the space of just one (1) hour, the house suddenly caught fire. Somebody called the Fire Department. They arrived in a very short time. But they were not allowed to do the job that the good people of the City of Los Angeles were paying them to do.

Later that evening, after the fire had burned itself out, a senior Fire Marshal, who had been on the scene that afternoon, told a newsmen (over the phone) for a San Francisco radio station that "he couldn't go in because bullets were still being fired, and he might be hurt," this being what he had been told by an agent of the FBI. The Fire Marshal went on to say "He had the exact same situation a few years ago, during the Watts Riot, and we did our job. What I want to know is WHERE IN THE HELL WERE THE FBI MEN?"

Killed in the shootout and fire were:

Donald D. DeFUR, an escaped convict and the alleged head of the SLA. He was wanted for kidnaping, and bank robbery.

Angela ALWOOD, her only "crime" was being associated with the SLA.

Canilla HALL, wanted for kidnaping and bank robbery

Nancy Ling FERRY, wanted for bank robbery

Patricia SCHWARTZ, wanted for bank robbery

William MCLELL, whose only "crime" was being associated with the SLA

The Private Investigator, referred to above, has stated, in Los Angeles, that "Donald 'Cinque' DeFUR had a close friend on the force who once stated 'DeFUR had to be killed'."

Miss BARST has not been seen, so far as I know, since May 16, 1974; she has not been heard from since June 7, 1974, when she bitterly denounced everyone connected with the May 17 MURDER of six (6) young people.

ENCLOSURE NO. 1:

On July 24, 1974 the Los Angeles Police Department announced that they had cornered Miss HEARST in North Hollywood. It turned out to be a teen-ager who, at a glance, looks exactly like Miss HEARST.

Sir, it is my contention that, since the last sighting (in July) proved to be a look-alike, that one (1) or more of the sightings (including the bank and sporting goods store robberys) of Miss HEARST just might be a look-alike also.

This, Sir, is the end of my presentation of the events that have occurred since the Symbionese Liberation Army surfaced. Thanking you for your kind attention, during my presentation, and praying that you give my request SERIOUS consideration, I remain

Sincerely

 b7c

Dear Senator Magnuson:

Your communication of February 18th, with enclosures from your constituent, [REDACTED] of Quincy, Washington, has been received.

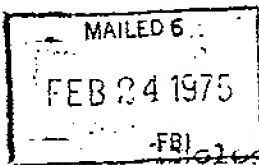

As the head of a strictly investigative agency of the Federal Government, it would be inappropriate for me to comment concerning the possibility of a pardon for Patricia Hearst. The FBI is continuing its intensive investigation to locate Miss Hearst and the other members of the Symbionese Liberation Army.

As you have requested, your enclosures are returned herewith.

Sincerely yours,

JOHN JOSEPH AND LOUISE SCOTT WERE INTERVIEWED SEPARATELY AT THEIR RESIDENCE THIS DATE. JOHN SCOTT WAS QUESTIONED AS TO THE WHEREABOUTS OF JACK AND MICKI SCOTT. HE STATED AS FAR AS HE KNEW, JACK WAS IN PORTLAND AND THAT HIS WIFE, MICKI, HAD BEEN HERE LAST WEEK (ARRIVING BY PLANE ON SUNDAY AND DEPARTING TUESDAY MORNING BY PLANE) AND WENT TO SAN DIEGO WHERE SHE WAS COLLABORATING ON A BOOK WITH A WOMAN. HE CONTINUED THAT MICKI SHOULD BE IN PORTLAND NOW. WHEN SHOWN PHOTOS OF PATTY HEARST AND THE HARRISES, HE DENIED KNOWING THEM OR HAVING SEEN THEM AND SHOWED ABSOLUTELY NO EMOTION OR VISIBLE SIGNS OF RECOLLECTION. WHEN ASKED ABOUT A TRIP HE MADE ACROSS THE COUNTRY OR TO BERKELEY, HE DECLINED FURTHER COMMENT AND STATED, "THIS SOUNDS LIKE HARASSMENT". HE SUGGESTED WE CONTACT HIS ATTORNEY FOR ANY FURTHER INFORMATION IN CONNECTION WITH THIS MATTER AND ADVISED HIS ATTORNEY WAS VINCENT HALLINAN (PHONETIC) IN SAN FRANCISCO. WHILE THE INTERVIEW OF JOHN SCOTT WAS PROCEEDING, AGENTS BEGAN INTERVIEW OF MRS. SCOTT. SHE CONFIRMED THAT MICKI WAS HERE, TWO WEEKS AGO, AND LEFT FOR SAN DIEGO WHERE SHE WAS COLLABORATING ON A BOOK WITH A WOMAN NAMED HUEY (PHONETIC). IN RESPONSE TO A QUESTION ABOUT SHE AND HER HUSBAND HAVING TAKEN A TRIP WITH JACK AND MICKI SCOTT IN THE PAST SUMMER, SHE ACKNOWLEDGED THE FACT THAT THEY WERE HAVING TROUBLE WITH THEIR ELDEST SON, WALTER AND THEY DID GO ON A TRIP. BEFORE ANY OTHER QUESTIONS RE

THIS TRIP COULD BE ASKED, MR. SCOTT ENTERED THE ROOM AT WHICH TIME HE ADVISED HER THAT IF THESE INDIVIDUALS WANT ANY FURTHER INFORMATION, THEY SHOULD CONTACT THEIR ATTORNEY IN SAN FRANCISCO.

AT THIS TIME, ALL INTERVIEWS WITH THE SCOTTS WERE TERMINATED.

IT IS THE OPINION OF INTERVIEWING AGENTS THAT THE ELDER MRS. SCOTT MIGHT FURNISH ANY DETAILS CONCERNING HEARST IF SHE COULD BE INTERVIEWED WITHOUT HER HUSBAND'S PRESENCE. LAS VEGAS SUGGESTS THAT THE USA SAN FRANCISCO, BE CONSULTED CONCERNING THE POSSIBILITY OF A SUBPOENA FOR JOHN SCOTT TO APPEAR BEFORE A GRAND JURY IN ORDER TO ANSWER QUESTIONS RE THIS MATTER. IF HE REFUSES TO ANSWER OR UTILIZES THE FIFTH AMENDMENT, CONSIDERATION SHOULD BE GIVEN AT THAT TIME TO ANOTHER SUBPOENA FOR HIM BEFORE THE GRAND JURY AND THE POSSIBILITY OF IMMUNITY DISCUSSED WITH THE DEPARTMENT.

IF JOHN JOSEPH SCOTT CAN BE SUBPOENAED BEFORE THE GRAND JURY, LAS VEGAS FEELS THAT WHILE HE IS BEFORE THE GRAND JURY THAT MRS. SCOTT COULD BE INTERVIEWED IN DEPTH FOR ANY FURTHER INFORMATION SHE MIGHT DIVULGE RE THIS MATTER.

GENERAL INVESTIGATIVE DIVISION
HEADLINE SUMMARY

On 2/25/75, concentrated efforts were made by all Divisions involved to interview associates of Jack Scott and other harboring suspects in hopes of determining present whereabouts of remaining SLA fugitives. b7C b7D

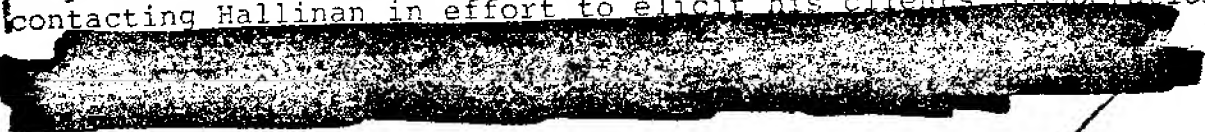

John Joseph and Louise Scott were also interviewed separately at their residence. John Scott denied knowing Patricia Hearst or the Harrises and when questioned concerning a trip across the country, he commented "This sounds like harassment" and suggested that Bureau Agents contact his attorney Vincent Hallinan of San Francisco (Hallinan is a well-known west coast radical attorney). The interview of Mrs. Louise Scott was terminated by John Joseph Scott prior to any positive information being obtained. b7C

Newark Office advised that efforts to interview Phillip Shinnick evening of 2/25/75, were unproductive; however, Shinnick advised that he and Jack Scott are coauthors on a proposed book and are associated professionally.

Jack Scott is presently within the Portland Division area. Philadelphia advised an interview of J. Weiner is being held in abeyance until 2/26/75, since Weiner's father was present at residence.

Assistant U.S. Attorney (AUSA) Steele Langford, San Francisco, issued subpoena for John Joseph Scott to appear before Federal Grand Jury, San Francisco, 3/6/75. AUSA advised immunity would be granted John Joseph Scott to effect his cooperation. Efforts to reinterview Louise Scott at appropriate time will be made. Attorney Vincent Hallinan has had numerous contacts with Hearst family in past and has attempted to assist them in contacts with radical elements. Hallinan has indicated a desire to cooperate in the past and SAC, San Francisco is considering contacting Hallinan in effort to elicit his clients' cooperation. b1

IMMEDIATELY AFTER THIS INTERVIEW, OUR LAS VEGAS OFFICE ATTEMPTED TO INTERVIEW THE ELDER SCOTTS SEPARATELY, AND LOUISE SCOTT INDICATED THAT SHE AND HER HUSBAND, JOHN JOSEPH, AND HER SON JACK AND HIS WIFE MICKI, HAD MADE A TRIP ACROSS THE COUNTRY. JOHN JOSEPH WAS SHOWN PICTURES OF THE FUGITIVES IN THIS MATTER AND STATED HE DOES NOT KNOW THEM AND WHEN HE WAS ASKED ABOUT THE TRIP ACROSS COUNTRY WITH PATRICIA HEARST, HE REFERRED THE AGENTS TO HIS ATTORNEY, VINCENT HALLINAN (A WELL KNOWN WEST COAST RADICAL ATTORNEY [REDACTED])

[REDACTED] AT THIS JUNCTURE, JOHN JOSEPH LEFT THE INTERVIEWING AGENTS, ENTERED THE HOUSE AND THE INTERVIEW WITH HIS WIFE LOUISE ~~WAS~~ HAD TO BE TERMINATED.

NEWARK HAS BEEN REQUESTED TO IMMEDIATELY INTERVIEW PHILLIP KENT SHINNICK AND MAINTAIN COVERAGE ON HIM. OUR PHILADELPHIA OFFICE ADVISES THAT IN REGARD TO JAY WEINER THAT

HE IS PRESENTLY AT HIS RESIDENCE, HOWEVER, HIS FATHER IS NOW PRESENT AND IT IS FELT THAT AN INTERVIEW OF JAY WEINER WOULD BE MORE PRODUCTIVE IF HE WERE ALONE, AND CONSEQUENTLY IT IS CONTEMPLATED THAT HE BE INTERVIEWED ON THE MORNING OF 2/26/75, WHEN HIS PARENTS ARE ABSENT.

LAS VEGAS IS CONTINUING COVERAGE OF THE ELDER SCOTTS

[REDACTED] PORTLAND IS CONTINUING COVERAGE OF JACK SCOTT. PHILADELPHIA IS CONTINUING COVERAGE OF JAY WEINER. NEWARK FOLLOWING THE INTERVIEW OF PHILLIP SHINNICK WILL CONTINUE COVERAGE AT HIS RESIDENCE.

THE SAN FRANCISCO DIVISION IS IN THE PROCESS OF CONTACTING THE US ATTORNEYS OFFICE IN SAN FRANCISCO TO DISCUSS THE POSSIBILITY OF ~~SUBPOENAING~~ ^{SUBPOENAING} JOHN JOSEPH SCOTT AND/OR LOUISE SCOTT BEFORE A FEDERAL GRAND JURY AND GRANTING THEM IMMUNITY.*

ADDENDUM: BASED UPON FACTS IN THIS MATTER, AUSA STEELE LANGFORD CONTACTED AND ISSUED SUBPOENA FOR JOHN JOSEPH SCOTT TO APPEAR BEFORE FEDERAL GRAND JURY, SAN FRANCISCO, 9:30AM, MARCH 6, 1975. SF DID NOT FEEL THAT SUBPOENA FOR SCOTT'S WIFE, LOUISE, WAS APPROPRIATE AT THIS TIME AND THE POSSIBILITY EXISTS DURING HUSBAND'S ABSENCE IN ANSWER TO SUBPOENA OUR LAS VEGAS OFFICE COULD MAKE ANOTHER ATTEMPT TO INTERVIEW HER. SHE COULD ALWAYS BE CALLED AT A SUBSEQUENT TIME BEFORE GRAND JURY.

AS BUREAU IS AWARE, ATTORNEY VINCENT HALLINAN HAS BEEN IN NUMEROUS CONTACTS WITH HEARST FAMILY AND HAS ATTEMPTED TO ASSIST THEM IN CONTACTS WITH RADICAL ELEMENTS. SAC SAN FRANCISCO HAS BEEN WITH HALLINAN AND MR. HEARST IN REGARD TO INTERVIEW OF DEATH ROW JEFF IN VACAVILLE PRISON EARLY IN THIS INVESTIGATION. HALLINAN AT THAT TIME INDICATED HE WOULD COOPERATE IN ANY WAY POSSIBLE IN EFFECTING PATTY HEARST'S RETURN. SAC SAN FRANCISCO CONSIDERING CONTACTING HALLINAN AFTER SUBPOENA SERVED ON JOHN SCOTT IN AN EFFORT TO ELICIT HIS ^{CLIENTS'} ~~OPERATING~~ COOPERATION. AUSA ADVISED TODAY IMMUNITY WOULD BE GRANTED JOHN JOSEPH SCOTT TO EFFECT HIS COOPERATION.

Refer to J. E. O'Connell to Mr. Gebhardt memorandum captioned as above dated 2/11/75 (attached), for background data and specific points of reference covering our current investigative efforts to verify information being furnished by Walter Joseph Scott (PH 4389-PCI):

Points 1, 2, 3, 4, and 9 remain under investigation; however, this information is essentially of the nature which is difficult to verify without an admission of guilt by a harboring suspect or a similar statement along these lines which admits complicity. Nevertheless, corroborative investigative efforts are well under way.

Point 5, in which source revealed Jack and Micki Scott wired money to source from New York City on or about 6/28/74, remains under investigation.

Point 7, which concerns the rental van purportedly used by Jack Scott to transport Patricia Hearst on or about 9/27/74, has been verified. The van has been processed for latents and physical evidence, which is currently being analyzed at FBI Headquarters Laboratory facilities.

Point 10, where source states Jack Scott revealed one Philip Shinnick, a former Olympic broad jumper, drove the Harrises throughout the country, remains under investigation; however, Philadelphia Office has located a public telephone two miles from the Honesdale, Pennsylvania farmsite believed to have been used by the harboring suspects.

Subsequent to the referred 10 items enumerated in the attached memorandum, PH 4389-PCI has advised:

Memorandum to Mr. Gebhardt
Re: HEARNAP

11. Source has identified four motels in the Berkeley, California, area as likely ones where his parents may have picked up Patty Hearst during June, 1974. (Under investigation).

12. Source advised fugitives have used false identities in the names of deceased persons, which may have been obtained in New York City. (Under investigation).

13. Source advised harboring suspects often used a telephone relay system in which an individual called by a harboring suspect passes the information on to a third party in an effort to purge any investigative tracing efforts.

General Investigative Division observes this information has been substantiated

b7D

Additional toll record data being obtained along these lines is being analyzed by the Computer Systems Division.

14. Source is continuously being presented telephone numbers extracted from toll call records, which source can either identify as to additional suspects, or eliminate from further investigative effort. This, of course, greatly reduces our investigative demands and isolates immediate fugitive lead information.

15. Source has positively identified an unknown female photographed while leaving source's parents' home in Las Vegas, Nevada, on 2/18/75, as Micki Scott. This has enabled us to locate a key harboring suspect. Source has also positively identified harboring suspects Paul Hoch and J. Weiner from a photo display.

This source continues to provide reliable information of significant value. Philadelphia is monitoring source's daily activities closely

b7C

to insure source does not forewarn close relatives of the current FBI investigative efforts.

Memorandum to Mr. Gebhardt
Re: HEARNAP

ACTION: Most of the background and corroborative type investigation will be completed by 2/25/75, which will allow the Las Vegas Office to undertake initial interviews of harboring suspects John and Louise Scott (source's parents). These individuals appear to be the weakest link in this harboring activity. Contingent upon the outcome of these interviews, our investigative efforts will center directly upon the location and apprehension of Patty Hearst and William and Emily Harris. If John and Louise Scott rebuff our interview efforts, our action will be based upon the surveilled activities of all the harboring suspects known to date.

The following outlines recent developments in this case which trace, in part, coast-to-coast travel by Patricia Hearst and Emily and William Harris during the period of late June to September 27, 1974.

BACKGROUND: January 12, 1975, represents the first of several occasions we were in receipt of information from apparently the same anonymous source that one Jack Scott, who resides with professional basketball player Bill Walton, was aiding Patricia Hearst and the Harrises in their travel from Berkeley, California, to New York City and return with a lay-over period at a farm in Honesdale, Pennsylvania, during June through September, 1974. These calls had been received by the Metropolitan Washington, D. C.; Philadelphia, Pennsylvania; and Scranton, Pennsylvania, Police Departments as well as the Washington Field Office. The caller in each instance expressed fear of contacting the FBI directly in that his identity would probably be detected through "voice waves" or "tracing techniques." The anonymous source also named several other individuals who may have participated in this alleged harboring activity and described Patricia Hearst as having cut her hair short, dyed it blond and using a pregnant appearance disguise. Further, the anonymous caller advised she was using the name Susan.

Our Portland Office attempted to interview Jack Scott concerning the above allegations on 1/15/75. However, upon consultation with his attorney, Scott declined FBI interview. On 1/17/75, our Cleveland Office interviewed Bill Walton while he was in that Division on a Portland Trailblazer Basketball Team road trip, and he denied any knowledge of the fugitives in this case and vouched for Jack Scott's whereabouts as of 8/16/74. Walton identified Susan as "my lady." Portland identified Susan as Susan Kay Guth, who is Walton's "live in" girlfriend. Walton was cautioned as to the provisions of the Harboring Statute.

Memorandum O'Connell to Gebhardt
RE: HEARNAP;

BUREAU FILES: Our files reveal Jack Scott was the subject of a San Francisco Antiriot Law case in 1969 as well as being a suspect in several radical bombing matters in that Division. Additionally, the files reveal Scott and his common-law wife, Beverly Ann Scott, were identified as individuals traveling to Cuba during December, 1973, in an Internal Security investigation originating out of the Cleveland Division. File reviews pertaining to various individuals cited in this memorandum continue.

DETAILS: The following represents key elements of a statement given by Walter Joseph Scott to Agents of the Philadelphia Office after he came forward on 2/2/75, and admitted he was the above anonymous caller. Walter Scott also revealed that he is the brother of Jack Scott.

b7c

Walter Joseph Scott gave his reasons for divulging this information in that he was disgusted with the radical life style of his brother, and he was deeply concerned for the welfare of his parents who have become enmeshed in this apparent criminal activity.

Walter Joseph Scott (identified as source hereinafter) stated:

1. Jack Scott told source during last week of June, 1974, he drove Patricia Hearst to the East Coast from Berkeley, California. (Unverified).
2. Jack Scott indicated to source he made several trips from Berkeley, California, to a motel, name and location unknown, in New York State just north of New York City. (Under investigation).
3. Jack Scott told source he, himself, drove the Harrises and Hearst on separate cross-country trips. (Under investigation).

Memorandum O'Connell to Gebhardt
Re: HEARNAP;

4. Source advised parents, Mr. and Mrs. John Scott of Las Vegas, Nevada, revealed that on 6/20/74, they received a call from their son, Jack Scott, requesting a favor and as a result traveled to a motel near the Berkeley campus of the University of California. Source's parents advised through a system of knocks they were admitted to the motel and learned of Patricia Hearst's presence therein. Source's parents drove Patricia Hearst and Jack Scott to Mt. Pocono, Pennsylvania, on or about 6/28/74. The parents also advised Emily Harris came to that motel in a seven- or eight-year-old tan Volkswagen, and all individuals proceeded to Jack Scott's apartment at 317 W. 90th Street, New York City. (The Volkswagen in question is registered to Micki McGee who is current common-law wife of Jack Scott. Information related to this vehicle's abandonment in connection with an insurance fraud scheme described by the source was verified. Jack Scott's rental of the cited apartment has been verified for the pertinent period. Other salient aspects of this point are under investigation).

5. Source advised that Jack Scott or Micki McGee wired him money through Western Union in Las Vegas on or about 6/28/74, from New York City. (Under investigation).

6. Source visited the above New York apartment and observed all of the individuals set out above including Patricia Hearst and Emily and William Harris during early July, 1974. (Source positively identified Emily Harris through a photo spread and was reasonably certain William Harris and Patricia Hearst were also present in this apartment at that time. Based on source's description of Patricia Hearst, an artist's conception was prepared reflecting same, copy attached).

7. Source advised he had been staying at the home of his parents in Las Vegas, Nevada, when Jack Scott arrived unexpectedly and had Patricia Hearst with him on 9/27/74. Source referred to a \$1 million bank robbery which occurred in Reno, Nevada, that date to refresh his recollection. (Stated bank robbery verified). Jack Scott was driving rental van. (Rental verified).

8. Source advised Jack Scott revealed to him that the Harrises and Hearst had been kept on a farm rented by Jack Scott near Honesdale, Pennsylvania. (Jack Scott's rental of Honesdale, Pennsylvania, farm cited has been verified. This farm site was processed by our Laboratory and Identification Divisions on 2/7 - 9/75, and then Latent Fingerprint Examiners advised four latent impressions were positively identified as those of William Harris.

Memorandum O'Connell to Gebhardt
Re: HEARNAP;

These latents were found on items located in the kitchen of this farm. Also, one latent of Wendy Yoshimura, who according to source was also traveling with this group, was positively identified at the farm. She is also a suspect in the radical bombing matters involving Jack Scott in the San Francisco area.

Further, a [REDACTED] scent dog, which has been used successfully in past investigative efforts, developed a positive scent of Patricia Hearst in the living room and one of the bedrooms of this farm).

9. Jack Scott told source he took Patricia Hearst to a motel near to his parent's residence on 9/27/74, and that "people" arrived in a vehicle from Berkeley, California, and returned Patricia Hearst to that area. Source is unaware of these fugitives' present whereabouts. (Under investigation).

10. Jack Scott told source that Philip Schinnick, a former Olympic broad jumper drove the Harrises across the country. (Under investigation).

ACTION: On an expedite basis we are conducting discreet investigation which includes obtaining background information on every individual identified by this source as well as utility and telephone toll records and similar data concerning them which is being programed, evaluated and coordinated with the Computer Systems Division in an effort to isolate residences which could house the remaining Hearnap fugitives. At this point we are not conducting interviews or related, open inquiries which would disclose Walter Joseph Scott as our source. However, a more direct approach will be immediately implemented when the General Investigative Division fully evaluates the information being rapidly developed with careful consideration being directed toward further use of Walter Joseph Scott.

RE JOSEPH REMIRO AND RUSSELL LITTLE

ALAMEDA COUNTY DISTRICT ATTORNEY'S OFFICE HAS ADVISED THAT IN A MOTION TO SUPPRESS EVIDENCE, CERTAIN EVIDENCE LOCATED BY THE FBI IN LOS ANGELES AND IN SAN FRANCISCO HAS BEEN INTRODUCED AND NOW THE DEFENSE ATTORNEYS FOR REMIRO AND LITTLE ARE REQUESTING THAT THEY BE ABLE TO VIEW ALL OF THE EVIDENCE COLLECTED BY THE SAN FRANCISCO AND LOS ANGELES OFFICES, WHICH INCLUDES EVIDENCE FROM VARIOUS HOUSES OR APARTMENTS OCCUPIED BY MEMBERS OF THE SLA. THERE IS NO COURT ORDER OR ANY RULING REGARDING THIS MATTER AND AT THIS TIME IT IS SIMPLY A REQUEST BY THE DEFENSE TO THE DISTRICT ATTORNEY'S OFFICE. THE ALAMEDA COUNTY DISTRICT ATTORNEY'S OFFICE WAS REFERRED TO THE U.S. ATTORNEY'S OFFICE IN SAN FRANCISCO.

THE TIME UTILIZED FOR THE DEFENSE ATTORNEYS ACCOMPANIED BY SOMEONE FROM THE DISTRICT ATTORNEY'S OFFICE IS UNKNOWN.

GENERAL INVESTIGATIVE DIVISION
ARNAP SUMMARY

Concentrated and extensive efforts continue to interview remaining harboring suspects.

Attached San Francisco Office (SFO) teletype dated 2/26/75, advises that SAC, SFO will contact Mr. and Mrs. Hearst and inform them that "We have good information to indicate the whereabouts" of their daughter as late as September, 1974, and that aggressive investigation regarding her current whereabouts is continuing. SFO feels this can be done on a strictly confidential basis.

Our Las Vegas Office (LVO) advised that a subpoena was served on 2/26/75, on John Joseph Scott at his residence and that prior to issuance of subpoena, unknown male individual arrived at Scott's apartment at 1:36 p.m. Based on available photographs, LVO identified this individual as Jack Scott, younger son of John and Louise Scott.

Our Portland Office advised that Jack Scott boarded Western Airlines (WAL) Flight 700 to Los Angeles 2/26/75, utilizing American Express Credit Card [REDACTED] and then on WAL Flight 449 to Las Vegas. Scott reportedly will return to Portland late afternoon of 2/27/75.

[REDACTED]

Philadelphia Office (PHO) telephonically advised J. Weiner contacted PHO and will be available for interview at 5:00 p.m., 2/27/75.

Physical surveillance of key suspects, telephonic toll analysis, penetrative interviews and vigorous fugitive investigation is continuing.

RE INFORMATION FROM PH-4389-PCI

IT SHOULD BE NOTED THAT DURING INTERVIEW OF LOUISE SCOTT, ON FEBRUARY 25, 1975 BY SAS OF THE LAS VEGAS OFFICE, SHE MADE REFERENCE TO A TRIP (WHICH SHE APPEARED TO BE WILLING TO DISCUSS) TAKEN BY HER, HER HUSBAND JOHN, AND JACK AND MICKI SCOTT, HOWEVER, PRIOR TO ANY SPECIFICS BEING OBTAINED FROM HER CONCERNING THIS TRIP HER HUSBAND INTERRUPTED THE INTERVIEW.

SAN FRANCISCO OFFICE IN REVIEWING INFORMATION FURNISHED BY SOURCE HAS NOTED SOME APPARENT INCONSISTENCIES. FOR EXAMPLE, SOURCE IN HIS INITIAL INTERVIEW REPORTED HAVING RECEIVED A CALL AT AN UNKNOWN LOCATION FROM MICKI MC GEE ADVISING HIM THAT JACK SCOTT WAS PROCEEDING WEST WITH PATRICIA HEARST. RECALLING THAT HE, THE SOURCE, THEN IMMEDIATELY WENT TO THE PARENTS' RESIDENCE IN LAS VEGAS AND ON THIS SAME DAY, JACK AND HEARST ARRIVED IN THE YELLOW VAN. HE PINPOINTED THIS DAY AS BEING THE DAY HE HEARD A RADIO ANNOUNCEMENT CONCERNING

FILE

6-6

A MULTI-MILLION DOLLAR BANK ROBBERY IN RENO (WHICH WAS SEPTEMBER 27, 1974). IN SUBSEQUENT INTERVIEW, IT APPEARS THAT THE SOURCE WAS ALREADY AT THE ELDER SCOTTS' APARTMENT AND HAD BEEN THERE FOR A PERIOD OF TIME PRIOR TO THE ARRIVAL OF JACK AND PATRICIA HEARST, AND IT ALSO APPEARS THAT MICKI SCOTT MUST HAVE BEEN THERE AS SHE APPARENTLY FLEW FROM SOMEWHERE IN THE CLEVELAND AREA TO LAS VEGAS. IT IS NOTED THAT THE SOURCE ADMITS MAKING TELEPHONE CALLS FROM LONDON TO THE PARENTS' RESIDENCE IN LAS VEGAS AND WE HAVE DETERMINED THAT THESE WERE MADE ON SEPTEMBER 26TH AND 27TH. IT IS FELT THAT PHILADELPHIA SHOULD RECONTACT THE SOURCE AND CLARIFY ITEMS SUCH AS THESE AND OTHER ITEMS THAT PHILADELPHIA IS UNDOUBTEDLY AWARE OF, WHERE DISCREPANCIES ARISE IN HIS INTERVIEWS.

SAN FRANCISCO FEELS, BASED UPON INVESTIGATION CONDUCTED TO DATE, THAT SOURCE HAS NOT ENTIRELY LEVELED WITH US OR MAY BE FURNISHING INFORMATION DELIBERATELY DESIGNED TO CONCEAL POSSIBLE INVOLVEMENT AND/OR ADDITIONAL KNOWLEDGE WHICH HE IS WITHHOLDING FROM US. IT IS POINTED OUT THAT THIS IS MERELY AN OPINION, HOWEVER, SAN FRANCISCO FEELS THIS MATTER SHOULD BE PURSUED VIGOROUSLY WITH SOURCE SINCE HE IS REPORTEDLY DEPARTING FOR FOREIGN ASSIGNMENT ON MARCH 3, 1975.

IT SHOULD BE NOTED THAT SOURCE INDICATED THAT DURING LATTER PART OF JUNE, 1974, HE WAS AT HIS BROTHER JACK SCOTT'S APARTMENT IN NEW YORK, AT WHICH TIME PATRICIA HEARST AND THE HARRISSES WERE OBSERVED BY HIM IN THE APARTMENT. ALSO PRESENT IN THE APARTMENT AT THIS TIME WAS JACK SCOTT, MICKI SCOTT AND PAUL KENNETH HOCH. For information Cincinnati, on 2/15/75, [REDACTED]

[REDACTED] Mansfield, Ohio, addressed a letter to the Director in response to referenced article pertaining to remaining SLA fugitives which appeared in December, 1974 issue of "Argosy" and requested that he be contacted regarding this article.

On 2/25/75, [REDACTED] was contacted at [REDACTED] Mansfield, and receipt of his letter acknowledged. He advised that in October of 1974, he was residing on [REDACTED] Newark, Ohio, and that one evening, while he was returning from the Newark Public Square with a bottle of wine, two white females at a residence on Wilson Street, Newark, gave him the "wolf whistle". During a conversation with these girls, wherein he shared his wine, he learned that they were renting the house on Wilson Street. He had no knowledge that these girls were prostitutes.

[REDACTED] described one of these girls as 5'3", 110 pounds, 20-23 years of age with long blonde hair. The other he described as 5'8", 120 pounds, dark hair and 30 years of age. He claims the younger girl somewhat resembles photos of PATRICIA HEARST. He was unable to identify photos of EMILY.

HARRIS as being identical to the other female nor could he identify photos of WILLIAM HARRIS as being identical to the male subject who drove him home.

[REDACTED] advised that the house where he met these girls is a two-story frame house, very run-down, possibly brown in color, on the north side of Wilson Street adjacent to and just west of a bridge over a creek.

[REDACTED] advised he cannot be certain that either of the girls he saw in Newark, Ohio, is PATRICIA HEARST but that because of the circumstances he has had "suspicions" that these subjects may have been the remaining SLA fugitives. He claims to have waited until he arrived at Mansfield, Ohio, to bring this to the attention of the Bureau for fear these individuals may have been following him.

On 2/25/75 [REDACTED] Mansfield, Ohio, advised [REDACTED] is a habitual letter writer and questioned his emotional stability. He advised his records reflect [REDACTED] is receiving disability for a military-connected mental illness.

Investigation Cobb County Sheriff's Office, Marietta, Georgia, regarding NCIC inquiry by Sheriff's Office pertaining to .30 caliber carbine, SN 336-30C and NCIC inquiry regarding .30 caliber carbine 26121214 reflects that this department has not recovered any .30 caliber weapons in the recent past. Captain JIM LYNCH, Sheriff's Office, advised his office ran a .30 caliber Marlin rifle through NCIC as one of the deputies was contemplating purchasing a .30-.30 caliber rifle. Inquiry of sporting goods store, Smyrna, Georgia, reflects Marlin does not manufacture a .30 caliber semi-automatic ~~either~~ of any type and that Marlin does produce a Model 336-30C for a .30-.30 lever action rifle. Additional inquiry indicates it is impossible to convert a Marlin lever action rifle into a fully automatic rifle and all Marlin lever action rifles are either .30-.30 caliber or .35 caliber.

Investigation at GSP, LaFayette, Georgia, regarding NCIC inquiry made by this department regarding .30 caliber automatic, SN 75131M9 and also SN 7044883 reflects no record within this agency regarding the inquiry. GSP, LaFayette advised they maintain no record if no "hit" was received on the inquiry and that there is no way of determining which law enforcement agency made the request to have NCIC inquiry made.

In view of the above, Atlanta is conducting no further investigation pertaining to the above NCIC printouts.

Investigation is continuing in Lumpkin County, Georgia, regarding the ~~above~~ NCIC inquiry as made by referenced communication.

"TAIL CONSCIOUS" IT WAS OBVIOUS BY THE ROUNDABOUT WAY OF RETURNING HOME, THAT THEY WERE ATTEMPTING TO DISCOVER IF ANY ONE WAS FOLLOWING THEM.

AT 8:15 PM, JACK SCOTT EMERGED FROM THE APARTMENT WITH HIS FATHER, QUICKLY ENTERED THEIR CAR AND PROCEEDED TO MC CARRAN AIRPORT. JACK SCOTT PURCHASED TICKET FOR HUGHES AIR WEST FLIGHT 263, DEPARTING AT APPROXIMATELY 9:00 PM FOR SAN DIEGO, CALIFORNIA. IN VIEW OF PREVIOUS INFORMATION THAT MICKI SCOTT HAD GONE TO SAN DIEGO TO MEET A WOMAN WITH WHOM SHE WAS COLLABORATING ON A BOOK, SPECIAL AGENT OF LAS VEGAS DIVISION PLACED ON AIRPLANE WITH SCOTT AND SAN DIEGO TELEPHONICALLY NOTIFIED AND REQUESTED TO MEET AIRPLANE. SURVEILLANCE OF SCOTT WAS REQUESTED BY SAN DIEGO IN AN EFFORT TO DETERMINE ACTIVITIES OF SCOTT WHILE IN THAT DIVISION.

SCOTT, IT WAS APPARENTLY DONE THROUGH A CODE SYSTEM OR BY A COLLECT CALL TO A TELEPHONE AVAILABLE TO SCOTT (POSSIBLY WALTON RESIDENCE).

INASMUCH AS JACK SCOTT APPARENTLY HAS MADE A VERY HURRIED TRIP TO LAS VEGAS AND THENCE TO SAN DIEGO, WHERE HE WAS MET BY FEMALE IDENTIFIED AS MICKI SCOTT (PER SAN DIEGO TELEPHONE CALL FEBRUARY 26, 1975), LAS VEGAS STRONGLY URGES THAT JACK AND MICKI SCOTT BE KEPT UNDER DISCREET SURVEILLANCE IN ORDER TO IDENTIFY ASSOCIATES AND POINTS OF CONTACT. LAS VEGAS AGAIN RECOMMENDS THAT THE POSSIBLE TRAVEL PLANS OF PRINCIPALS IN THIS MATTER BE OBTAINED SO WE WILL BE IN A POSITION TO SURVEIL THEM IN ORDER TO IDENTIFY ANY HERETOFORE UNIDENTIFIED ASSOCIATES.

IT IS REALIZED THIS MAY NECESSITATE AGENT PERSONNEL BEING ON IMMEDIATE CALL FOR POSSIBLE FUTURE TRAVEL AND AN EXPENDITURE OF FUNDS AND MANPOWER; HOWEVER, IT IS BELIEVED THIS APPROACH IS ABSOLUTELY NECESSARY IF WE ARE TO BRING THIS MATTER TO A SUCCESSFUL CONCLUSION.

TO DIRECTOR, FEBRUARY 26, 1975, POINTING OUT APPARENT INCONSISTEN-
CIES IN INFORMATION FURNISHED BY SOURCE.

SAN FRANCISCO INDICATES IN SECOND TEL REFERENCED ABOVE
THAT THE INCONSISTENCIES IN THE INFORMATION FURNISHED BY THE
SOURCE LEAD THEM TO THE BELIEF THAT THE SOURCE "IS NOT LEVELING
WITH US OR MAY BE FURNISHING INFORMATION DELIBERATELY DESIGNED
TO CONCEAL POSSIBLE INVOLVEMENT".

REC-107

7-15200-4751

15 MAR 12 1975

TELETYPED TO:

84 JUN 12 1975 1559D

IT HAS BEEN EVIDENT THAT INCONSISTENCIES, ESPECIALLY REGARDING SPECIFIC DATES, EXIST BETWEEN THE SOURCE'S FIRST NIGHT OF INTERVIEW AT SCRANTON, PA., AND SUBSEQUENT INTERVIEWS. POSSIBLY THE MOST SIGNIFICANT FACTOR BEARING ON THE INCONSISTENCIES IS THAT DURING THE INITIAL PORTION OF THE FIRST INTERVIEW, THE SOURCE AS PREVIOUSLY STATED, HAD BEEN DRINKING AND WAS AGITATED AND EXHAUSTED. PHILADELPHIA HAS, IN FACT, INDICATED IN THE PAST THAT THESE INCONSISTENCIES DO EXIST AND IT WOULD BE MOST SURPRISING IF THEY DID NOT OCCUR TO SOME EXTENT IN VIEW OF THE VERY LARGE VOLUME OF INFORMATION AND THE EXTENSIVE PERIOD OF RECOLLECTION INVOLVED.

REGARDING THE SEQUENCE OF EVENTS WHICH TOOK PLACE INVOLVING THE SOURCE AND HIS LOCATION AT THE TIME PATTY HEARST WAS TRANSPORTED THROUGH LAS VEGAS, THE SOURCE ADVISES THAT THE ACCOUNT AS RELATED DURING LATER INTERVIEWS IS THE CORRECT ACCOUNT.

THE MATTER OF THE LONDON PHONE CALLS IS STILL BEING PURSUED AT PHILADELPHIA AND THE SOURCE IS ATTEMPTING TO RECONSTRUCT A TIME REFERENCE.

IT IS FURTHER NOTED THAT ALMOST WITHOUT EXCEPTION, THE PERSONS IDENTIFIED BY THE SOURCE AS BEING RADICAL ASSOCIATES

PH 7-1299 PAGE THREE

OF THE SCOTTS HAVE BEEN VERIFIED BY INDEPENDENT SOURCES THROUGHOUT THE COUNTRY AS BEING RADICAL. INVESTIGATION IN AUXILIARY OFFICES AS WELL AS THE SAN FRANCISCO OFFICE, SHOWS MOST CLEARLY THAT THESE PERSONS HAVE BEEN INVOLVED IN RADICAL, VENCEREMOS, AND/OR COMMUNIST ACTIVITIES, IN SOME CASES FOR MANY YEARS. ANALYSIS OF THE TOLL CALL RECORDS OF THESE PERSONS TO DATE VERIFIES QUITE CLEARLY THEIR INTER-RELATIONSHIP.

THE SOURCE'S PERSONAL HISTORY, ALTHOUGH INDICATING INSTABILITY IN SOME AREAS, HARDLY PLACES HIM IN THE RADICAL CATEGORY.

IT SHOULD ALSO BE NOTED HERE THAT DURING THE POLYGRAPH EXAMINATION AFFORDED TO THE SOURCE AT SCRANTON, PA., THERE WAS SPECIFIC QUESTIONING REGARDING ANY PARTICIPATION BY THE SOURCE IN THE HARBORING OF PATTY HEARST. THERE WAS NO RESPONSE TO THAT QUESTION ON THE POLYGRAPH WHICH INDICATED ANY DECEPTION.

THE SAN FRANCISCO LINE OF REASONING IN THE OPINION OF PHILADELPHIA, IS NOT CONSISTENT WITH THE TOTALITY OF THE POSITIVE RESULTS OF THE INVESTIGATION TO DATE, INCLUDING POLYGRAPH, WHICH HAS LARGELY SUBSTANTIATED THE VOLUMINOUS INFORMATION SUPPLIED BY THE SOURCE.

PH 7-1299 PAGE FOUR

PHILADELPHIA'S PRIMARY INTEREST IN THIS MATTER CONTINUES TO BE IDENTICAL TO THAT OF THE SAN FRANCISCO OFFICE, THAT IS THE PROMPT RESOLUTION OF THIS CASE BY LOCATING THE FUGITIVES. WE RECOGNIZE THAT THE SOURCE IS OF VERY MINOR IMPORTANCE RELATIVE TO THE OVERALL OBJECTIVE AND ALSO THAT HE WILL SOON DEPART THE COUNTRY, HOWEVER, REGARDING THE PROPOSED INTERVIEW OF JANE OLMSTEAD, GIRL FRIEND OF SOURCE, AT WASHINGTON, D.C., PHILADELPHIA IS STRONGLY OPPOSED TO ANY INTERVIEW AT WASHINGTON, D.C., OR ANY OTHER LOCATION, INCLUDING LAS VEGAS, WHICH WOULD INDICATE DIRECTLY TO THE PERSON BEING INTERVIEWED THAT THE SOURCE IS, IN FACT, TALKING TO US. PHILADELPHIA IS FULLY AWARE THAT THERE IS A STRONG PROBABILITY THAT THE SOURCE WILL BE COMPROMISED AT A LATER TIME BECAUSE OF SUSPICIONS ON THE PART OF HIS FAMILY, HOWEVER, IT IS QUITE ANOTHER MATTER FOR ANY FBI AGENT TO DISCLOSE IN ANY WAY THE IDENTITY OF AN FBI INFORMANT. PHILADELPHIA HAS THE RESPONSIBILITY TO THE SOURCE IN THIS AREA AND WISHES TO BE CONSULTED SHOULD ANY SUCH INTERVIEWS BE CONTEMPLATED WHICH WOULD INCLUDE DISCLOSURE OF THE IDENTITY OF THE PHILADELPHIA SOURCE.

PHILADELPHIA IS REVIEWING AGAIN ALL INFORMATION FURNISHED BY THE SOURCE AND WILL MAKE EVERY EFFORT TO RESOLVE ANY

HEARNAP SUMMARY

Attached summarizes current fugitive and harboring investigation in this case.

Initial interviews of [REDACTED] and harboring suspects John and Louise Scott, Las Vegas, Nevada, restated. U. S. Attorney, San Francisco, consulted and has initiated request for Departmental approval regarding grant of immunity for John Scott related to possible violations of Harboring and/or Misprison of a Felony Statutes. BASED ON INFORMATION FURNISHED BY CAPTIONED SOURCE, ON

MAR 12 1975

84 JUN 12 1975

[REDACTED]

JOHN JOSEPH SCOTT AND HIS WIFE, LOUISE, WERE INTERVIEWED SEPARATELY. JOHN JOSEPH, WHEN SHOWED PHOTOGRAPHS OF PATRICIA HEARST AND THE HARRISES DENIED KNOWING THEM AND SHOWED NO EMOTION OR VISUAL SIGNS OF RECOLLECTIONS. WHEN ASKED ABOUT A TRIP MADE ACROSS THE COUNTRY OR TO BERKELEY, HE DECLINED TO COMMENT AND ADVISED THE AGENTS SHOULD CONTACT HIS ATTORNEY VINCENT HALLINAN IN SAN FRANCISCO. DURING THE INTERVIEW OF JOHN JOSEPH, AGENTS BEGAN INTERVIEWING HIS WIFE, LOUISE. SHE ACKNOWLEDGED THAT IN THE PAST SUMMER, SHE, AND HER HUSBAND TOOK A TRIP WITH JACK AND MICKI SCOTT; HOWEVER, BEFORE SHE COULD BE QUESTIONED FURTHER, HER HUSBAND ENTERED THE ROOM AND ADVISED HER IF THE AGENTS WANTED ANY FURTHER INFORMATION, THEY SHOULD CONTACT HIS ATTORNEY. AT THIS TIME THE INTERVIEWS WERE TERMINATED.

IN VIEW OF THE SCOTTS' REFUSAL TO TALK, THE SAN FRANCISCO OFFICE ON FEBRUARY 25, 1975, CONSULTED WITH THE

PAGE THREE SF 7-855

U.S. ATTORNEY'S OFFICE, SAN FRANCISCO, AND OBTAINED A GRAND JURY SUBPOENA DIRECTING JOHN JOSEPH SCOTT TO APPEAR BEFORE FEDERAL GRAND JURY, SAN FRANCISCO, ON MARCH 6, 1975. THIS SUBPOENA WAS SERVED BY OUR LAS VEGAS OFFICE ON JOHN JOSEPH ON FEBRUARY 26, 1975, AT WHICH TIME IT IS BELIEVED THAT JACK SCOTT WAS PRESENT IN THE ELDER SCOTTS' APARTMENT; HOWEVER, WHEN THE ELDER SCOTT WAS SERVED HE EMERGED FROM HIS RESIDENCE AND CLOSED THE DOOR BEHIND HIM TO ACCEPT SERVICE OF THE SUBPOENA.

ON FEBRUARY 27, 1975, THE U.S. ATTORNEY'S OFFICE AT SAN FRANCISCO WAS FURNISHED WITH SUFFICIENT INFORMATION REGARDING JOHN JOSEPH SCOTT IN ORDER THAT THEY COULD REQUEST THE DEPARTMENT TO AUTHORIZE IMMUNIZATION IN THE EVENT SCOTT DECLINED TO ANSWER QUESTIONS BEFORE THE GRAND JURY. THIS REQUEST WAS FURNISHED TO THE DEPARTMENT ON FEBRUARY 27, 1975.

OUR NEWARK OFFICE ATTEMPTED TO INTERVIEW PHILLIP KENT SHINNICK, AN ASSOCIATE OF JOHN VINCENT SCOTT AND AN INDIVIDUAL WHO MAY HAVE BEEN INVOLVED IN TRANSPORTING THE HARRISES. SHINNICK DECLINED TO BE INTERVIEWED; HOWEVER, WE ARE ATTEMPTING TO RECONTACT HIM.

PAGE FOUR SF 7-855

OUR PHILADELPHIA OFFICE INTERVIEWED JAY WEINER WHO DENIED HAVING SEEN SLA FUGITIVES BUT REFUSED TO ANSWER QUESTIONS REGARDING TRIPS MADE BY HIM TO SCRANTON AREA, SUMMER OF 1974. WEINER STATED HE WISHED TO THINK ABOUT THIS MATTER AND WOULD POSSIBLY ANSWER AT A LATER TIME. HE WILL BE RECONTACTED.

WE HAVE DETERMINED THAT JACK SCOTT FLEW FROM PORTLAND TO LOS ANGELES ON WESTERN AIRLINES ON FEBRUARY 26, 1975, AND ON THIS SAME DATE, FROM LOS ANGELES TO LAS VEGAS ON WESTERN AIRLINES.

OUR LAS VEGAS OFFICE ON FEBRUARY 26, 1975, IDENTIFIED JACK SCOTT AT THE RESIDENCE OF JOHN AND LOUISE SCOTT IN LAS VEGAS. THEY OBSERVED JACK SCOTT AND HIS PARENTS SHOPPING AT WHICH TIME JACK MADE A NUMBER OF TELEPHONE CALLS FROM A PAY

[REDACTED]

PHONE. IT APPEARED TO THE LAS VEGAS OFFICE THAT DURING THEIR TRIP THEY ATTEMPTED TO DISCOVER IF ANYONE WAS FOLLOWING THEM.

ON THE EVENING OF FEBRUARY 26, 1975, JACK SCOTT DEPARTED LAS VEGAS AT 9:00PM VIA HUGHES AIR WEST, FLIGHT 263, FOR SAN DIEGO, CALIFORNIA. A SPECIAL AGENT OF THE LAS VEGAS OFFICE ACCOMPANIED HIM. A CHECK OF THE MANIFEST FOR THIS FLIGHT FAILED TO REFLECT A TICKET FOR JACK SCOTT; HOWEVER, THERE WAS A TICKET IN THE NAME OF J. SWIFT AND J. STEWART AND WE ARE ATTEMPTING TO RESOLVE THIS MATTER. UPON ARRIVAL IN SAN DIEGO, SCOTT WAS PICKED UP BY HIS WIFE MICKI. SHE WAS DRIVING AN AUTOMOBILE REGISTERED TO LYNDA ANN HUEY, 3075 OCEAN STREET, CARLSBAD, CALIFORNIA (HUEY REPORTEDLY IS COLLABORATING ON SOME TYPE OF A BOOK WITH MICKI SCOTT). JACK AND MICKI DROVE

DURING CONVERSATION WITH SCOTT AND WIFE, SCOTT STATED HE INTENDED TO HONOR FGJ SUBPOENA AND TESTIFY TRUTHFULLY SINCE HE HAD NOTHING TO HIDE. SCOTT AND WIFE VOLUNTARILY RELATED DETAILED STORY OF PROBLEMS THEY HAVE HAD WITH SON, WALTER, FOR PAST 32 YEARS; STATED HE IS MANIACAL WHEN DRUNK AND HAS VERBALLY AND PHYSICALLY ASSAULTED THEM NUMEROUS TIMES SINCE HIGH SCHOOL DAYS THAT OTHER SON JACK IS THEIR "PILLAR OF STRENGTH" ALWAYS WILLING.

TO HELP THEM AND WALTER. SCOTTS STATED THEY HAVE LIVED FOR YEARS IN DEATHLY FEAR OF SON WALTER, THAT WALTER BEAT UP 8 MONTH OLD PREGNANT WIFE AND MANY OTHER PEOPLE THROUGH YEARS. STATED THEY RECENTLY MOVED FROM CASSDA WAY ADDRESS WHILE WALTER SLEPT OFF DRUNK AND THEY HAD BOTH BEEN BEATEN THE DAY BEFORE BY WALTER. FATHER STATED WALTER HAS BRILLIANT MIND AND HAS BEEN IN AND OUT OF MENTAL HOSPITALS THREE OR FOUR TIMES AROUND WASHINGTON AREA. BECAUSE OF BRILLIANCE WALTER IS ABLE TO CONVINCE DOCTORS THERE IS NOTHING WRONG WITH HIM. PARENTS DESCRIBED INTELLIGENCE OF JACK AND WALTER AS BEING JUST BELOW EINSTEIN. ALTHOUGH ON PREVIOUS OCCASION DENIED, AT HIS TIME, SCOTT ACKNOWLEDGED THAT HE DID MAKE A TRIP TO SAN FRANCISCO, AT UNSPECIFIED TIME--SAYING HE WOULD SAVE THAT FOR THE FGJ--TO VISIT HIS DOCTOR, IVERSON, HYDE STREET, SF, TO SEE HIM RE INJURIES SUSTAINED FROM TWO FALLS IN ELEVATORS. IVERSON PRESCRIBED A CODEIN WHICH CANNOT BE FILLED IN LV BECAUSE IT IS FROM OUT OF TOWN DOCTOR. SCOTT SAID HE WORKED IN SF FOR CLAY-JONES HOTEL AND SAID HE HAS SEEN PICTURES OF HEARNAP SUBJECTS IN IVERSON'S OFFICE. SCOTT SAID HE WOULD TRAVEL ON FIFTH SO AS NOT TO BE LATE FOR THURSDAY MORNING GJ. LATER IN CONVERSATION SCOTT SAID HE WOULD TRAVEL ON WEDNESDAY TO SEE ATTORNEY. IT IS NOTED NO LONG DISTANCE CALLS EMANATED FROM SCOTT APARTMENT TUESDAY, WEDNESDAY, THURSDAY, ACCORDING TO CENTRAL TELEPHONE COMPANY. WHEN ASKED WHY HE DID NOT ADVISE OF PRESENCE OF JACK WHEN SUBPOENA WAS SERVED WEDNESDAY OLDER SCOTT REPLIED, "YOU DIDN'T ASK ME."

IT IS STRONGLY SUGGESTED THAT AN ANOTHER ATTEMPT BE MADE TO INTERVIEW JACK SCOTT WHEN WHEREABOUTS ARE KNOWN. IN ORDER TO DETERMINE HIS STORY. FATHER STATED HE DID NOT KNOW WHERE SON JACK WENT TO WHEN HE LEFT LV WEDNESDAY NIGHT AND DOES NOT KNOW LOCATION NOW.

JOHN SCOTT, AKA JACK, BUTCH, AND HIS WIFE MICKI,
VISITED WITH HIM AT SCRANTON, PA., ON MAY 21 AND 22, 1974,
AND THEN RETURNED TO NEW YORK CITY. THE NEXT CONTACT WITH

THE CHECKS FROM THE INSURANCE COMPANY WERE MADE OUT TO "THE INSTITUTE FOR THE STUDY OF SPORT AND SOCIETY," OBERLIN, OHIO, WHICH ACCORDING TO SCOTT WAS AN ORGANIZATION STARTED BY JACK SCOTT. SCOTT ADVISED THE CHECKS WERE MAILED TO JACK SCOTT AT 1134 SOUTHEAST MARION, PORTLAND, OREGON 97202.

SCOTT ALSO ADVISED THAT HIS BROTHER JOHN JOSEPH SCOTT AND HIS WIFE LOUISE, CAMELOT APTS., SOUTH MARYLAND PARKWAY LAS VEGAS, NEV., VISITED AT HIS HOME IN SCRANTON, PA., ON JUNE 24 THRU 26, 1974. WHEN THEY ARRIVED AT SCRANTON, THEY TOLD WALTER SCOTT THAT THEY HAD BEEN AT JACK AND MICKI SCOTT'S APARTMENT IN NEW YORK CITY BEFORE COMING TO SCRANTON. THEY ALSO HAD IN THEIR POSSESSION A CHECK FOR \$500 FROM MICKI SCOTT WHICH SCOTT HELPED THEM TO CASH AT THE FIDELITY BANK, DUNMORE, PA., ON JUNE 25, 1974. WHILE VISITING, THEY TOLD SCOTT THEY WERE ON VACATION WITH NO PARTICULAR PURPOSE IN MIND. WHEN

THEY LEFT SCRANTON ON JUNE 26, 1974. THEY STATED THEY WERE RETURNING TO LAS VEGAS.

SCOTT ALSO ADVISED THAT HIS BROTHER, JOHN, FROM L.A. VEGAS, WAS IN HEAVY FINANCIAL TROUBLE AND THAT JACK SCOTT HAS BEEN KEEPING HIM IN FUNDS FOR YEARS AND THAT HE OWED JACK MANY FAVORS.

SCOTT FURTHER ADVISED THAT HE NEVER SAW OR MET OR DISCUSSED PATRICIA HEARST OR EMILY AND WILLIAM HARRIS WITH ANYONE AND HE DID NOT KNOW THE CURRENT WHEREABOUTS OF JACK AND MICKI SCOTT. HE DID PRODUCE VARIOUS LETTERS FROM JACK AND MICKI SCOTT INDICATING THAT IN LATE OCTOBER AND ALL OF NOVEMBER 1974, THEY WERE LIVING WITH BILL WALTON OF THE PORTLAND TRAILBLAZERS OF THE NBA.

JOHN JOSEPH SCOTT HAS RESERVATION ON WESTERN FLIGHT 547

LAS VEGAS AGAIN RECOMMENDS THAT ALL PRINCIPALS IN THIS

COMPLETELY CANDID WHEN HE STATED HIS SON JACK SHOWED UP "OUT OF THE BLUE" AND LEFT THE SAME DAY, DESTINATION UNKNOWN. IT IS STILL THE OPINION OF LAS VEGAS THAT JACK SCOTT CAME TO LAS VEGAS FOLLOWING HIS FATHER'S INTERVIEW IN ORDER TO CONTRIVE A STORY AND THEN TRAVEL TO SAN DIEGO WHERE HE MET MICKI SCOTT AND THEN FLEW TO SAN FRANCISCO. THE COMPLETE CHANGE IN ATTITUDE OF THE ELDER SCOTTS IS INDICATIVE OF THE FRONT HE INTENDS TO PUT UP, THAT OF COMPLETE COOPERATION WITH AUTHORITIES. LAS VEGAS DOES NOT FEEL THERE IS ANYTHING TO LOSE BY ATTEMPTING AN INTERVIEW OF JACK AND MICKI SCOTT, IF FOR NO OTHER REASON THAN TO ASCERTAIN THEIR ATTITUDE AT THE PRESENT TIME, IT BEING NOTED THEY WERE COMPLETELY HOSTILE DURING PREVIOUS ATTEMPTS TO INTERVIEW THEM.

[REDACTED] b
[REDACTED] 7
[REDACTED] D

IT IS NOT KNOWN THE EXACT DAY THE ATTEMPTS WERE MADE TO INTERVIEW JACK SCOTT IN PORTLAND OR BILL WALTON WAS INTERVIEWED CONCERNING JACK SCOTT, BUT LAS VEGAS FEELS THE LACK OF CALLS EMANATING FROM THE ELDER SCOTTS TELEPHONE IS SIGNIFICANT. IT IS APPARENT THE ELDER SCOTTS HAVE FELT THEY HAVE BEEN UNDER SURVEILLANCE AND FOR THAT REASON HAVE TAKEN PART IN NO ACTIVITY WHATSOEVER SINCE THAT TIME. THIS HAS BEEN CONFIRMED

END PAGE TWO

PAGE THREE

BY LAS VEGAS FISUR DURING THE PERIOD THE FIXED PLANT WAS IN OPERATION.

IT IS THE BELIEF OF LAS VEGAS THAT ALL ASSOCIATES OF THE SCOTTS SHOULD BE OPENLY INTERVIEWED CONCERNING THEIR KNOWLEDGE OF THE SCOTTS, TO COMPLETELY IDENTIFY THEM AND ASCERTAIN THEIR RELATIONSHIP WITH THE SCOTTS. THIS WOULD PERTAIN TO LINDA HUEY IN CARLSBAD, CALIFORNIA, SINCE THE ELDER SCOTTS ACKNOWLEDGED MICKI LEFT LAS VEGAS ON FEBRUARY 18, 1975, AND WENT TO SAN DIEGO WHERE SHE MET A WOMAN WITH WHOM SHE WAS COLLABORATING ON A BOOK.

LAS VEGAS FILES DO NOT REVEAL THE SOURCE OF INCOME OF ANY OF THE PRINCIPALS, PRIMARILY JACK AND MICKI SCOTT. THE ELDER SCOTTS HAVE SOCIAL SECURITY CHECKS EACH MONTH AND IT IS NOT FELT THAT JOHN JOSEPH SCOTT'S JOB PAYS ENOUGH TO SUBSTANTIATE THE AIR TRAVEL THAT JACK SCOTT HAS BEEN DOING. IT IS FELT THEY MAY HAVE DEVELOPED AN "ANGEL" WHO IS FINANCING THEM, EITHER KNOWINGLY OR UNKNOWNLY, AND IT IS FELT THAT BILL WALTON COULD BE SUCH A PERSON. IT IS RECALLED IN THE PAST, INFORMATION HAS BEEN FURNISHED THAT ANYONE WISHING INTERVIEW WITH WALTON MUST FIRST GO THROUGH JACK SCOTT.

Attached San Francisco teletype instructs concerned offices to conduct more open investigation concerning information furnished by PH 4389-PCI.

John Joseph Scott to appear before Federal Grand Jury, San Francisco, 3/6/75, and depending on his testimony, consideration will be given to subpoenaing his wife Louise, Philip Kent Shinnick, Jack Vincent Scott, and Micki Scott.

Philadelphia advised that on 3/3/75, Walter Scott telephonically contacted his parents on night of 3/2/75, in Las Vegas to advise them that he was definitely going overseas. Walter Scott's father was in "frenzy" during call and threatened to kill Walter Scott repeatedly. Walter Scott advised father constitutes a danger to law enforcement, especially FBI Agents, and opinioned that his father would try to leave country.

Walter Scott departed United States 3/3/75, for employment in Iran with the Iranian Oil Services Corporation, Limited, of London.

Latent Fingerprint Section, Identification Division, advised available fingerprints (right hand only) of Philip Kent Shinnick compared with remaining unidentified latents from Honesdale, Pennsylvania, farm site with negative results.

Investigation continuing.

Specimens received 2/20/75

Q135 Envelope postmarked "NEW YORK, NY 10001 FEB 4 AM 1975" bearing the hand printed address "Post Master Personal Eargent Right.Now."

Q136 New York Telephone message slip bearing the hand printed message beginning "S.L.A. This is just A Memo For May..." signed "Patty & John"

Result of examination:

Q135 and Q136 were not associated with material maintained in the Anonymous Letter File which also contains similar type material previously submitted in this case and in case captioned "HEARNAP". Copies have been added thereto.

A definite conclusion was not reached whether the questioned writing on Q135 and Q136 was prepared by PATRICIA CAMPBELL HEARST, writer of K32 submitted in the HEARNAP case, EMILY HARRIS, K5, K6, K8, K9, K20 and K37 in the HEARNAP case, or WILLIAM HARRIS, K45 submitted in the HEARNAP case, due to the lack of sufficiently comparable writing and the presence of variations. However, nothing of particular significance was observed in comparing the available hand printing of WILLIAM HARRIS with the questioned writing on Q135 and Q136.

Q135 is an embossed ten-cent U. S. Postal Service envelope bearing the usual Government watermark. Q136 is a message sheet of the New York Telephone Company. Q135 and Q136 contain no indented writing of significance or other characteristics to aid in definitely determining their source.

THE ONLY WAY THAT HE CAN PLACE MICKI AND JACK SCOTT IN THEIR NEW YORK CITY APARTMENT DURING THE PERIOD JUNE 12 THROUGH 23, 1974, IS THE FACT THAT WHEN HIS BROTHER JOHN AND WIFE LOUISE APPEARED AT HIS HOME IN SCRANTON ON JUNE 24, 1975, THEY STATED THAT THEY HAD JUST COME FROM JACK AND MICKI'S APARTMENT ON EAST 90TH STREET, NEW YORK CITY AND HAD IN THEIR POSSESSION THE PREVIOUSLY MENTIONED \$500 CHECK FROM MICKI SCOTT.

ADVISED THAT THEY HAD MADE A STOP IN TEXAS ON ROUTE TO SEE A FRIEND WHO HAD BEEN ASSOCIATED WITH JOHN WHILE WITH CLAY-JONES MOTEL IN SAN FRANCISCO. BEFORE THEY LEFT LAS VEGAS, SCOTT ADVISED THAT THEY WERE LIVING AT 6436 CASADA WAY, APARTMENT B, LAS VEGAS. THERE WAS NO MENTION AT ANYTIME IF ANYONE HAD ACCOMPANIED THEM ON THE TRIP FROM LAS VEGAS TO NEW YORK OR SCRANTON. SCOTT ADVISED THAT THE TRIP WAS TOTALLY UNKNOWN TO HIM BECAUSE HIS BROTHER AND WIFE SIMPLY SHOWED UP AT HIS HOME IN SCRANTON ON JUNE 24, 1974.

SCOTT ALSO ADVISED THAT HE NEVER RECEIVED A COLLECT CALL FROM JOHN OR LOUISE SCOTT AROUND THAT TIME BUT DID ADVISE AROUND THAT TIME HIS NEPHEW, WALTER J. SCOTT WAS IN LAS VEGAS AT HIS FATHER'S HOME AND ON JUNE 23, 1974, BETWEEN THE HOURS OF SIX AND NINE A.M., CALLED VARIOUS TIMES TO SCRANTON. HE WAS DRUNK AND NEEDED MONEY BADLY. HE ALSO CALLED ON JUNE 24, 1974, FROM LAS VEGAS AND ON JUNE 25, 1974, HE CALLED COLLECT TO SCRANTON FROM THE LAS VEGAS AIRPORT AND ALSO ON JUNE 25, 1974, FROM WASHINGTON, D.C., AND ON JUNE 26, 1974, HE ALSO CALLED SCRANTON FROM WASHINGTON, D.C. SCOTT STATED THAT HE HAD TALKED HIS NEPHEW INTO COMING TO HIS HOME IN SCRANTON AND WALTER J. ARRIVED IN SCRANTON ON JUNE 28, 1974.

SCOTT IS ABLE TO PINPOINT DATES AND TIMES SPECIFICALLY BECAUSE HE HAS IN HIS POSSESSION A DAILY LOG OF VISITORS, TIMES, BILLS PAID, PHONE CALLS, TRIPS MADE, ETC., AND HE HAS DONE THIS FOR THE LAST TEN YEARS. HE MADE THIS DAILY LOG OR DIARY AVAILABLE FOR INSPECTION TO INTERVIEWING AGENTS.

THE LAST CONTACT OF ANY SORT THAT SCOTT HAD WITH JACK AND MICKI SCOTT WAS A LETTER FROM THEM DATED NOVEMBER 14, 1974, IN WHICH THEY THANKED HIM FOR HANDLING THE DETAILS OF THEIR CAR AND THE INSURANCE. HE HAS NOT HAD A CALL FOR A LETTER FROM THEM SINCE, NOR HAS HE PHYSICALLY SEEN THEM SINCE MAY 21, 1974.

HIS LAST CONTACT WITH HIS BROTHER JOHN AND WIFE LOUISE WAS A TELEPHONE CALL ON JANUARY 30, 1975, IN WHICH WALTER J. SCOTT WAS AT THE SCRANTON RESIDENCE AND CALLED HIS FATHER IN LAS VEGAS AND NEAR THE END OF THE CONVERSATION WALTER A. TALKED WITH HIS BROTHER ABOUT WALTER J. AND THAT HE HAD BEEN DRUNK AND DEJECTED BUT WAS ALRIGHT NOW. HE ALSO HAD A BIRTHDAY CARD FROM JOHN SCOTT ON FEBRUARY 20, 1975, WITH A \$10 BILL IN IT. THERE WAS NO LETTER OR NOTE ENCLOSED.

Result of examination:

Handwriting differences were observed in comparing the questioned writing on Q1994 with the available writing of PATRICIA CAMPBELL HEARST, K32, EMILY HARRIS, K5, K6, K8, K9, K20 and K37, and WILLIAM HARRIS, K45, which indicate this questioned writing was probably not prepared by any of these persons; although, due to the presence of a few unexplained handwriting characteristics and the lack of sufficient comparable writing, a definite conclusion was not reached.

 - Q1977 Portion of white paper bearing handwritten message beginning "To whom it may concern:..." signed "Sincerely, [REDACTED]"
 - Q1978 Portion of white paper bearing handwritten message beginning "To Whom it may concern: The birth has been filed..." signed [REDACTED]

Result of examination:

A definite conclusion was not reached whether the questioned writing on Q1974 through Q1978 was prepared by PATRICIA CAMPBELL HEARST, K32, EMILY HARRIS, K5, K6, K8, K9, K20 and K37 or WILLIAM HARRIS, K45, due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, handwriting differences were observed in comparing the comparable questioned writing on Q1974 through Q1978 with the available writing of HEARST, EMILY HARRIS and WILLIAM HARRIS.

Q1974 through Q1978, which have been photographed, are being returned separately.
